I. LEVEL 2 BACKGROUND SCREENING REQUIREMENT

The SFWIB requires and Contractor agrees to comply with all applicable federal, state and/or local laws, regulations and ordinances regarding background screening of employees, volunteers and subcontracted personnel. The Contractor's failure to comply with any applicable federal, state and/or local laws, regulations, ordinances or Miami-Dade County resolutions, and the SFWIB's requirements set forth herein and in the SFWIB's Policy and Procedure (collectively referred to as "Laws" for purposes of this Section) regarding

background screening of employees, volunteers and subcontracted personnel is grounds for a material breach and termination of the Contract at the sole discretion of the SFWIB.

Laws include, but are not limited to the National Child Protection Act of 1993, as amended, and as implemented by sections 943.0542 and 984.01(2), Florida Statutes, and chapters 39, 402, 409, 394, 407, 393, 397, 984, 985 and 435, Florida Statutes, as may be amended from time to time. The Contractor agrees to perform background screening through the Florida Department of Law Enforcement (“FDLE”), Volunteer & Employee Criminal History System (“VECHS”) program.

1. The SFWIB requires and Contractor agrees that the Contractor’s **current and prospective** employees, volunteers and subcontracted personnel must complete a **Level 2** background screening, and be eligible for employment with any SFWIB-funded program as set forth herein, **prior** to working, volunteering or doing any work for Contractor related to this Contract and the work set forth in the **Exhibit A, Statement of Work** and the **Exhibit AA, Program Design and Service Delivery**. No later than ten (10) business days **prior** to employment, volunteerism, or performance of any work for any SFWIB-funded program, the Contractor shall furnish the SFWIB with an **Affirmation/Acknowledgement Form, Attachment 1**, which confirms the background screening was completed for all employees, volunteers and subcontracted personnel who will be volunteering or working for Contractor on this Contract and that they are eligible to volunteer or for employment, pursuant to chapter 435, Florida Statutes, as may be amended from time to time.
2. The **Level 2** background screening shall include, fingerprinting for statewide criminal history records checks through the FDLE and nationwide criminal history records checks through the Federal Bureau of Investigation (“FBI”), and may include local criminal records checks through local law enforcement agencies. To obtain fingerprint-based background checks, the Contractor must apply to FDLE and be qualified to access records provided by FDLE and the FBI, through VECHS. The Contractor shall notify the SFWIB that it has obtained/not obtained the approval from FDLE within thirty (30) days of Contract award. The Contractor shall also notify the SFWIB if it is prohibited from disclosing the background screening records of employees, volunteers and subcontracted personnel to the SFWIB. The SFWIB reserves the right to perform background screening of Contractor’s staff assigned to the SFWIB’s CareerSource center(s) at Contractor’s expense. The Contractor shall reimburse the SFWIB for any expense resulting from background screening of staff by the SFWIB as set forth herein. Such reimbursement shall be deducted from any payments due to the Contractor.
3. The Contractor shall not hire persons that may have been found guilty of, regardless of adjudication, or entered a plea of nolo contendere or guilty to any offense in chapter 414, Florida Statutes, relating to public assistance fraud or chapter 443, Florida Statutes, relating to unemployment compensation fraud, or any offense that constitutes domestic violence as defined in section 741.28, Florida Statutes, whether such act was committed in this state or in another jurisdiction.
4. The Contractor shall not hire persons that have been arrested for and are awaiting final disposition of, have been found guilty of, regardless of adjudication, or entered a plea of nolo contendere or guilty to, or have been adjudicated delinquent and the record has not been sealed or expunged for, any offense prohibited under the provisions of section 435.04, Florida Statutes, or similar law of another jurisdictions relating to the same offenses.
5. The Contractor shall make the decision to hire or assign to the SFWIB’s funded program(s) persons with criminal history information unrelated to theft, fraud, or financial crime, on a case-by-case basis, where the background screening for the Contractor’s current and prospective employee, volunteer, and subcontracted personnel, is not expressly prohibited by section 435.04, Florida Statutes, or other applicable law. A Contractor’s decision to hire or assign an individual to the SFWIB’s funded program(s) does not guarantee the SFWIB will grant the Contractor’s current and prospective employees, volunteers and subcontracted personnel with access to any SFWIB funded program, CareerSource center, Access Point, Tech Hire Center, Information Technology system, or program files.
6. The Contractor must submit an **Affirmation/Acknowledgement Form, Attachment 1**, along with the background screening results to SFWIB’s Quality Assurance Coordinator **no later than ten (10) business**

days prior to employment, volunteerism, or performance of any work for any SFWIB-funded program. The background information will be reviewed by SFWIB staff and a decision on whether or not access will be granted shall be made within ten (10) business days of receipt of the Affirmation/Acknowledgement Form.

