3A.Finance Reports for January 2009

Mr. Rick Beasley, Executive Director introduced Mr. Gustavo Alonso, SFWIB Finance Director who presented the finance report for January 2009

The new report format is meant to capture adjustments made to the Board approved budget throughout the year. Adjustments may include:

- - Funding changes made by the State,
 - Board approved contract allocation and de-obligations, and
 - Provider-requested transfers from Contract funds to Training and Support Services

January Adjustments

Expenses:

- Headquarter: Reflects additional HQ allocations from the following programs:
 - \circ REED = \$15,694.
 - \circ UC = \$28,020.
- Adult Services: Reflects additional provider awards for the following programs:
 - \circ REED = \$178,823
 - \circ UC = \$319,258

Also, SER-Jobs was granted a one month extension on their contract pending appeals process and was awarded an additional \$131,928. Youth Co-Op voluntarily deobligated \$5,500 from their Reed allocation to transfer to the facility budget to cover additional parking at Little Havana.

- Refugee Services: Reflects a transfer of \$6,300 from contract funds to training and Support Services, as requested by the service provider.
- Youth Services: Reflects transfers of \$34,876 from contract funds to Training and Support Services, as requested by the service providers.
- Facility: Reflects additional Facility allocations for the following programs:
 - o REED = \$31,141
 - \circ UC = \$55.597
 - o Voluntary Transfer from Youth Co-Op for parking at Little Havana totaling \$27,900:
 - -\$5,500 from Reed Contract Amount
 - -\$22,400 from WIA Adult Training and Support Services
- Training and Support Services: Reflects requests from service providers to transfer a portion of their Contract funds to Training and Support Services as well as a request from Youth Co-Op to transfer a portion of their allocation in this category to the facility budget (\$22,400), net effect totaling \$18,776.

Explanation of Significant Budget Variances

- Refugee Services (page # 11) is under anticipated projections by 38.24%. This variance can be attributed to some service partners not drawing down 100% of their funds because they did not produce the contracted unit of service for the contract that ended 9/30/08.
- Training and Support Services is significantly low, 27.06% vs. 58.33% (page 3). This is a category that is always closely monitored due to the constant low expenditure rates. Historically, expenditure rates increase significantly at the end of the fiscal year.

3B. Finance Reports for February 2009

Mr. Alonso presented the finance report for February 2009

The new report format is meant to capture adjustments made to the Board approved budget throughout the year. Adjustments may include:

- Funding changes made by the State,
- Board approved contract allocation and de-obligations, and
- Provider-requested transfers from Contract funds to Training and Support Services

February Adjustments

Revenue:

AWI- Reflects an additional \$358,310 in award dollars received from the State for REA and a \$13,633 decrease in Unemployment Compensation (July-December) funding that was underutilized, net effect of \$344,677.

- Carry forward- Reflects adjustment from budgeted carry forward amount and actual carry forward now that the audit is complete totaling \$1,749,508.
- Reed Act Reflects additional \$44,532 in award dollars received from the State.

Expenses:

- Adult Services: Reflects additional SER-Jobs allocation for the remainder of the fiscal year totaling \$596.497.
- Refugee Services: Reflects a transfer of \$4,325 from Training and Support Services back to the contract, as requested by the service provider.
- Youth Services: Reflects transfers of \$19,250 from contract funds to Training and Support Services, as requested by the service providers.
- Training and Support Services: Reflects requests from service providers to transfer a portion of their Contract funds to Training and Support Services or vice versa (see above, Refugee and Youth Services) totaling \$14,925.

Explanation of Significant Budget Variances

- Refugee Services (page # 11) is under anticipated projections by 43.20%. This variance can be attributed to some service partners not drawing down 100% of their funds because they did not produce the contracted unit of service for the contract that ended 9/30/08. The expenditure rate for the new contract period beginning in October 08 is also low.
- Training and Support Services is significantly low, 33.90% vs. 66.67% (page 3). This is a category that is always closely monitored due to the constant low expenditure rates. Based on historical analysis, expenditure rates increase significantly in April, May and June.

4. SFWIB Accounting Policy and Procedures

Annually, SFWIB staff reviews and updates the SFWIB Accounting Policies and Procedures to reflect changes suggested by the Agency for Workforce Innovation (AWI) Internal Control Questionnaire and other procedural changes implemented to improve the internal control environment.

