### Job Description and Duties:

T.J. Maxx sales associates, commonly called merchandise associates, work on store sales floors performing various merchandising functions and providing quality customer service. Essential job duties include greeting patrons, stocking items on racks and shelves, ringing up customer purchases at cashier stations, and helping shoppers locate merchandise. Workers also clean the store and oversee fitting rooms where applicable. T.J. Maxx sales associate positions typically carry no formal requirements for employment consideration, though hiring managers sometimes prefer applicants with previous retail experience. Prospective employees need to meet the **minimum hiring age of 16**, with the ability to work flexible hours, including nights and weekends. Strong verbal communication skills, energetic personalities, and professional appearances also help in obtaining sales associate jobs.