7. The Contractor must ensure that each current employee, volunteer, or subcontracted personnel working in any SFWIB-funded program provides an **Affidavit of Good Moral Character, Attachment 10**, subject to penalty of perjury, declaring compliance with the qualification requirements for employment pursuant to chapter 435, Florida Statutes, and agreeing to inform the employer immediately if arrested for any offense while employed by, volunteering for, or subcontracting for the employer.
8. Upon learning of the arrest of an employee, a volunteer, or subcontracted personnel, the Contractor must notify the SFWIB of such arrest by the next business day. The Contractor will review the circumstances of the arrest and determine whether the employee, volunteer or subcontracted personnel is eligible for continued employment. If the current employee, volunteer, or subcontracted personnel is subsequently found ineligible for continued employment based on criminal history information involving any of the allegations provided in Sections 3 or 4 above or as outlined in section 435.04, Florida Statutes, the Contractor shall immediately remove such employee, volunteer, or subcontracted personnel from volunteering or working in or for any SFWIB-funded program, or having any direct or indirect access to any SFWIB CareerSource center, Access Point, Tech Hire Center, Information Technology system, or program files. Failure to notify the SFWIB, by the next business day, of learning of the arrest of an employee, a volunteer, or subcontracted personnel is grounds for a material breach and termination of the Contract at the sole discretion of the SFWIB.
9. Even if applicable law would otherwise permit, as a provision of this Contract, the Contractor agrees not to hire any persons or permit any persons to begin work or to volunteer or to remain employed, volunteering, or performing any work for the Contractor related to this Contract and the work set forth in the **Exhibit A, Statement of Work** and the **Exhibit AA, Program Design and Service Delivery** without submitting the **Affirmation/Acknowledgement Form, Attachment 1**.
10. If the Contractor fails to furnish the SFWIB with the **Affirmation/Acknowledgement Form**, the SFWIB may withhold further disbursement of funds and this Contract may be subject to termination at the sole discretion of the SFWIB.
11. The Contractor shall take necessary precautions to safeguard the background screening records of employees, volunteers, and subcontracted personnel, the **Affirmation/Acknowledgement Form, Attachment 1**, and **Affidavit of Good Moral Character, Attachment 10**. Background screening results are exempt from public records and, therefore, must be maintained in a secured and access-controlled area to ensure that the records are accessible only to those authorized to examine such records. The Contractor shall make all records available to the SFWIB in accordance with **Article III-Section H, Audit, Inspection and Access to Records**, of this Contract.
12. The **Level 2** background screening records shall be retained as required herein in accordance with **Article III-Section I, Records Retention**, of this Contract.
13. The **Level 2** background screening must be conducted at least **every five (5) years of consecutive employment, and upon re-employment in all circumstances including assignment to a new or different contract**, until cessation of employment, volunteerism, or doing any work for the Contractor.

J. VERIFICATION OF EMPLOYMENT ELIGIBILITY (E-VERIFY)

By entering into this Contract, the Contractor becomes obligated to comply with the provisions of section 448.095, Florida Statutes, titled "Verification of Employment Eligibility." This includes but is not limited to utilization of the U.S. Department of Homeland Security's E-Verify System to verify the employment eligibility of all newly hired employees by the Contractor effective as of January 1, 2021, and requiring all Subcontractors to provide an affidavit attesting that the Subcontractor does not employ, contract with, or subcontract with, an unauthorized alien. Contractors must also include in all subcontracts the requirement that subcontractors performing work or providing services pursuant to this Contract utilize the E-Verify system to verify the employment eligibility of all new employees hired by the subcontractor during the term of the subcontract. Failure to comply may lead to termination of this Contract, or if a Subcontractor knowingly violates the statute, the subcontract must be terminated immediately. Any challenge to termination under this provision must be filed in the Circuit Court no later than twenty (20) calendar days after the date of termination, and the Contractor may be liable for any additional costs incurred by the SFWIB resulting from the termination of the Contract. If this Contract is terminated for a violation of the statute by the Contractor, the Contractor may not be awarded a public contract for a period of one year after the date of termination. Public and private employers must enroll in the E-Verify System (<http://www.uscis.gov/e-verify>) and retain the I-9 Forms for inspection.

The Department of Homeland Security's E-Verify system can be found at:

http://www.dhs.gov/files/programs/gc_1185221678150.shtm

The Contractor shall maintain evidence of the use of the E-Verify system in the employee's personnel file. The Contractor shall maintain a personnel file for each staff person funded under this Contract in accordance with the SFWIB's Policies and Procedures, state and federal laws.

The Contractor's authorized representative shall approve all budget modifications in writing and then shall forward the budget modification to the SFWIB's Contract Manager for processing and approval. G. CONTRACTOR’S COST ALLOCATION PLAN AND INDIRECT COST RATE

1. **Indirect Cost Rate:** The publication of Title 2 CFR Part 200, “Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards,” released on December 26, 2013, requires that every sub-award of federal funds from pass-through entities (i.e. the SFWIB) to the sub-recipient must include, among other elements, an Indirect Cost Rate.

In conformity with Title 2 CFR Part 200, the Contractor shall submit one of the following to the SFWIB along with the program budget (as described in Article IV, F):

A. If the Contractor does not have an approved Indirect Cost Rate:

- o The Contractor shall develop and submit to the SFWIB’s Finance Unit an initial indirect cost rate proposal. Detailed guidelines for preparing an Indirect Cost Rate proposal are contained in CareerSource Florida Administrative Policy Number 86. Additional information can be found at:

https://floridajobs.org/docs/default-source/lwdb-resources/policy-and-guidance/guidance-papers/2021-guidance-papers/ap-086_lwdb-indirectcostrate_20210518.pdf?sfvrsn=7e5b4fb0_2

B. If the Contractor has an approved Indirect Cost Rate from a federal agency or pass-thru entity, the Contractor shall submit a copy of the Indirect Cost Rate approval letter from said agency or pass-thru entity to the SFWIB.

Please note, an Indirect Cost Rate Proposal is mandated only if the Contractor includes indirect costs in the **Exhibit H-Budget for Administrative Costs and Program Costs.** However, if indirect costs are not included, a proposal is not required.