- 6. Section V.B. BUDGETING MONITORING, Pages 30 & 31
 - Changed to reflect new financial reporting methodology in which both the original and adjusted budgets are reflected in the monthly financials.
- 7. Section VII.A. PURCHASING, Pages 36 to 38
 - Various changes to improve the internal controls over the procurement process and to require that the Executive Director approve all purchase requests.
- 8. Section VII.B. ENCUMBRANCES, Page 39
 - Various changes to correct procedures in line with current practices.
- 9. Section VII.C. ACCOUNTS PAYABLE, Pages 40 to 42
 - Various changes to clarify the approval process for purchase orders ant to annual budget appropriations.

10. Section XII.A. MONTH-END CLOSING PROCEDURES, Pages 60 to 62

• Various changes to specify the due dates for the monthly closing process.

Mr. Alonso noted that most changes were procedural, and not policy issues.

One item to note is that the Finance committee will now review bank reconciliations. He added as well that there were many changes to the procurement process. The onus is now on the Executive Director and the Board.

Mr. Roberto Datorre moved approval of the revisions of the SFWIB Accounting Policy and Procedures. Mr. Willie Carpenter seconded the motion and the motion carried.

5. Recommendation to Accept American Recovery and Reinvestment Act 2009 Stimulus Funding

Mr. Willie Carpenter moved approval to authorize staff to accept American Recovery and Reinvestment Act of 2009 Funding, as set forth in the item to include the requirement to have quarterly review meetings to review the spending. Mr. Roberto Datorre seconded the motion and the motion carried.

Mr. Beasley noted that when the plan is approved by the full board, then the budget will be submitted for approval. Fifty percent must be spent on training.

Mr. Adrover inquired as to the ages of the un-employed in our area. Mr. Beasley said that he was not able to get the information by zip code. He expects to get the data by ethnicity and also by census tract.

Mr. Adrover noted that Miami-Dade and Monroe counties have lower un-employment than the other areas of the state.

Mr. Beasley asked who we are not counting by using census tract numbers.

Mr. Datorre commented that many people lost jobs and they are now under-employed.

Mr. Carpenter inquired about the formula used regarding the \$165Million. Mr. Beasley responded that he would bring the information to the next meeting.

The meeting adjourned at 10:00am.

There was discussion concerning the background for the assumptions, and how the funds may be spent.

Mr. Roberto Datorre asked when the funds must be spent and is a plan in place.

3A. April 2009 Financial Report

Mr. Alonso presented the report on the un-audited financial report for the period July 1, 2008 through April 30, 2009.

Mr. Alonso began with the notes that accompany the report.

The new report format is meant to capture adjustments made to the Board approved budget throughout the year. Adjustments may include:

- Funding changes made by the State,
- Board approved contract allocation and de-obligations, and
- Provider-requested transfers from Contract funds to Training and Support Services

April Adjustments

Revenue (Funding):

• DCF Revenues- Reflects an additional \$3,145,707 in enhancements for the Refugee Grant, accepted by the Board on 4/16/09.

Expenses (Allocations):

- 1. Headquarter Costs: Reflects:
 - A \$745,707 allocation from the Refugee grant, and
 - A \$62,834 allocation from the Disability Navigator program.
- 2. Facility Costs: Reflects \$33,000 allocation from Disability Navigator funds.
 - Training and Support Services: Reflects additional award of \$2.4 Million for On the Job Training for the Refugee program participants.

Explanation of Significant Budget Variances

- Refugee Program expenditures (page # 11) are under budget by 13% (83% vs 70%). This variance can be attributed to various service partners not drawing down 100% of their allotted funds for the contract that ended 9/30/08.
- Training and Support Services expenditures (page 3) are under budget by 44%. This variance can be attributed to:
- The new OJT Refugee allocation that was approved by the Board on 4/16/09 totaling \$2.4M, which the service providers have until 9/30/09 to expend,
- A low expenditure rate of 49% for funding streams other than the Refugee program. Historically, training and support service expenditures increase significantly in May and June.

3B. April 2009 American Recovery and Reinvestment Act (ARRA) Financial Report

Mr. Alonso presented the report on the un-audited ARRA financial report for the month ending April 30, 2009.

4. Informational - April 2009 Cash Reconciliations

Mr. Alonso presented cash reconciliations for the month ending April 30, 2009.

