1. Call to Order and Introductions

Mr. Andy Perez, Committee Chairperson greeted all those present at 8:20am, began with introductions and noted that a quorum has been achieved.

2. Approval of EDIS Committee Meeting Minutes for December 16, 2011 and February 24, 2011

Mr. Philipp Ludwig moved the approval of EDIS Committee Meeting Minutes for December 16, 2011 and February 24, 2011. It was seconded by Ms. Monica Russo; **Minutes Passed**

All in favor with no opposition

Mr. Perez requested an update from Cheri Kavehersi, SFWIB Business Services Manager on the recent Business Round Table event. She informed the Committee that the event was postponed to April 15, 2011 at 7:30am. The next Round Table is scheduled for April 28, 2011 at the Merlin Matthews Community Center, located at 5200 NW 22nd Avenue at 11:00am.

3. Information – Training Vendors’ PY 2010 – 2011 Performance Update

Mr. Perez presented the item and stated as approved at the last Board Meeting commenced on December 16, 2010, Training Vendors are required to meet two of the three performance measures (70% completion, 70% placement and 70% training-related placement) during Program Year (PY) 2010-2011 and programs neither meeting nor exceeding a minimum of two of the three measures will be removed from the SFWIB approved ITA offerings list. Phillip Edwards, SFWIB Policy Coordinator added that letters were mailed to all approved Training Vendors providing them with a status update.

Mr. Roth inquired about the program year and final measures. Mr. Edwards responded that the program year ends June 30th and the vendors will be given a grace period after the end of the program to improve performance.

Mr. Perez referenced the Individual Training Account (ITA) policy where it mentions the 180 days per placement for students that graduate on the last day of the program year.

3. Recommendation as to Approval of Region 23 2011-2012 Preliminary TOL Training Vendors’ Request for Additions

Mr. Perez presented the item and asked Mr. Beasley to further discuss.

Mr. Perez questioned the amount of declining occupations. Mr. Beasley explained that the State office looks into their data base and evaluates the number of openings. They also have access to other resources that provide current updates on declining occupations.

Dr. Jennings inquired about the Diagnostic Medical Sonographer occupation as it showed that it was on the list to be removed, but still appeared on the preliminary list. Staff responded that they will contact the state.

Ms. Monica Russo moved the approval of Region 23 2011-2012 Preliminary TOL Training Vendors’ Request for Additions. It was seconded by Mr. Philipp Ludwig; **Motion Passed**

All in favor with no opposition

5. Recommendation as to Approval of New Programs for an Existing Training Vendor

Mr. Perez read the item and stated New Horizons, Inc. has requested to add a Microsoft Certified IT Professional Server Administrator (MCITP) Green IT Preparatory program and a Microsoft Certified Technology Specialist Windows Server 2008 (MCTS) Green IT Preparatory program to its list as they’ve been approved by the State of Florida and Commission for Independent Education (CIE) and South Florida Workforce staff. He also noted that green IT will be their primary focus.

Mr. Ludwig inquired about the meaning of ‘Green IT’. Mr. Perez provided a brief example and introduced representatives from New Horizons, Inc to define it.

Mr. Philipp Ludwig moved the approval of New Programs for an Existing Training Vendor. It was seconded by Ms. Holly Wiedman; **Motion Passed**

All in favor with no opposition

Mr. Perez asked if there were any questions or concerns then adjourned the meeting at 9:20am.

Consumer Report Card Update

Information Item

BACKGROUND

The SFWIB ITA Policy requires the monitoring of the performance of SFWIB approved Training Vendors. The SFWIB staff developed and implemented the Consumer Report Card. The SFW Consumer Report Card is an on-line report and was developed to update ITA performance on a daily basis. The goal of the tool is to function as an “ITA Consumer Report Card,” enabling the consumer (participant), as well as, the Career Advisor to check on the success of individual programs and to evaluate the economic benefit per placement by program.