2. **Cost Allocation Plan:** The Contractor’s operating expenditures shall be cost allocated across all applicable funding streams.

The Contractor shall submit a detailed Cost Allocation Plan (“CAP”), or cost policy statement as appropriate to the SFWIB in accordance with the guidance that can be accessed through the link provided below.

https://floridajobs.org/docs/default-source/lwdb-resources/policy-and-guidance/guidance-papers/2021-guidance-papers/ap-086_lwdb-indirectcostrate_20210518.pdf?sfvrsn=7e5b4fb0_2

The CAP is a document that specifies the allocation methods used for distributing all costs of an organization. A plan for allocating shared costs is required to support the distribution of those costs to grant and non-grant programs. All of the Contractor’s costs must be included in the plan. Official accounting records must support all costs. An agency-wide budget should be presented that depicts all shared cost. The Contractor shall submit the Cost Allocation Plan to the SFWIB within the lesser of 30 days of Contract execution or along with the program budget.

A CAP is not required if the Contractor’s award amount(s) is specific to a single program and from a funding stream where there will be no shared costs. If the Contractor elects the de minimis rate (10% indirect costs as indicated in Administrative Policy Number 86) a CAP is not required, but a cost policy statement would be required.

The cost policy statement that is required as part of the indirect cost rate proposal and the CAP may be

incorporated into one document.

Federal funds awarded under this Contract may not be used to meet the matching or cost-sharing requirements of other Federal grant programs unless expressly authorized by federal law.

3. **Approval of Indirect Cost Rate:** The SFWIB will negotiate with the Contractor and approve the indirect cost rate. Indirect costs can only be charged to an award based on an approved indirect cost rate. However, the approval of indirect costs by the SFWIB is not intended to identify the circumstances or dictate the extent of federal participation in the financing of particular awards.

The results of the indirect cost rate negotiation will be formalized in a written agreement between the SFWIB and the Contractor.

The Contractor shall maintain appropriate supporting documentation for the Contractor's cost allocation and Indirect Cost Rate calculations in accordance with the records retention requirements set forth in **Article III-Section H, Audit, Inspection and Access to Records** and **Article III-Section I, Records Retention**. Failure to maintain the appropriate documentation and to follow the submitted and approved plan may result in **cost disallowances** by the SFWIB.

Failure to comply with this **Section G** may be considered a breach of this contract and can lead to disallowance of indirect/administrative costs and/or other remedies for non-compliance as specified in **Article II-Section G, Breach of Contract: SFWIB Remedies**.

H. MONTHLY INVOICING

1. **Requests for Payment.** The SFWIB shall pay all budgeted and allowable costs or services incurred by the Contractor which are allowable under 2 CFR Chapter II, Part 200 Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, this Contract and applicable SFWIB policies and procedures, as may be amended from time to time.
2. To receive payment, the Contractor shall submit monthly an original invoice package which shall include an original signed **Contract Invoice (Exhibit I)**, attached hereto and incorporated by reference as if fully set forth herein, Monthly **General Ledger**, a prior month(s) General Ledger for any costs not previously billed, and **Payroll Register**.

The Contractor shall maintain **originals** of cancelled checks or a legal copy of the cancelled checks, itemized invoices, receipts, payroll registers and any evidence of indebtedness as proof of expenditures. These documents shall be maintained by the Contractor in accordance with **Article III, Section I-Records Retention** and **Article III, Section H, Audit, Inspection and Access to Records**.

3. **Processing the Request for Payment.** The Parties agree that the processing of a payment request by the Contractor shall be completed by the SFWIB within fifteen (15) business days, or less, of receipt of submission of the request along with the complete required invoice package. Processing the payment request within fifteen (15) business days is contingent upon complete and satisfactory submissions of

the required invoice package and supporting documentation, which have been approved by the SFWIB. The Contractor's shall maintain sufficient financial resources to meet the expenses incurred during the period between the provision of services and payment by the SFWIB.

Additionally, the REACH Act contains operational and administrative requirements for related party contracts.

Effective July 1, 2021, the REACH Act serves as the authority for related party contract requirements. I. INTRODUCTION

The **Workforce Innovation and Opportunity Act (WIOA)** enacted a comprehensive youth employment program for serving eligible youth, who face barriers to education, training, and employment. WIOA outlines a vision for supporting youth through an integrated service delivery system. This vision includes high quality services for the ISY Program, including (1) career exploration and guidance, (2) continued support for educational attainment, (3) opportunities for skills training, and (4) a job along a career pathway or enrollment in post-secondary education.

The aim of the South Florida Workforce Investment Board's (SFWIB) In-School Youth (ISY) Program is to provide a comprehensive, year-round, academic and career linkage program to at-risk youth ages 14-21, who face limited employment opportunities and uncertain futures. To attain this objective, the Contractor shall assist youth in: (1) obtaining a high school diploma or equivalent General Education Development (GED); (2) transitioning into a career opportunity, career pathway opportunity and/or post-secondary education; and (3) gaining employment leading to self-sufficiency.

The Contractor shall provide services to In-School Youth (hereinafter "youth") that include activities to encourage the youth to continue their education by completing secondary education and prepare for post-secondary education and/or employment. Youth must achieve measurable gains in one or more of the following: work readiness/work maturity skills, basic skills (literacy and numeracy), and work experiences to include summer and year-round employment opportunities, pre-apprenticeship programs, internships and job shadowing, and on-the-job training opportunities. Additionally, the ISY Program shall include activities that assist the youth in enrolling in occupational skills training and completing and attaining a credential.