5. Review of the 2008/2009 Financial Monitoring Report

Mr. Alonso noted that participating via telephone were: Nisha Vickers, CPA, and Martha Conrad, CPA (the team leader), from the firm of Law, Redd, Crona & Munroe, P.A.

Thomas Howell Ferguson (THF) was engaged by the Agency for Workforce Innovation (AWI) to perform its financial monitoring review of SFWIB with during the period May 19, 2009 – May 22, 2009. The consulting service was with their sub-contracted firm of Law, Redd, Crona & Munroe, P. A.

Ms. Vickers noted that there were no findings and no observations in their report of the financial review of SFWIB.

Mr. Adrover congratulated Mr. Beasley and staff, and asked is how many RWBs also had no findings or observations. Ms. Vickers responded that there were probably five regions also without any findings or observations.

Ms. Vickers noted that it was not an audit, but a consulting service to fulfill AWI's financial monitoring requirements.

Mr. Alvin West asked how this monitoring relates to an audit. Ms. Vickers replied that when and audit is conducted, other monitoring reports are requested so as to possible previous areas of concern.

6. Informational – SER-Jobs for Progress, Inc.

Mr. Rick Beasley, SFWIB Executive Director, provided the report.

As per contractual obligations, Service Partners or Contractors are required to have performed an annual certified public accountant's opinion and related financial statements in accordance and compliance with the State of Florida requirements and the U.S. Office of Management and Budget (OMB) Circulars A-122 and A-133. The independent audit reports are to be submitted within the earlier of 30 days after receipt of the auditor's report(s), or nine months after the end of the audit period, unless a longer period is agreed to in advance by the cognizant or oversight agency.

SER-Jobs for Progress, Inc. independent audit report was to be submitted to SFWIB on or before March 31, 2009; as of June 10, 2009, SFWIB has not yet received the report; thus, SER is in breach of contract.

Mr. Jose L. Cela, SER's President, notified SFWIB via e-mail on Tuesday, March 31, 2009, the estimated time of submission of the report to be within 30 to 60 days. On June 10, 2009, a reminder e-mail was sent to Mr. Cela indicating the report has not yet been submitted nor has SFWIB heard from SER regarding this matter. Mr. Cela responded via e-mail on June 10, 2009, that a letter with details on the subject would be submitted by the close of business June 11, 2009 to SFWIB.

Mr. Beasley noted that this is a federal issue, not just an SFWIB issue.

Mr. Adrover asked for a recommendation to take to the full Board. Mr. Beasley replied that there are many concerns and he would meet with the SER-Jobs for Progress, Inc. Chair before a recommendation is submitted.

Mr. West asked whether SFWIB is operating according to OMB, and what is SFWIB's obligation.

Mr. Kevin E. Adderly, Partner, Sharpton, Brunson & Company, P.A., noted that as grantor agency responsibility to find out what is happening, and an extension may be approved. In his opinion SFWIB is performing in concurrence with the OMB circular.

Mr. Beasley noted that the financial stability and internal controls of the organization are important to know before an organization is funded by SFWIB.

Jose Cela apologized and noted that their previous audits have been provided, and this began with their auditor regarding whether or not a line of credit would be extended, which it was to give the auditor time to complete audit. The audit firm wanted to see what the financial institution would do.

He added that the financial institution wants the audit to approve the line of credit, and the auditor wants to hear from the bank before releasing the audit.

8. Recommendation as to Approval to Allocate Welfare Transition Non-Custodial Parent Funds

Mr. Rick Beasley, SFWIB Executive Director, provided the report, and it was the consensus of the Members present to forward the item to the full Board.

9. Recommendation as to Approval to Renew Professional Services Agreement with Sharpton, Brunson & Company, P.A.

It was the consensus of the Members present to recommend the renewal of the Professional Services Agreement with Sharpton, Brunson & Company, P.A. for an amount not to exceed \$130,000 and to forward the item to the full Board.

7. Recommendation as to Approval of SFWIB 2009-10 Budget/Allocations

Mr. Rick Beasley, SFWIB Executive Director, provided the report, and it was the consensus of the Members present to forward the item to the full Board.

Mr. Beasley requested approval to use shift stimulus funding by \$1.3million to increase allocations to the Career Centers.

SFWIB Finance Committee Minutes June 18, 2009 Page 4

It was the consensus of the Members present to forward the item to the full Board.

Mr. Adrover asked if there was any new business. Hearing none the meeting was adjourned at 9:26am.

