AGENDA ITEM NUMBER: 3

DATE: FEBRUARY 22, 2013

AGENDA ITEM SUBJECT: Consumer Report Card Update

AGENDA ITEMS TYPE: Information

RECOMMENDATION: N/A

STRATEGIC GOAL: Effective Demand Driven Management Control Tools

STRATEGIC PROJECT: Raise the Bar One-Stop Performance and Consistency

BACKGROUND:

The SFWIB ITA Policy requires the monitoring of the performance of SFWIB approved Training Vendors. Accordingly, staff developed and implemented the Consumer Report Card Tool. The tool is an online report that updates ITA performance on a daily basis. The goal of the tool is to function as an "ITA Consumer Report Card," enabling the consumer (participant) as well as the Career Advisor the ability to check on the success of individual programs and to evaluate the economic benefit per placement by program.

FUNDING:

N/A

PERFORMANCE:

The attached Consumer Report Card table, dated February 13, 2013, indicates that the South Florida economy increased by \$4,060,918. For every dollar spent on training, SFWIB obtained a return of \$4.42. Eighty-eight percent of training services participants completed classroom training. Of those completing training, 83.98 percent have obtained employment with an average wage of \$15.75. Ninety-three percent of the participants were placed in a training-related occupation. The net economic benefit per placement is \$26,716.57.

The economy increase by \$4,060,918 was calculated by multiplying the Net Economic Benefit per Placement (\$26,716.57) and the number of placements (152).

DATE: FEBRUARY 22, 2013

AGENDA ITEM SUBJECT: BRICKELL CITYCENTRE UPDATE

AGENDA ITEMS TYPE: INFORMATION

RECOMMENDATION: N/A

STRATEGIC GOAL: Improved Digital Literacy; Premier National Provider of Employment and Career Training

STRATEGIC PROJECT: SFWIB Staff Communicates/Collaborates with Key Trade Groups and Associations on Critical Talent Needs and Trends

BACKGROUND:

On Tuesday, February 12, 2013, in partnership with Swire Properties, Inc. the South Florida Workforce Investment Board (SFWIB) announced the creation of a virtual job fair for Brickell CityCentre, a \$1.5 billion mixed-use development being built downtown in the heart of Miami's financial district. The online recruitment web portal was launched at a breakfast hosted by The Beacon Council.

The Brickell CityCentre web portal, accessible through SFWIB's website homepage, was launched in an effort to accomplish the online recruitment goals set for businesses awarded contracts on the project and to promote community-based hiring. This is a "green" initiative as the process is entirely electronic (web portal). The website was built specifically for this project and has been tested by businesses within the area to ensure its efficacy.

The web portal allows business/contractors to post job openings and receive job applications related to Brickell CityCentre. In addition to matching applicants and openings, SFWIB will assist in publicizing and promoting the website with community groups throughout greater Miami in order to reach the broadest possible range of job seekers.

AGENDA ITEM NUMBER: 5

DATE: FEBRUARY 22, 2013

AGENDA ITEM SUBJECT: APPROVAL OF A NEW TRAINING VENDOR AND PROGRAMS FOR THE NEW VENDOR

AGENDA ITEM TYPE: APPROVAL

RECOMMENDATION:

Advance Science Institute, Inc. (ASI) is requesting that the EDIS Committee recommend to the Board approving it as a training services provider and including its programs on the approved programs list.

STRATEGIC GOAL:

Premier National Provider of Employment and Career Training

STRATEGIC PROJECT:

N/A

BACKGROUND

Federal and state law permit regional workforce boards to independently develop criteria for the selection and maintenance of Training Vendors and programs. In Region 23, the current process to become an approved Training Vendor involves staff evaluation of an applicant's programmatic and fiscal capabilities. For an existing Training Vendor who requests the addition of a new program or campus, staff reviews only programmatic capabilities. Vendor requests passing staff's review are presented to the EDIS Committee for a recommendation for Board approval. Below are the requests for the Committee to consider.

Request to be a Training Vendor:

Advance Science Institute

Request to Add Programs:

Advance Science Institute – Medical Assistant, Diploma

Advance Science Institute – X-Ray Machine Operator, Diploma

Note that ASI was formerly a participating training services provider until it elected to not renew its Training Vendor Agreement; notice of the refusal to renew was sent via email by ASI's president on November 4, 2010. As a former participating provider, SFWIB has performance information on file for the requested program additions. As seen in the attached Consumer Report Card, both programs fall far below the required 70 percent training-related placement rate – (Medical Assistant, 50 percent and X-Ray Machine Operator, 33 percent). The data on the report card contrasts with the attached performance information for the programs submitted by ASI.

Note: Accreditation generally means that a college or school has been evaluated by a group of educators, and meets the accrediting agency's standards. This process is VOLUNTARY for the college; it is not "required". However, accreditation is required for financial aid eligibility, recognition of degrees or credits by employers or other colleges, universities, or schools, easy transfer of credits, acceptance into another school, and other education-related opportunities.

Be aware that some so-called "accrediting agencies" may not be recognized by the U.S. Department of Education, or may even be bogus! A current listing of recognized "accrediting agencies" may be found on the [U.S. Department of Education's web site](#).