II. PROGRAM ELEMENTS

The Contractor shall provide all eligible youth access to the fourteen (14) program elements listed below as a means to support the attainment of a secondary school diploma or its recognized equivalent, entry into post-secondary school, and career readiness.

All youth's Individual Service Strategy (ISS) must include a minimum of seven (7) of the fourteen (14) program elements. Services shall be distinctive and based upon the specific needs of the targeted population/youth and include, but not be limited to:

1. Tutoring, Study Skills Training, and Instructions, Academic/Educational Enhancement Skills and Dropout Prevention:

- Tutoring, study skills training, and instruction that leads to a high school diploma includes services such as providing academic support, helping a youth identify areas of academic concern, assisting with overcoming learning obstacles, or providing tools and resources to develop learning strategies. Tutoring, study skills training, and instruction can be provided one-on-one, in a group setting, or through developed resources and workshops.
- Academic/Educational Enhancement Skills consist of study skills training, tutoring, GED preparation, remedial education, literacy training, basic skills instruction, English-as-a-Second-Language (ESL) instruction and instructions leading to secondary school completion, including dropout prevention strategies.

Strategies include, but are not limited to, tutoring, literacy development, active learning experiences, after-school opportunities, and individualized instruction.

2. **Alternative Secondary School Services:**

- Alternative Secondary School Services are services that assist youth who have struggled in traditional secondary education. Youth may be referred for scheduled alternative educational opportunities that are designed to lead to a high school diploma such as adult high school programs.

Alternative Secondary School services help youth to re-engage in education that leads to the completion of a high school diploma or GED. Examples of activities under this program element include, basic education skills training, individualized academic instruction, English as a second language training and counseling and educational plan development. These services shall be provided as deemed necessary.

3. **Paid and Unpaid Work Experience:**

Paid and Unpaid Work Experience is a planned, structured learning experience that takes place in a workplace and provides youth with opportunities for career exploration and skill development. A work experience may take place in the private for-profit section, the non-profit sector, or the public sector for a limited period of time.

WIOA identifies four types of work experience for youth: (1) summer employment and other employment opportunities available throughout the school year; (2) pre-apprenticeship programs; (3) internships and job shadowing; and (4) On-the-Job Training (OJT). Internship activities should correlate to the youth's career goals and not exceed 160 hours.

- The Contractor shall only permit one (1) Paid Work Experience (PWE) activity per enrollment. The total number of work experience hours is as follows: Youth (ages 14-18) maximum 140 hours and Youth (ages 18-21) maximum 160 hours.

Occupational Skills Training is outcome-oriented and focused on an occupational goal specified in the individual service strategy for the youth and leads to the attainment of a recognized postsecondary credential. The Contractor must make every effort to utilize other funding sources to pay for Occupational Skills Training (e.g., Pell grants and other aid available through community and technical colleges/schools).

5. **Education Offered Concurrently with Workforce Preparation and Training:**

Education Offered Concurrently with Workforce Preparation and Training reflects an integrated education and training model that describes how workforce preparation activities, basic academic skills, and hands-on occupational skills training are to be taught within the same time frame and connected to training in a specific occupation, occupational cluster or career pathway.

This program element must be made available for a period of at least twelve (12) months and may occur both during and after program participation. Mentors must be carefully screened and well trained to work effectively and compassionately with youth and provide age-appropriate activities that follow sound youth development principles.

9. Follow-up Services:

Follow-up Services are provided to youth after exit from the program to help ensure the youth is successful in employment, and/or post-secondary education and/or training. Follow-up services are critical and shall consist of regular contact between case managers, the youth, the youth's family, educational institution and employer (i.e. including assistance addressing work related problems that occur). Follow-up services for youth may include the following program elements: support services, financial literacy, adult mentoring, services that provide labor market and employment information about in demand industry sectors or occupations available in the local area, such as career awareness, career counseling, and career exploration services; and activities that help youth prepare for and transition to post-secondary education and training.

Follow-up services must be provided on a monthly basis to all youth who have exited the program (positive and negative) for a mandatory and minimum of twelve (12) months after exit at the following intervals: 1st quarter after exit, 2nd quarter after exit, 3rd quarter after exit, and 4th quarter after exit. The Career Planner must contact the youth by telephone, home visits, mail, etc. to verify the youth's current employment/educational status. The contact must be documented in the appropriate reporting system and the hard copy documentation collected as verification is maintained in the participant's file folder. Effective follow-ups require more than telephone contacts with youth participants. All follow-up services provided/delivered to youth participants must be recorded in Employ Miami-Dade (EMD)/Employ Monroe (EM) and documented in case notes in a timely manner.

12. Entrepreneurial Skills Training:

This training helps youth develop the skills associated with entrepreneurship and the gig economy, such as the ability to take initiative, creatively seek out and identify business opportunities, develop budgets and forecast resource needs, understand various options for acquiring capital and the trade-offs associated with each option, and communicate effectively and market oneself and one's ideas.

13. Services that Provide Labor Market Information:

Services that Provide Labor Market Information refers to services that provide labor market and employment information about in-demand industry sectors or occupations available in the local area and include career awareness, career counseling, and career exploration services. Labor market information also identifies employment opportunities, and provides knowledge of job market expectations, including education and skill requirements and potential earnings.

14. Postsecondary Preparation and Transition Activities:

Postsecondary Preparation and Transition Activities are activities that help youth prepare for and transition to postsecondary education and training. These services include helping youth explore postsecondary education options, including technical training schools, community colleges, four (4) year colleges and universities, and Registered Apprenticeship programs.