10. Finance Reports

3A. June 2009 Financial Report

Mr. Rick Beasley, SFWIB Executive Director, presented the report beginning with the notes on page 2 of the financial report for the period of July 1, 2008, through June 30, 2009, (unaudited).

The financial reports capture adjustments made throughout the year to the Board approved budget. Adjustments may include:

- Funding changes,
- Board-approved contract allocations and de-obligations, and
- Provider-requested transfers from Contract funds to Training and Support Services.

June Adjustments Expenses (Allocations)

This month \$735,816 of HQ allocations, \$49,249 of Career Center Services, \$45,000 of Facility Costs, and \$600,000 of Other Programs and Contracts were transferred to SAMS as obligations in order to certify forward Welfare Transition funding for next fiscal year.

Explanation of Significant Budget Variances

- Headquarter Costs (page 3) were under utilized by 12.56%. This budget has been closely monitored throughout the year and expenditures were made on an as needed basis. Also, the refugee enhancement funding increased this expense category; the unused portion of these funds will carry forward until 9/30/09.
- Refugee Program expenditures (page 11) are under budget by 38% (100% vs. 62%). This variance can be attributed to various service partners not drawing down 100% of their allotted funds for the contract that ended 9/30/08. Current contract expenditures are also low, but carry forward until the contract ends on 9/30/09.
- Career Center-Youth Services are under budget by 12.89% (page 3). At this point, service partners have 30 calendar days from June 30th to submit their final reimbursement requests with their close-out packages. All unexpended funds will be carried forward into the new year.
- Training and Support Services expenditures (page 3) are under budget by 47.32%. This variance can be attributed to:
- The new OJT Refugee allocation that was approved by the Board on 4/16/09 totaling \$2.4M, which the service providers have until 9/30/09 to expend,
- A low expenditure rate of 65% for funding streams other than the Refugee program.
- For the most part, all unexpended funds will be carried forward into the new year.
- Other Programs and Contracts expenditures (page 3) are under budget by 37.52%. This variance is attributed to new awards awarded within the past month for Early Learning Coalition \$350K and Miami Dade College-Future Bankers Camp- \$20K. It is anticipated that these awards will materialize before year end.
 - * Please note- this closing was done for reporting purposes to the State and to the Finance Committee. We will reopen the fiscal year to try to capture any information that was not available at the time of closing, since Service Partners have until 7/30/08 to submit any invoices.

Mr. Beasley noted that he would be meeting with the Chair concerning the budget. He also added that he had a concern regarding carry-forward amounts which may create a shortage in the Dislocated Worker category. If necessary, the Dislocated Worker contracts could be amended.

3B. June 2009 ARRA Financial Report

Mr. Rick Beasley, SFWIB Executive Director, presented the report on the ARRA Financial Report for the period April 1, 2009, through June 30, 2009 (unaudited).

SFWIB will be awarding the remaining stimulus funds and will report as the SFWIB Training Expo is finalized.

SFWIB is the only Workforce Board with an agreement with a government agency for employment and training for all capital improvement projects in Miami-Dade County.

Mr. Beasley provided an overview of the digital system created through the Employ Florida system to identify persons in designated targeted areas (DTA) available to fill vacancies.

11. June 2009 Cash Reconciliation Report

Mr. Gustavo Alonso, SFWIB Finance Director, reported that the two checking accounts, one for the general accounts, and one for the escrow account were reconciled.

12. Discussion – SER-Jobs for Progress, Inc. Fiscal Monitoring Report

Mr. Beasley noted that the corrective action from SER-Jobs for Progress, Inc. had not yet been received, although they still have 10 days remaining. He added that the situation has improved, but not yet to an acceptable level. There is no action to be taken at this time.

SFWIB Finance Committee Minutes August 4, 2009 Page 3

Mr. Jose Cela, President of SER-Jobs for Progress, Inc., presented an update on the status of the requested information.

Ms. Frances Gonzalez, SFWIB office of Continuous Improvement, noted that once updated financials are received, a revised summary would be prepared.

Mr. Piedra requested that this item be included on the SFWIB agenda.

13. Informational – Independent Audit Status (Sharpton, Brunson and Company, P.A.)

Mr. Kevin Adderly, Partner, Sharpton, Brunson, & Co., reported that the planning for the upcoming audit for SFWIB has been completed and field work would begin the following day.

