(Foundation), the South Florida Workforce Investment Board d/b/a CareerSource South Florida (CareerSource), Royal Caribbean International and JP Morgan Chase are partnering to provide a countywide Summer Youth Internship Program (SYIP or Program).

The County, The Trust, CareerSource, Royal Caribbean International and JP Morgan Chase shall fund the Program and M-DCPS and the Foundation shall operate the Program and provide in-kind services and support. Specifically, M-DCPS shall manage the distribution of participant stipends through the SFEFCU and employ twenty-one (21) instructional supervisors, two (2) program assistants, and one (1) program administrator. Instructional Supervisors shall interact with interns, provide guidance, assist in resolving problems, and ensure interns' success in the Program. Further, instructional supervisors shall have a minimum of two (2) contacts with each Intern over the five-week Program and serve as liaisons to develop and maintain positive relationships with internship providers, educational professionals, and other organizations to ensure the success of the Program. Additionally, M-DCPS shall provide in-kind support for a Program Administrator for the duration of the Program. This individual will lead efforts in disseminating Program information to schools, businesses, and parents participating in the Program.

During the summer of 2018, 2,967 students applied to participate in the SYIP and 2,526 interns completed the Program, of which 894 were funded by the SFWIB. In 2019, a maximum of 901 youth are expected to be funded by the SFWIB under this Agreement. Said youth will be recruited through Miami-Dade County Public Schools for enrollment in the SYIP. Reasonable efforts will be made to enroll an equal number from each county commission district. Interns will work approximately thirty (30) hours per week for a maximum of one-hundred fifty (150) hours for the duration of the Program and receive a stipend of \$1,269.00 over a period of five (5) weeks plus a one-time stipend of \$100.00 for transportation/incidentals. In addition to receiving a stipend, interns earn a high school course credit and may be given the opportunity to earn college credits. Additionally, the Program shall maintain an Intern to staff ratio of 1:60 for typically developing youth and 1:12 ratio for youth with disabilities.

Target Population, Recruitment, and Data Requirements

Youth between the ages of 15 and 18 who are currently enrolled in Miami-Dade County Public Schools and reside in Miami-Dade County shall be recruited for participation in the Programs. The Program shall be open to the general student population. Students in magnet programs, academies or other educational or vocational programs shall not be given preferential treatment for enrollment in or notice of the Program. All Program slots funded by the SFWIB under this Agreement shall be filled by children receiving free and/or reduced priced meals. In addition, recruitment efforts will place an emphasis on at-risk youth, who for purposes of the SYIP are defined as, but not limited to, English language learners, and youth who are truant. For purposes of this agreement a youth is considered truant if the youth has accrued in excess of twenty unexcused absences during the school year. Other targeted/priority populations include youth currently in the foster care system and youth, up to age 22, who are transitioning out of the foster care system, and Exceptional Education Students (ESE) students on extended diploma option.

As further provided herein, M-DCPS agrees to employ uniform recruitment efforts and employment opportunities. To that end, M-DCPS shall employ identical recruitment efforts and utilize the same type of advertisement at every M-DCPS school that serves eligible youth. M-DCPS shall include information pertaining to student enrollment in the first interim report and final report. Specifically, the reports shall include: (1) a description of the outreach efforts made at each school; (2) the number of students from each school that applied to the Program; (3) the number of students selected from each school; (4) the number of students participating in the program who are in a magnet program, academy or other educational or vocational program and the identity of same; and (5) the number of students participating in the program who receive free and/or reduced priced meals.

Outreach and Public Awareness Campaign

By the acceptance of funds under this Agreement, M-DCPS agrees that events funded pursuant to this Agreement shall recognize the County, The Trust, and the South Florida Workforce Investment Board as funding sources. M-DCPS and the Foundation shall ensure that all publicity, public relations, advertisements and signs recognize the County, The Children's Trust and the South Florida Workforce Investment Board, for supporting all contracted activities, where possible. This includes all posted signs, pamphlets, wall plaques, cornerstones, dedications, notices, flyers, brochures, news releases, media packages, promotions, and stationeries. The use of the County's, The Children's Trust's and the South Florida Workforce Investment Board's official logos is permissible. M-DCPS and the Foundation shall ensure that all media representatives, when inquiring about the activities funded or supported by this Agreement, are informed that the County and the South Florida Workforce Investment Board are funding sources and the County, The Children's Trust and the South Florida Workforce Investment Board are partners in the collaborative effort to establish the Summer Youth Internship Program. M-DCPS shall promote SYIP Program within all high schools by providing the following:

1. Flyers posted throughout all high schools throughout the schools;
2. Daily public address school announcements with a sample script provided by M-DCPS; and
3. Community presentations (Beacon Council, etc.) to encourage participation by local businesses.