All program elements above shall be available to eligible youth whether they are provided directly by the Contractor or referred to other community organizations for said services/activities. Not every youth will require every activity/service. Using the youths' objective assessments and ISS, the Contractor will have discretion to determine the program services/activities that will be provided to the youth. The SFWIB requires that all services outlined in WIOA must be accessible to all program participants, whether by referral or direct provision.

III. OTHER PROGRAM COMPONENT SERVICES AND ACTIVITIES

The Contractor shall provide program component services and activities that will help participating youth with skills needed for academic and employment support:

1. Career Development and Education:

This training also includes positive work habits, attitudes, and behaviors such as punctuality, regular attendance, presenting a neat appearance, getting along and working well with others, exhibiting good conduct, following instructions and completing tasks, accepting constructive criticism from supervisors and co-workers, showing initiative and reliability, and assuming the responsibilities involved in maintaining a job. All youth shall be provided with written information along with actual work experiences in a variety of occupations through work readiness workshops. Work readiness activities should prepare youth for job interviews and provide opportunities to speak with professionals in various occupations.

3. Self-Awareness Activities:

Self-Awareness Activities provide youth with opportunities to consider their values, talents, and desires and include close self-examination of their physical, emotional, and mental being. Self-awareness can be encouraged in self-awareness sessions in a formal career education program and through other learning experiences in all areas of the youths' life.

4. **Decision-Making and Goal Attainment Activities:**

Decision-Making and Goal Attainment Activities provide a structure for reaching goals by making decisions and following through with sequential activities which ultimately lead to goal attainment. Thus, youth are guided through processes in which they formulate their goals in tangible terms; investigate available resources; consider all options and probable outcomes; make a decision; plan, act or review their progress; and ultimately reach their goals.

5. **Academic Support:**

Academic Support requires that a review of the youth's grades be conducted with the youth and the outcome documented and maintained in the participant file. The file shall include information needed to graduate and earn a high school diploma, such as academic progress and a detailed plan for graduation.

6. **Work Maturity (WM) Skills:**

Work Maturity (WM) skills are essential to enable youth to keep a job including, but not limited to the following: attendance, dependability, productivity, punctuality, positive attitude/behavior, appearance, interpersonal relations and task completion. Work maturity skills are required to meet employer's expectations. Work maturity skills involve the employer/classroom instructor evaluating the youth and must be a part of all educational and work based activities.

7. **Portfolios:**

Portfolios refer to a collection of work that documents the youths' performance over a period of time. While there is no standard format that a portfolio must take, it typically includes a range of materials (e.g., reports, journals, photographs, and etc.) selected by the youth.

8. **Basic Skills Goals:**

Basic Skills Goals refers to the attainment of one (1) basic skill must be set for youth at the time of enrollment. Basic Skill Goals must be measured no later than one (1) year from the enrollment date, whether or not the youth has exited the program. Basic skills, including opportunities for educational advancement and school based tutoring, must be available to enrollees to improve their basic skills proficiency and graduation or diploma equivalent rates.

9. **Measureable Skill Gains:**

Measurable Skills Gains requires the Contractor to provide an education or training program that leads to a recognized credential **or** employment **and** who are achieving measurable skill gains, defined as documented academic, technical, occupational, or other forms of progress toward a credential or employment.

- A. Educational Functioning Level (EFL) Gain—An EFL gain is the advancement of educational level by making measurable improvement in educational attainment as measured by a pre- and post-test. An example would be moving from an 8th grade reading level to a 9th grade reading level. The test typically used for this could include the TABE/CASAS and/or any State Florida Standardized Test.
- B. Secondary Transcript/Report Card—The Secondary Transcript/ Report Card is a transcript or a report card of a student in High School (HS), High School Equivalency Diploma (HSED), or a GED program demonstrating that the student achieved a D- or above for **all** classes taken and are in good academic standing.

 - Part Time Student—completion of a minimum of twelve (12) credit hours over the course of two (2) consecutive semesters during a program year.

- D. Training Milestone—Satisfactory or better progress towards skill advancement while participating in an OJT, Registered Apprenticeship program or Business Enterprise program.
- E. Skills Progression—Skills progression is successful passage of an exam required for a particular occupation or progress in attaining trade-related benchmarks, such as passing Career Readiness Certificate (CRC) or National Counselor Examination (NCE) exams, obtaining Commercial Driver’s License (CDL), and passing a welding certification exam.

10. Literacy and Numeracy Gains:

Literacy and Numeracy (Lit/Num) Gains applies to youth who are basic skills deficient at time of enrollment. The performance will be measured by the percentage of youth who increase two or more educational functioning levels within one year of participation out of the number of youth that have completed one year of participation plus the number of youth who exit before completing the year. Youth who are basic skills deficient will likely need time to improve one or more education levels. It is recommended that when pre-testing and post-testing for Lit/Num identification and gains contractors utilize the same testing instrument (i.e. TABE).

11. Career Awareness/Career Exploration:

Career Awareness/Career Exploration learning experiences are essential for youth to form and develop their career aspirations and make informed choices about careers. These activities assist youth in gaining career awareness, making career decisions and plans, understanding labor market needs and opportunities, guiding youth in making and implementing informed educational and occupational choices, aiding youth in developing career options and exposure to skills and career field specific knowledge. This activity is designed to introduce youth to career options and provide actual work experience that connects classroom learning to work based learning.