Mr. Piedra asked staff to consider a combined Executive and Finance Committee, and asked Mr. Adderly if that is permitted as far as the audit process is concerned. Mr. Adderly suggested that the Board discuss this issue with the Assistant Miami-Dade County Attorney.

Mr. Piedra asked if there were any questions or comments. Hearing none, the meeting was adjourned.

The meeting adjourned at 11:10am.

Mr. Alonso began with the accompanying notes to the financial report for the period of July 1, 2008 through June 30, 2009.

He noted that the financial reports captures adjustments made throughout the year to the Board approved budget, and those adjustments may include:

- Funding changes,
- Board-approved contract allocations and de-obligations, and
- Provider-requested transfers from Contract funds to Training and Support Services.

June Adjustments

Expenses (Allocations):

This month \$735,816 of HQ allocations, \$49,249 of Career Center Services, \$45,000 of Facility Costs, and \$600,000 of Other Programs and Contracts were transferred to SAMS as obligations in order to certify forward Welfare Transition funding for next fiscal year.

Explanation of Significant Budget Variances

- Headquarter Costs (page 3) were under utilized by 12.56%. This budget has been closely monitored throughout the year and expenditures were made on an as needed basis. Also, the refugee enhancement funding increased this expense category; the unused portion of these funds will carry forward until 9/30/09.
- Refugee Program expenditures (page 11) are under budget by 38% (100% vs. 62%). This variance can be attributed to various service partners not drawing down 100% of their allotted funds for the contract that ended 9/30/08. Current contract expenditures are also low, but carry forward until the contract ends on 9/30/09.

[SFWIB Executive Director, Mr. Rick Beasley arrived.]

- Career Center-Youth Services are under budget by 12.89% (page 3). At this point, service partners have 30 calendar days from June 30th to submit their final reimbursement requests with their close-out packages. All unexpended funds will be carried forward into the new year.
- Training and Support Services expenditures (page 3) are under budget by 47.32%. This variance can be attributed to:
 - o The new OJT Refugee allocation that was approved by the Board on 4/16/09 totaling \$2.4M, which the service providers have until 9/30/09 to expend,
 - o A low expenditure rate of 65% for funding streams other than the Refugee program.

For the most part, all unexpended funds will be carried forward into the new year.

• Other Programs and Contracts expenditures (page 3) are under budget by 37.52%. This variance is attributed to new awards awarded within the past month for Early Learning Coalition \$350K and Miami Dade College-Future Bankers Camp- \$20K. It is anticipated that these awards will materialize before year end.

Mr. Alonso ended the report by noting that this closing was done for reporting purposes to the State and to the Finance Committee. We will reopen the fiscal year to try to capture any information that was not available at the time of closing, since Service Partners have until 7/30/08 to submit any invoices.

Mr. Adrover noted that the report had been reviewed before and in the interest of time moved on to the next item.

[The committee Chair, Mr. Obdulio Piedra arrived.]

3B. June 2009 ARRA Financial Report

Mr. Rick Beasley, SFWIB Executive Director, noted that this report is the same as the report presented at the last meeting.

Mr. Alonso noted that SFWIB reports to the State on a monthly basis. The final reports have been reported, but they are not audited reports, and changes would need to be made at that time.

[Mr. Bernardo Adrover left the meeting.]

4. Recommendation as to Approval of America Recovery and Reinvestment Act Allocations

Mr. Beasley presented the item and noted that a change was made to the item as Transition, Inc. was removed from the allocations list.

He then noted that SFWIB staff requests that the Finance Committee recommend to the Board the approval of the American Recovery and Investment Act Allocation of \$2.9Million on the program side and on the training side \$6.9Million, as set forth in the item.

Mr. Piedra noted that it was the consensus of the members present to forward the item to the full Board with the noted changes.

[Mr. Ramiro Inguanzo arrived.]

5. Recommendation to Accept Employ Florida Healthcare Initiative Funding

Mr. Beasley noted that SFWIB is one of four regions in the state to receive \$500,000 from Employ Florida for healthcare initiative funding. SFWIB staff worked with Jackson Health System and the Healthcare Corporation of America (HCA) in developing the proposal submission.

Mr. Piedra noted that it was the consensus of the members present to forward the item to the full Board.

Mr. Piedra asked how many persons would be served by the approval of \$5.6M and \$2.9M for agenda item #4. Mr. Beasley explained that there are many outcomes possible for each initiative, and he would provide the information when he returns to his office.

