In conformity with Title 2 CFR Part 200, the Contractor shall submit the following to the SFWIB within 30 days of Contract execution:

- If the Contractor has an approved Indirect Cost Rate from a federal agency or pass-thru entity (cognizant agency), the Contractor shall submit a copy of the Indirect Cost Rate approval letter from said agency to the SFWIB. If the indirect cost changes due to a new indirect rate approval from the cognizant agency, the Contractor will inform the SFWIB. The CAP is a document that specifies the allocation methods used for distributing all costs of an organization. A plan for allocating shared costs is required to support the distribution of those costs to grant and non-grant programs. All Contractor's costs should be included in the plan. Official accounting records must support all costs.

If there are no shared costs, and a CAP is not warranted, the Contractor will submit to the SFWIB a written statement to that effect with the Indirect Cost approval letter.

The Contractor shall maintain appropriate supporting documentation for the Contractor's cost allocation

and Indirect Cost Rate calculations in accordance with the records retention requirements set forth in **Article III, Section H, Audit, Inspection and Access to Records** and **Article III, Section I, Records Retention**. Failure to maintain the appropriate documentation and to follow the submitted and approved plan may result in **cost disallowances** by the SFWIB.

Failure to comply with this **Section G** may be considered a breach of this contract and can lead to disallowance of indirect/administrative costs and/or other remedies for non-compliance as specified in **Article II, Section G - Breach of Contract: SFWIB Remedies**.

H. SFWIB'S COST ALLOCATION PLAN AND INDIRECT COST RATE

If the SFWIB cannot maintain the SFWIB's cost allocation plan or indirect cost rate due to the Contractor's inconsistent utilization of Contract funds then any over-expenditure that may be experienced by the SFWIB shall be charged, in whole or in part, to the Contractor based upon Contractor's pro-rata share of the impact caused by the over-expenditures.

Any expenditure made and/or incurred prior to the SFWIB's formal approval of a written budget modification request may be disallowed, in the sole discretion of the SFWIB.

The Contractor shall notify the SFWIB's Contract Manager and Accountant, in writing, of all staffing changes (including, but not limited to adding names of staff filling vacant positions). All staffing changes shall be incorporated in the budget not later than the next available quarterly modification period set forth herein.