The attached Consumer Report Card table (dated June 16, 2011) indicates that the South Florida economy increased by \$16,016,832. For every dollar spent on training, SFWIB obtained a return of 2.74. Nearly 88 percent of the WIA participants completed class room training. Of those completing training, 56 percent have obtained employment with an average wage of \$14.74. Seventy-six percent of the participants were placed in an occupation they trained for. The net economic benefit per placement is \$22,464.

Employ Florida Healthcare Initiative Update

Information Item

BACKGROUND

Workforce Florida, Inc. invited Regions 20-23 to submit proposals requesting state-level Workforce Investment Act (WIA) and/or American Recovery and Reinvestment Act funds for the Employ Florida Healthcare Workforce Initiative. On July 20, 2009, SFWIB submitted a Healthcare Initiative proposal for Region 23, requesting \$500,000 (split between WIA and ARRA funds).

On August 4, 2009, the Agency for Workforce Innovation (AWI) released a Notification of Fund Availability (NFA) to the SFWIB, awarding it \$500,000 for the Employ Florida Healthcare Initiative, and on August 20, 2009, the SFWIB approved acceptance of the funds. The \$500,000 in new funding is comprised of two awards:

- ARRA WIA EF Healthcare Initiative \$250,000
- EF Healthcare Initiative \$250,000
- Total \$500,000

The attached chart provides a summary of the approved projects funded through the Employ Florida Healthcare Workforce Initiative thus far (from 2009-2011). On June 30, 2011, the Healthcare Initiative funds expire.

Employed Worker Training (EWT) Update

Information Item

BACKGROUND

In January 2007, SFWIB launched its Employed Worker Training (EWT) program. The initiative offers training services to Region 23 businesses desiring to upgrade the skills of their existing workforce to improve occupational skills attainment, productivity and retention. Under EWT, qualifying businesses may recoup up to 50 percent of their total training costs for workers who successfully complete training.

At its June 17, 2010 meeting, the SFWIB approved the Program Year (PY) 2010-11 budget, allocating \$500,000.00 for the EWT initiative. During that PY, SFWIB's EWT program engaged three regional businesses and trained 68 employees at an average wage of \$34.10 per hour. The average cost per trainee was \$872.06.

The attached chart provides a summary of the approved EWT initiatives funded from the SFWIB EWT pool for PY 2010-11. On June 30, 2011, the PY 2010-11 EWT funds expire.

One Community One Goal Project Update

Information Item

BACKGROUND

At its December 16, 2010 meeting, the SFWIB approved awarding the Beacon Council Economic Development Foundation, Inc. (Foundation) \$50,000 to assist in funding the One Community One Goal Project. The project has a threefold focus:

- Diversify Miami-Dade County economy by expanding growth in at least two existing industries and two new industries;
- Gain consensus from public sector, private sector and education to prioritize and redirect and increase resources towards growth of top 4-5 industry clusters; and
- Implement new Targeted Industry marketing plan with short term and long term goals and objectives.

On May 13, 2011, the Foundation's Board decided not to proceed with executing a Foundation-SFWIB contract accepting the award. The decision was a result of the project's requirement of collecting and generating communitywide, confidential business and resident input via surveys, meetings and interviews that could be restricted by the public funds stipulations in the Public Records Article.

SFWIB Occupational Supply/Demand Matrix Update

Information Item

BACKGROUND

At its February 18, 2010 meeting, the SFWIB approved an Occupational Supply/Demand Policy. The intent of the Policy is to ensure that workforce dollars are not expended on training programs in occupations having a surplus of workers in the marketplace. Under the policy, Individual Training Account (ITA) vouchers are issued based on occupational demand, thereby improving post program completion job-placement numbers.

As set forth in the policy, each occupation on the Region’s Targeted Occupations List (TOL) is analyzed to determine if the occupation has a surplus of workers by reviewing the following criteria:

- Regional Median Short-Term Supply/Demand Rate;
- Regional Median Long-Term Supply/Demand Rate; and,
- Annual Growth Percentage Rate.