That completed the agenda.

Mr. Piedra asked whether the annual audit process had begun and Mr. Alonso responded that the audit began immediately following the last Finance committee meeting, and also noted that the auditors would be sending to all SFWIB members a "Related Party" letter.

The meeting adjourned at 8:40am.

1 Call to Order and Introductions

Mr. Obdulio Piedra, SFWIB Finance Committee Chairperson, called the meeting to order at 8:17 a.m. Introductions of those in attendance were provided. He noted that a quorum was not achieved.

Mr. Piedra asked for an update on the Audit.

Kevin Adderley, Partner, Sharpton, Brunson & Company informed the Committee that they were currently performing field work procedures related to major federal programs, by performing testing to determine whether or not funds are spent according to federal rules and regulations. In addition, they are taking sample of program participants from those federal programs to determine if eligibility is being properly determined in accordance with state and federal rules. Also performing tests of the expenditures from a financial statement reporting perspective to ensure they are being presented in accordance with accepted general accounting principles. Also performing testing on revenue and cash balances receivables due from funded agencies, etc. Thus far, there are no none-compliance issues to be reported. Controls seem to be good and strong and in accordance with procedures. They are ahead of schedule and expect to have a draft by mid-November.

[Mr. Roberto Datorre arrived]

14. Approval of Finance Committee Meeting Minutes of April 2, 2009, April 16, 2009, June 18, 2009, August 4, 2009 and August 20, 2009

Due to lack of a quorum the minutes were not approved.

15. Finance Reports

3A. August 2009 Financial Report

The un-audited financial report for the months ending August 31, 2009 was presented by Mr. Gustavo Alonso, SFWIB Finance Director.

Mr. Alonso began with the accompanying notes to the financial report for the period of July 1, 2009 through August 31, 2009.

He noted that the financial reports captures adjustments made throughout the year to the Board approved budget, and those adjustments may include:

- Funding changes,
- Board-approved contract allocations and de-obligations, and
- Provider-requested transfers from Contract funds to Training and Support Services.

The only adjustments included within this report are transfers requested by Refugee Service Partners into SAMS totaling \$4,194.00.

Explanation of Significant Budget Variances

1. Refugee Services is under anticipated projections, 28% vs. 66% over a three month period. Since this contract does not coincide with SFW fiscal year, we carried forward the remaining contract amounts as of 6/30/09. As of this month, expenditures should be 66% since this contract ends 9/30/09 however the expenditure rate is low. This contract is not a cost reimbursement contract; it is a unit of service contract which means the service providers need to perform different benchmarks to be reimbursed.

The Committee questioned why SFW was only at 28% spent instead of 66%.

Mr. Rick Beasley, Executive Director, responded that the Refugee Program it's a two (2) year contract totaling a credit of \$13 million dollars. The Program year runs from October to September. It is not a cost reimbursement contract; providers have to earn the funds. It works like a line of credit from the State. Mr. Beasley stated that the report comes from a 3 month perspective, if we look at the whole year, the percentage of expenditures would be higher.

Mr. Beasley provided additional information on the Refugee Program.

2. Mr. Alonso reported that Training and Support Services is significantly low. The majority of this variance is due to the OJT enhancement offered to the Refugee Contracts which has been significantly underutilized. Again Service Providers have until 9/30/09 to complete these tasks and issue any vouchers.

Mr. Beasley stated he has been in communication with the State requesting an extension to be able to utilize additional dollars that were provided in the amount of \$2 million dollars, but not enough time to spend it; unfortunately the State was not able to approve the request.

Mr. Beasley informed the Committee that in an effort to pick up enrolments, a Career Expo will be taking place on October 29th 2009. Thus far about 4,000 individuals had registered and about 2, 300 individuals had been found eligible.

- 3. Mr. Alonso reported that other Programs and Contracts are under anticipated projection of 3.21%. This variance is mainly due to programs and contracts that are yet to begin, but as Providers move forward additional expenditures will be reported.
 - Mr. Roberto Datorre requested that a report be prepared for the Committee based on last fiscal year; detailing which programs are under-spent and which are on target so the Committee can have a better understanding of which programs they need to concentrate on.