In accordance with WIOA Section (3) (7), the term “career pathway” means a combination of rigorous and high-quality education, training, and other support services that—

For the Youth programs, the Industry Specific Based with Career Pathways Service Model approach is used to focus on specific industries that offer employment opportunities at various levels, and clear pathways to progressively higher skill wage levels within a specific industry. The goal (s) of the industry specific based model is to create pathways for job seekers to ultimately access and attain good jobs, wages, and careers. The Industry Specific based with Career Pathways Service Model provides In-school youth with education and training that combines academic and career pathways focused on specific high- growth industries and occupations for which employers are in need of hiring for vacancies and building a future pipeline. The goal is to develop a framework that defines high quality career pathways and programs to include:

- New Conceptual model of career pathway systems and programs
- System criteria and indicators
- Shared set of participant metrics for measuring and managing success

Three Features of Career Pathways include:

- The Career Pathways must be well-connected and transparent education, training, credential, and support service offerings within specific occupations.
- The Career Pathways must include multiple entry points including those with limited education, English skills and work experiences.
- The Career Pathways must provide multiple exit points at successively higher levels of family supporting employment and aligned with subsequent entry points.

Four Functions in Career Pathways include:

- Participant-focused instruction and training
- Consistent and non-duplicative assessments of participants' education, skills, and asset/ needs
- Supportive services and career navigation assistance
- Employment services and work experiences

It is expected that In-school youth will complete a program in their chosen field of interest that results in completion of an industry-recognized certificate, diploma, GED and/ or post-secondary credential that is a part of their long term career goals/employment.

12. Career Development and Employer Connections:

Career Development and Employer Connections are structured with documented learning outcomes and supervised. Career development consists of experiences that take place in an actual work environment, are developed in part with employer's input and industry specific skills, based upon labor market information, and linked to learning outcomes. Connections to employers are essential and can effectively assist youth in becoming highly skilled and employable. Employer connections should lead to increased placements in employment, as well as, meaningful exposure to the workforce. Employment related activities should be developmentally appropriate and assist youth explore, select, or prepare for a career pathway of interest.

- Work experience
- Internships
- Job search assistance, placement, and retention support
- Occupational skills training

Legitimate connections to employers are essential and can effectively assist youth in becoming highly skilled and employable. Employer connections should lead to increased job placements, as well as, meaningful exposure for youth to the workforce with measurable skill increases.

13. Individual Training Accounts (ITA)/Youth Training Vouchers:

Occupational skills training may be offered as an ITA for youth ages 14-21. Youth who have been determined to need training may access training services through an ITA, enabling youth to choose an approved occupational training program from an SFWIB approved training vendor. Youth Training Vouchers may be utilized for the industry specific employer work activities.

14. Liaison Representative:

Liaison Representative requires the Contractor to perform as a liaison to the juvenile justice system for youth referred to the ISY Program through diversion programs or probation agreed to by the courts and school board. Case managers will act as liaisons with community agencies that provide services to youth with disabilities and in foster care, including youth aging out of foster care.

15. Incentives:

Incentives should be awarded for excellence. The youth must have attained a benchmark, short-term measure, outcome or goal to receive an incentive. Reasonable incentives are allowable expenditures under the SFWIB's youth programs, provided that the provision of an incentive is included in the youth's ISS plan. Incentives are monetary compensation offered to youth for accomplishing a specific pre-approved benchmark, outcome or goal. Incentive allowances are structured to provide incentives for specific accomplishments of youth, such as skills attainments and vocational training completion.

16. Parental Involvement:

Parental Involvement is proven to be an integral component for the youth's success in the program. The Contractor shall mandate parental involvement, when necessary. Documentation of parent involvement or case notes is required.

17. Collaboration:

Collaboration requires the Contractor to collaborate with other community partners, youth providers and SFWIB-funded programs during recruitment, enrollment, and program activities to ensure that participants have the opportunity to attend the programs most advantageous to them. The SFWIB requires Contractors to share information and training opportunities and coordinate programs with other community partners and youth providers (i.e. Miami Children's Initiative, Inc., PACE Center for Girls, Inc., Overtown Youth Center, Inc., Mourning Family Foundation, Inc., Kiwanis Club of Little Havana, Inc. and etc.). Additionally, collaboration with the SFWIB's approved training vendors is required for youth (ages 14-21) enrolled in occupational skills training and other academic and vocational programs.

18. Co-Enrollment:

The WIOA encourages coordination of youth development services between programs, adult centers and agencies serving youth through the development of working partnerships for the provision of information, referrals and program enrollment(s).

Youth who are 18-21 years of age can be co-enrolled in WIOA Adult and/or Dislocated Worker Programs and receive needed services. In the event a youth participant is co-enrolled, the Contractor must work closely with other entities in providing shared case management services to benefit the youth participant and prevent service duplication. However, service providers should be aware that youth participants who are co-enrolled are held to each of the performance measures established for that particular WIOA program (youth/adult).

19. Educational Portal:

This process is intended to assist youth in identifying strengths, transferable skills, interests, abilities and their work values.

The Contractor's ISY Program shall provide service delivery strategies that include an integration of year-round and summer activities. Year-round services do not imply a twelve (12) month enrollment-to-exit cycle for each youth. Youth development strategies are incorporated into programs supporting skill acquisition, education attainment, gainful employment and productive citizenship for the above populations. All program strategies and activities shall be designed to strengthen pathways to post-secondary education and careers.