Based upon that analysis, any occupation failing to meet all three criteria is placed in a training moratorium for one year. ITA vouchers will not be issued for training programs linked to those occupational titles. Occupations failing to meet two of the three criteria are placed on a watch list for six months.

In June 2011, SFWIB staff updated the Supply/Demand Policy matrix to reflect current data. Under the updated matrix, 20 occupational titles are subject to the one-year Moratorium and 51 occupations are subject to the six-month watch list. Moreover, based on the matrix, 88 occupational titles are classified as low growth/high wage, 38 as low growth/low wage, 124 as high growth/high wage and 42 as high growth/low wage.

Note that the Supply/Demand Policy exempts occupational titles linked to SFWIB Targeted Industries – Aviation, Healthcare Services, Life Sciences/Bio-Tech, Green Jobs, Information Technology and Waste Water Management.

Approval of a SFWIB-UM-MDC Life Sciences Park Program

RECOMMENDATION

SFWIB staff recommends to the EDIS Committee to recommend to the Board the approval to allocate up to 400,000.00 WIA training dollars to support the SFWIB-UM-MDC Life Sciences Park Program.

BACKGROUND

The Life Sciences Park Program is a partnership between SFWIB, Miami Dade College (MDC), and the University of Miami (UM). The park is located in Miami's Health District, adjacent to UM's Leonard Miller School of Medicine. The goal of the program is to foster technical careers in the life sciences amongst residents of economically distressed neighborhoods. The program aims to accomplish that goal through the following plan of action:

- Increasing MDC program capacities by providing scholarships for students, funding faculty positions, and providing classroom space and administrative support;
- Decreasing new employee job orientation time by creating programs that provide clinical experiences that more closely resemble actual practice conditions, thereby easing the transition from student to competent technical staff;
- Recruiting additional new graduates by providing exceptional clinical rotation experiences and job placement;
- Creating new job placements for Miami-Dade County.

SFWIB's commitment to the program is to provide funds for instructional costs; UM's commitment is to provide classrooms, adjunct faculty and clinical rotation sites, and MDC will administer the program's training and employment components.

Approval of New Programs for an Existing Training Vendor

RECOMMENDATION

SFWIB staff recommends to the EDIS Committee to recommend to the Board the approval of new training programs for existing Training Vendors – Spanish American Basic Education & Rehabilitation, Inc. (SABER) and the CDL School, Inc. (CDL).

BACKGROUND

Federal and state law permit regional workforce boards to independently develop criteria for the selection of Training Vendors and programs. In Region 23, the current process to become an approved Training Vendor involves staff evaluation of an applicant’s programmatic and fiscal capabilities. For an existing Training Vendor who requests the addition of a new program, staff reviews only programmatic capabilities. Vendors and programs passing staff review are presented to the EDIS Committee for recommendation to the Board.

SABER has requested to add a Nursing AS program to its list of approved offerings, and the CDL has requested to add the Class B Intermediate Program and the Intermediate Program. Both SABER and CDL’s requested program additions passed staff’s review. Additionally, the requested additions are approved by the Florida Department of Education Commission for Independent Education (CIE). Attached the Committee members will find copies of CIE licenses, CIE Programs Offered Forms and SFWIB program cost matrixes applicable to both Vendors.

Accreditation

Accredited By	Level of Accreditation

Note: Accreditation generally means that a college or school has been evaluated by a group of educators, and meets the accrediting agency's standards. This process is VOLUNTARY for the college; it is not "required". However, accreditation is required for financial aid eligibility, recognition of degrees or credits by employers or other colleges, universities, or schools, easy transfer of credits, acceptance into another school, and other education-related opportunities.

Be aware that some so-called "accrediting agencies" may not be recognized by the U.S. Department of Education, or may even be bogus! A current listing of recognized "accrediting agencies" may be found on the [U.S. Department of Education's web site](#). Check with this office before you send money to any college, even if it claims to be accredited.