Ms. Edith Zewadski-Bricker asked what percent of the funds allocated were destined to Monroe County. Mr. Piedra responded that Monroe County is allocated 6.7% across the Board. Mr. Beasley added that according to the Inter-Local Agreement Monroe County has accepted a 6.7% liability. Monroe County does not receive Refugee Program Funds, that is dictated by DCF not SFWIB.

3B. August 2009 ARRA Financial Report

Mr. Alonso noted that SFWIB reports to the State on a monthly basis. The final reports have been reported, but they are not audited reports, and changes would need to be made at that time.

Mr. Alonso stated that the Stimulus funding provided by the State under American Recovery & Reinvestment Act (ARRA) which runs as a Grant Year from April 1st June 30th (about 15 months). The financials for this grant are being tracked separately.

Mr. Alonso summarized the report presented which showed that out of an allocation of \$22 million dollars, SFWIB has spent \$4.1 million. We are suppose to be spent at 33%, but are running a little behind with expenditures. Staff expects the expenditures to pick up as a result of the Career Expo scheduled to take place October 29, 2009.

16. Informational – Cash Reconciliation for the Months of August and September

Mr. Alonso reminded the Committee that based on the Internal Control Procedures recommended by the State, the Finance Committee at its April 2, 2009, meeting requested a monthly cash reconciliation report be provided to the Committee.

Mr. Alonso reviewed the cash reconciliations for the months ending August and September for the Committee.

Mr. Piedra suggested that staff look into a system used by banks called positive pay and try and incorporate the positive aspects of that system to our own procedures.

17. Recommendation as to Approval to Accept and Allocate Reemployment and Eligibility Assessment (REA) Funds

Mr. Beasley described the recommendation that the Finance Committee recommends to the Board the approval to authorize staff to accept and allocate the Reemployment and Eligibility Assessment (REA) funds.

Staff informed the Committee that on August 31, 2009 Workforce Florida Inc. (WFI) awarded SFWIB an additional \$510,720 in Reemployment and Eligibility Assessment (REA) funds for the period July 1, 2009 to March 31, 2010. The REA program assists unemployed workers to find jobs through early intervention and personalized assistance with work search plans and other serviced through the Career Centers.

Mr. Piedra noted that since a quorum had not been achieved, it was the consensus of the Members present to forward the item to the full Board.

18. Recommendation as to Approval to Allocate Welfare Transition Non-Custodial Parent Funds

It was the consensus of the Members present to recommend the approval to allocate Welfare Transition Non-Custodial Parent funds not to exceed \$73,328 and to forward the item to the full Board.

19. Recommendation as to Approval to Allocate TANF Carry-Forward Funds

It was the consensus of the Members present to recommend the approval to authorize staff to allocate TANF Carry-forward funds and to forward the item to the full Board.

Mr. Piedra stated that the issue of not having a quorum needs to be addressed. He will work with the Executive Director to review the By-Laws to see if the size of the Finance Committee can be reduced.

The meeting adjourned at 9:08 am.

22. Finance Reports

3A. October 2009 Financial Report

Mr. Gus Alonso, Assistant Director for Finance presented the un-audited financial report for the period July 1, 2009 through October 31, 2009.

Mr. Alonso noted that the financial reports captures adjustments made throughout the year to the Board approved budget, and those adjustments may include:

- Funding changes,
- Board-approved contract allocations and de-obligations, and
- Provider-requested transfers from contract funds to Training and Support Services.

Under October Adjustments, Mr. Alonso described the following:

Revenue (Funding):

- <u>AWI Pass-Through</u> Reflects an additional \$201,610 in dollars awarded by the State for the FSET program, and \$10,305 for the veteran programs.
- Other Revenue- Decreased by \$55,74 due to lower funding for the Disability Navigator program.

Expenses (Allocations):

- 1. Refugee Program Expenditures: Reflects October to December allocations to service providers totaling \$4,050,385.
- 2. Training and Support Services: Reflects new Refugee allocations for SAMS totaling \$268,654, and WIA Health Care Initiatives allocations totaling \$250,000.
- 3. Other Programs and Contracts: Reflects an increase of \$73,328 in additional funds allocated to Gulf Coast.

Explanation of Significant Budget Variances

- 1. Training and Support Services is under projections, 20% vs. 33%, due mainly to under expenditure of the Refugee OJT enhancement.
- 2. Other programs and contracts are under projections, 5% vs. 33%. This variance is mainly due to programs and contracts that were recently approved and are yet to begin.