V. TARGETED POPULATIONS

Consistent with the intent of WIOA and the Employment and Training Administration's (ETA) Strategic Vision for youth services, the SFWIB emphasizes serving youth who are most in need. The SFWIB's WIOA Youth Funds will concentrate on youth service delivery to the following youth priority populations, but may not be limited to:

A. A Youth who is:

- Attending school (as defined by State law), including secondary and postsecondary school;
- (b) Not younger than age 14 or (unless an individual with a disability who is attending school under State law) older than age 21 at time of enrollment. B. Youth-Veteran Priority

In circumstances where the Contractor must choose between two qualified applicants for a service, one of whom is a veteran or eligible spouse, the veterans priority of service provisions require that the Contractor must give the veteran or eligible spouse priority of service by first providing him or her that service. To obtain priority of service, a veteran or spouse must meet the program's eligibility requirements. The Contractor must comply with DOL

guidance on veterans' priority. (Refer to ETA's Training and Employment Guidance Letter (TEGL) No. 10-09 (issued November 10, 2009) which provides guidance on implementing priority of service for veterans and eligible spouses in all qualified job training programs funded in whole or in part by DOL).

- C. While it is expected that most of the youth to be served by the ISY Program may be between the ages of 14 and 18, some youth may be 19 through 21 years of age. In-School Youth, include:

The Contractor shall be responsible for WIOA and TANF (applicable if TANF funding is allocated) eligibility determination and verification, collection of all required supporting documentation, completion of all necessary eligibility documents and maintenance of documentation. All program participants must have a signed TANF Eligibility Form in their file.

All youth must be certified as eligible prior to being allowed to commence any activities under WIOA funded program(s). The eligible participant must meet all of the following eligibility elements before participation takes place:

1. Eligibility determination
2. The provision of an Objective Assessment
3. Development of an Individual Service Strategy
4. Enrollment in any of the 14 Youth Program Elements

A. Youth Eligibility

A Youth is eligible for WIOA services if he/she meets the following criteria:

1. Attending school (as defined by State law); and
2. Between the ages of 14 through 21; and
3. A citizen of the United States or an eligible non-citizen who is authorized by the immigration and Naturalization Service; and
4. In compliance with the Selective Service Act (only relevant for males 18-21); and

7. Have one or more of the following eight (8) barriers:
- a. Basic Skills Deficient; and/or
 - b. An English Language Learner; and/or

 - This criteria is capped at five percent (5%) Limitation of ISY newly enrolled in a program year and must be approved, in writing, on a case-by-case basis by the SFWIB's Youth Staff.
 - Youth who has one or more of the following characteristics:

 - Reside in low-poverty areas

A disabled youth whose family does not meet the income eligibility criteria is to be considered a low-income individual if the youth's own income meets the income eligibility criteria or meets the income eligibility criteria for cash payments under any federal, state or local public assistance program.

Youth applicants who do not meet WIOA income requirements may be eligible for special consideration if they meet ALL other eligibility criteria. These considerations are approved, in writing, on a case-by-case basis by the SFWIB's Youth Staff and shall not exceed five percent of the overall youth program population/enrollment limitation for low-income.

B. Youth High Poverty Areas (HPA) Recruitment

The Florida Department of Economic Opportunity (DEO) has set the State of Florida's poverty rate threshold at a minimum thirty percent (30%).

Under the HPA, a youth participant who lives in an HPA is automatically considered to be a low-income individual and does not have to prove income for purposes of receiving WIOA services. The Contractor must use and maintain in the case file the DEO's Poverty Rate Map to determine if an individual lives in an HPA.

In accordance with Title 20 CFR, Part V Subpart B—Eligibility for Youth Services - 681.250 the following barriers to employment are required to be low-income:

- a. §681.250 –
- (b) All ISY must be low-income to meet the ISY eligibility criteria, except those that fall under the low-income limitation and exception.
- (c) WIOA allows a low-income limitation and exception where five percent of WIOA youth may be participants who ordinarily would be required to be low-income for eligibility purposes and meet all other eligibility criteria for WIOA youth except the low-income criteria. A program must calculate the five percent limitation and exception based on the percent of newly enrolled youth in the local area's WIOA youth program in a given program year who would ordinarily be required to meet the low-income criteria.

C. TANF (applicable if TANF funding is allocated)

Under TANF a “family” as defined for the use of TANF funds, must include a pregnant individual or a parent with one or more minor children or a caretaker with one or more minor children. Note: Minor child means a child living at home with the parent or caretaker, or under nineteen years of age if the child is a full-time student in a secondary school or at the equivalent level of vocational or technical training and does not include anyone who is married or divorced. TANF eligible families can be:

1. Applicants (which means that they are applying to receive cash assistance);
2. Current participants (which means they are currently receiving cash assistance);
3. Former participants and currently earning up to 200% of the poverty level;
4. Eligible families who have never been on cash assistance are TANF eligible as described above and are earning up to 200% of the poverty level; or
5. A non-custodial parent of a child who is TANF eligible.