Interns' Applications and Screenings

Youth recruited for the SYIP will be directed to sign up for the internship selection pool using <https://miami.getmyinterns.org/>. This online resource allows for the universal screening of all potential applicants. All youth must reside in Miami-Dade County and must be eligible to work in the United States. Interns are expected to commit for the duration of the entire Program and complete all required academic course work.

1. **Verification**—M-DCPS must verify each youth's eligibility to participate in the Program utilizing the **TANF SYEP Eligibility/Screening Form (Attachment 1)**, attached hereto and incorporated herein as **Attachment 1**, prior to the youth's enrollment in the SYIP using SFWIB funding. Proof of verification must be maintained in the youth's file before services are provided. Documentation will be required to prove the youth's age, identity, and Temporary Assistance to Needy Families (TANF) eligibility (free and/or reduced priced meals). Such documentation will be established utilizing the Integrated Student Information System (ISIS) database print out to be provided by Miami-Dade County Public Schools.

2. **Registration**—M-DCPS shall obtain and maintain completed TANF SYEP Eligibility/Screening Forms, verification of the information provided on the screening form, and determination that the participant meets eligibility criteria. Registration is the process of collecting information to support the determination of eligibility.

3. **Intake and Eligibility Determination**—All youth participating in the SYIP must:

- Be between the ages of 15-18 and up to 22, if they are transitioning out of the foster care system or are students with disabilities on extended diploma option. Note: Minor children means a child living at home with the parent or caretaker, or less than nineteen years of age if the child is a full-time student in a secondary school or at the equivalent level of vocational or technical training and does not include anyone who is married or divorced. TANF eligible families can be:

Purpose 2 is intended to “end the dependence of needy parents on government benefits by promoting job preparation, work and marriage.” This could apply where the youth program (such as an after-school or summer program) provides a supportive service, such as childcare, that enables the parents of its participants to work or prepare for work.

M-DCPS shall be responsible for TANF eligibility determination and verification, collection of all required documentation, completion of all necessary eligibility documents and maintenance of documentation.

The following must be completed by the parent or legal guardian of the youth on the **TANF SYEP Eligibility/Screening Form (Attachment 1)**:

Insurance

All interns are required to have voluntary student accident insurance prior to the start of the internship. M-DCPS shall verify whether an intern has the appropriate insurance. If an intern does not have insurance, M-DCPS may utilize funding provided in the budget to pay for an intern's insurance. This insurance covers school-based activities including summer programs. M-DCPS shall disseminate this information to parents and potential interns during the Parent Information Sessions.

Stipends

Each Intern:

1. Is eligible to receive \$1,269.00 over the five-week period for participation in the Program;
2. Is required to report to the internship assignment approximately 30 hours per week; and
3. Must meet specific educational requirements during the summer.

In addition to the \$1,269.00 stipend, each Intern is also eligible to receive a transportation/incidental stipend of \$100.00 within the first week to cover transportation and other expenses that may create barriers to participation (i.e. meals, workplace attire, personal grooming).

Interns are eligible to receive a total of three stipends:

1. The incidental stipend of \$100.00; and
2. Two subsequent payments of \$634.50 each.

These funds are distributed via direct deposit through collaboration between the South Florida Educational Federal Credit Union (“SFEFCU”) and the M-DCPS. The SFEFCU account must be opened no later than May 31, 2019 or the incidental stipend could be delayed. M-DCPS will compile and maintain a list for each funding source that will display all of the interns supported by said funding source. M-DCPS will use these lists when transmitting stipend payment information to SFEFCU to ensure proper allocation across funding streams.

Parent Information Sessions

M-DCPS shall offer four parent information sessions for the parents/guardians of potential interns. These sessions provide an overview of the SYIP, outlines Program requirements and expectations of the interns upon selection, which includes intern stipend amount, SFEFCU bank account information, pre-internship course, Program schedule and assignments, accessing Miami.getmyinterns.org, and accessing and using the M-DCPS Student Portal. During these sessions internship providers may also be present to conduct internship placement interviews.

Internship Providers’ Screenings and Information Session

Internship providers are required to register and enroll through <https://miami.getmyinterns.org/>. This online resource allows M-DCPS personnel to screen potential internship providers. After the screening process and selection to participate in the Program, an information session will be held to brief internship providers on the Program including expectations, anticipated outcomes, student stipends, timeline, course assignments, accessing Miami.getmyinterns.org, satisfaction survey and intern performance evaluations. Once approved, using information provided by the youth and M-DCPS personnel, internship providers will be able to screen, interview and select Program participants for internship opportunities.