3B. October 2009 ARRA Financial Report

Mr. Alonso presented the un-audited ARRA financial report for the period April 1, 2009 through October 31, 2009.

Mr. Alonso stated that the stimulus funding provided by the State under the American Recovery & Reinvestment Act (ARRA) which runs as a grant year from April 1st to June 30th (about 17 months). The financials for this grant are being tracked separately.

Mr. Alonso summarized the report presented which showed that out of an allocation of \$22 million dollars, SFWIB has spent \$4.9 million. We are supposed to be spent at 46%, but are running a little behind with expenditures. Staff expects the expenditures to pick up in the next couple of months with much higher expenditures to be reported on the December reports.

Mr. Bernardo Adrover asked what can be done to bring the expenditures up.

Mr. Alonso responded that the focus had been the summer program in order to get funding out on the street to stimulate the economy. The funding to the adult programs was allocated about 2 months ago.

Mr. Piedra asked if the committee will receive an update on the Expo, since he thought as funding for training is allocated, the numbers will improve. Mr. Alonso responded that the Expo took place in October, and those numbers will be reported in the December report.

23. Informational – Cash Reconciliation for the Months of October and November

Mr. Alonso reminded the committee that based on the internal control procedures recommended by the State, the Finance Committee at its April 2, 2009, meeting requested that a monthly cash reconciliation report be provided to the Committee.

Mr. Alonso reviewed the cash reconciliations for the months ending October and November 2009 for the committee.

5. Recommendation to Accept and Allocate Grant Funds for Workforce Innovative New Generation Solutions (WINGS)

Mr. Alonso described the recommendation to accept and allocate grant funds for Workforce Innovative New Generation Solutions (WINGS) in the amount of \$64,506 received in State-Level WIA Funds with the same amount to be matched by SFWIB WIA funds. The grant funds will be applied to implement SFWIB's Virtual Entrepreneurship Incubation Network (VEIN), a program addressing the business incubation/entrepreneurship focus area of the grant solicitation.

VEIN will provide entrepreneurial training and virtual mentoring to 100 adult and dislocated Region 23 workers. SFWIB will function as the VEIN program administrator while Florida International University (FIU) will function as the training provider offering courses to program participants.

Ms. Edith Zewadski-Bricker asked if a Monroe County resident wanted to travel to Miami to take one of these offered courses/workshops, would travel to and from be covered under any allocation. Mr. Rick Beasley, Executive Director, responded that Monroe County does not have an entrepreneurship program in place, only a small business development piece. Ms. Zewadski-Bricker asked what about for any other training program that provides a certificate. Mr. Beasley responded that if the training falls under one of the programs offered by Youth Co-Op, Inc. who is the provider that serves the Florida Keys, there were some costs covered under supportive services.

Mr. Piedra noted that since a quorum had not been achieved, it was the consensus of the Members present to forward the item to the full Board.

Mr. Adderly addressed the committee and reported that the draft audit report has been submitted to SFWIB staff for review. The audit is expected to be "unqualified", which meant that it would contain no issues of non-compliance. They were ahead of schedule on completion, and as such, it was anticipated that the final audit would be distributed in time for the February 2010 meeting.

SFWIB Finance Committee Minutes December 17, 2009 Page 4

Mr. Piedra stated that the lack of a quorum must be addressed. He and the Executive Director would review the By-Laws to determine whether the number of members could be reduced.

BACKGROUND

On June 18, 2009, the South Florida Workforce Investment Board (SFWIB) approved the 09/10 budget for Region 23 (Miami-Dade and Monroe Counties). The SFWIB approved the TANF Program budget of \$20,491,213 with a projected carry forward balance of \$1,343,595.

A part of the approved budget included funding a Re-entry Program for ex-offenders. The program is an initiative of the Honorable Mayor Carlos Alvarez. The approved allocation sum is \$1,000,000. The allocation consists of \$750,000 program cost and \$250,000 in training cost. Nearly 60 percent of the funding allocation is from the TANF program.

A financial review indicates \$595,403 in un-obligated TANF Program funds. In consultation and approval from Mayor Alvarez's Office, funds are being released to assist in the shortage of TANF funding for transportation and support services.

In the best interest of the SFWIB, the TANF Program funds are being allocated to provide low-income customers with employment and training services. The total TANF Program funds being allocated is \$595,403.

The Table below details the Adult allocation.