The **Four (4) purposes** under the TANF Guidelines are:

- ✓ **Purpose 1**-To “provide assistance to needy families so that the children may be cared for in their homes or in the homes of relatives.” This might be applicable when a youth program might prevent a child’s removal from home by keeping the child in school and preventing disruptive behavior, or when a program helps a young parent keep his or her children at home.
- ✓ **Purpose 2**-Intended to “end the dependence of needy parents on government benefits by promoting job preparation, work and marriage.” This could apply where the youth program (such as an after-school or summer program) provides a supportive service, such as childcare, that enables the parents of its participants to work or prepare for work.
- ✓ **Purpose 3**-Intended to “prevent and reduce the incidence of out-of-wedlock pregnancies and establish annual numerical goals for preventing and reducing the incidence of these pregnancies.” This could apply where a youth program: assists youth to stay in school; supervises youth in after school activities; assists to increase the youths’ motivation and self-esteem; and/or assists with the prevention and reduction of out-of-wedlock teen pregnancies. Many types of youth programs can be supported under this purpose.
- ✓ **Purpose 4**-Intended to “encourage the formation and maintenance of two-parent families.” According to some theories, programs which provide opportunities and motivation for disadvantaged boys to continue their education might make them more likely to become and stay married in the future. As such this is a potentially useful rationale that could be emphasized.

NOTE: In the case of youth who are receiving TANF cash assistance and have not received a high school diploma, the first path for which they are eligible is enrollment in a GED/high school program.

Youth applicants who do not meet eligibility requirements or youth who are not enrolled for participation shall be referred to other community and faith based organizations for assistance.

D. “An individual who requires additional assistance to enter, or to complete an educational program, or to secure and hold employment” is defined by CareerSource South Florida as a youth who meets ONE or MORE of the following criteria:

To qualify as someone who “Requires Additional Assistance” for the WIOA Title I Youth program, individuals must meet one or more conditions (youth eligibility and One of the following) listed in WIOA.

G. Five-Percent Exception for Low-Income Eligibility: (ISY & OSY)

WIOA allows a low-income exception where five percent of WIOA youth may be participants who ordinarily would be required to be low-income for eligibility purposes and meet all other eligibility criteria for WIOA youth except low-income criteria. The program administrator must calculate the five percent based on the percent of newly enrolled youth in the local area’s WIOA youth program in a given program year who would ordinarily be required to meet low-income criteria

In-School Youth Program Balanced Scorecard

Report Specifications

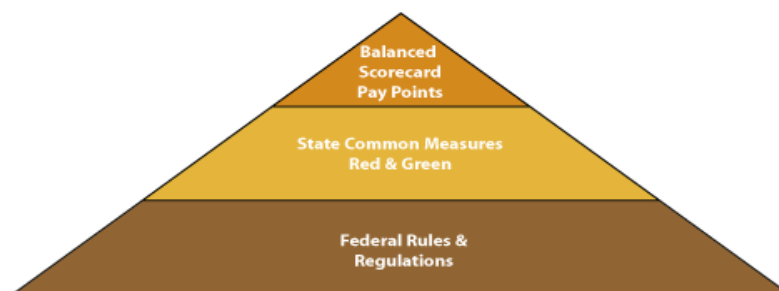

Date updated: July 1, 2022

I. Purpose

The purpose of the 2022-2023 South Florida Workforce Investment Board (SFWIB) Balanced Scorecard is to strengthen and make the SFWIB's workforce service delivery system more effective and efficient by simplifying complex measures systems, integrating multilevel performance indicators and focusing on the basics such as employment outcome and self-sufficiency. The Balanced Scorecard is a performance measure system that is also used as a payment structure to improve employment opportunities for all jobseekers and increase businesses' competitive advantage in a global economy.

The Balanced Scorecard acts as a measurement system, strategic management system, and communication tool. It provides a compass for resource allocation to SFWIB Contractors by sorting and prioritizing dozens of state and federal mandates. It simplifies the complex and perplexing Workforce performance system which in turn enhances Contractors' to allocate human capital and financial resources in areas that shall collectively benefit Workforce Area 23's performance.

The SFWIB's performance structure is derived from the local, state and federal mandated measures. The comprehensive multilevel performance measures system was used to distinguish the organization's goals and define the Balanced Scorecard measures. This system shall assist the Region in exceeding performance and serving all participants. The graph below illustrates the vertical integration of the multilevel performance measures system.

In the past, the workforce service delivery system has been consistently bombarded with sophisticated methods and techniques used to evaluate performance. Inadvertently, the Workforce service delivery system's focus was diverted from the most basic goals such as employment outcome and self-sufficiency. This document describes the report selection criteria, the reporting elements, and logic that will be used

to obtain the different reporting elements. It is organized in three sections: Required Quarterly Measures, Required Annual Measures and Additional Performance Measures.

I. Report Methodology

Listed below are the SFWIB's methodologies used to define and calculate the performance accountability requirements for Area 23. Data will be obtained from the Employ Miami-Dade (EMD)/Employ Monroe (EM) and Workforce Management System (WFMS) data warehouse and computed using the following listed methodologies.

Please refer to the table below for abbreviations used throughout this document.

Acronyms	Systems	Programs
EMD/EM	Employ Miami-Dade/Employ Monroe	The Workforce Innovation and Opportunity Act (WIOA) Youth
WFMS	Workforce Management System	All Youth Programs

Program

Each staff position is listed in the attached line item budget, including the position title, pay periods, rate to be charged to this program and the percentage of time devoted to each activity. Cost allocation was done in accordance with the approved plan. Staff Incentives for performance have been allocated on a percentage of total staff salaries and will be distributed in accordance with the approved plan, taking into account individual performance and the achievement of contract goals.

Total Salaries	143,365.56
-----------------------	-------------------

Staff Incentives:

Youth Co-Op has a board approved performance payment plan where staff can earn up to 20% of their annual salary dependent upon their score in the performance evaluation, completion of program goals and funding availability. However, in the case of CSSF Youth Programs, the incentives amount is capped at 3% of the contract award. These incentives are distributed at year-end, after the program's performance for the year is measurable and the final earned amount is known.
