BACKGROUND:

On October 16, 2020, the Florida Department of Economic Opportunity received a letter confirming arrangements between the U.S. Department of Labor (USDOL), Employment and Training Administration (ETA) Region 3 Office, to conduct an Enhanced Desk Monitoring Review (EDMR) of your Workforce Innovation and Opportunity Act Formula (AA-32210-18-55-A-12, AA-33223-19-55-A-12) and Wagner-Peyser (ES-31841-18-55-A-12, ES-33387-19-55-A-12) Grants. The Federal Project Officer (FPO) will send a separate request for the documents that are needed to conduct the review. The review will begin with a conference call on Monday, November 16, 2020, at 9:00 am EST. Julian Hardy, the FPO assigned to the grant, will conduct the review. The exit conference will be conducted by telephone with the date and time to be determined.

AGENDA ITEM TYPE: **INFORMATIONAL**

RECOMMENDATION: N/A

STRATEGIC GOAL: **BUILD DEMAND-DRIVEN SYSTEM W/ EMPLOYER ENGAGEMENT**

STRATEGIC PROJECT: **Develop integrated Business Service teams**

BACKGROUND:

On June 18, 2020, the South Florida Workforce Investment Board (SFWIB) approved the implementation of the COVID-19 Layoff Aversion Fund initiative. The program was launched in an effort to support small businesses and/or community based organizations (CBOs) facing financial impacts and potential layoffs from Coronavirus Disease 2019 (COVID-19). The fund provides grants to small businesses and/or CBOs experiencing economic distress. The goal of the fund is to prevent potential layoffs or minimize the duration of pandemic-related unemployment.

As of October 26, 2020, the fund has received 1,077 applications requesting nearly \$6 million dollars in assistance. A total of 12,525 employees have been affected within the 1,074 businesses. The estimated number of jobs saved is 9,865, which equates to a \$369,345,600 impact on the community. That would give the overall program a \$61.07 return on investment.

The current number of applications being reviewed for approval is 283 effecting 3,579 employees and potentially saving 2,964 jobs. If all applications undergoing the second reviewed are approved, it will result in a \$116,520,768 economic impact to the community, giving the program a \$112.87 return on investment. The applications must be reviewed to ensure approved expenses are allowable.

In Miami-Dade County, a total of 1,039 businesses have submitted applications. A total of 12,060 employees have been affected. The average hourly wage of the impacted worker is \$18.06. The estimated number of jobs saved in Miami-Dade County is 9,467, which equates to a \$349,592,973 impact on the community.

In Monroe County, a total of 38 businesses have submitted applications. A total of 529 employees have been affected. The average hourly wage of the impacted worker is \$19.09. The estimated number of jobs saved in Monroe County is 445, which equates to a \$17,438,416 impact on the community.

(UNAUDITED)

Accompanying Notes to the Financial Report (unaudited)
For the Period of July 1, 2020 through October 31, 2020

Budget Variance Explanations

- Training and Support Services expenditures were \$1,476,588 or 9.8% of budgeted costs. Typically these expenditures are under budget during the course of the year. Some of the contributing factors include: a) the time lag between the time training vouchers are issued and the time the training vendors are paid and b) delays in launching training programs for specific projects recently approved by the Board. This category is closely monitored and contractually there are spending requirements that are generally met by year end.
- Other Programs & Projects are 51.7% versus the standard rate of 34%. This is due to program (specifically Summer Youth Employment) expenses which are due in full at the beginning of the fiscal year.

SOUTH FLORIDA WORKFORCE INVESTMENT BOARD
dba/ CareerSource South Florida

TITLE: **BOARD MEMBERSHIP PROCESS**

DATE: **January 3, 2013**

PURPOSE: To provide a coherent, formal process for the recruitment of Board Members

BACKGROUND:

The Workforce Investment Act of 1998 requires each local area of the State to establish a regional workforce investment board to set policy for the local workforce investment system within the local area.

The South Florida Workforce Investment Board (SFWIB) of Region 23 (Miami-Dade and Monroe Counties) is one of 24 regional workforce boards in the State of Florida. Through its Career Centers located across the region, SFWIB serves businesses, job seekers, adults, youth, dislocated workers, refugees and individuals transitioning from welfare to work.

The SFWIB is a governmental agency and instrumentality of both Miami-Dade and Monroe Counties. The Board is composed of volunteers who represent local private sector businesses, educational institutions, economic development agencies, labor organizations, veterans interests, community-based organizations, state and local government agencies. The Board conducts its business in accord with federal and state laws, regulations, the Interlocal Agreement Creating the SFWIB for Region 23 of the State of Florida, the By-Laws of the SFWIB and SFWIB approved policies and procedures.

Where there is a vacancy on the SFWIB, Board members will identify the appropriate individual to fill the vacancy. The target individual shall fall within a required membership category (i.e., business, education, labor, CBO, economic development, military installations and One-stop partner). Following identification of the potential member, staff will distribute "New Member Recruitment" materials to the potential member if he/she expresses interest in participating in the recruitment process.

Outlined below is the procedure for soliciting Board nominations and selecting Board members. The importance of minority and gender representation shall be considered when making appointments to the Board.

RECRUITMENT:

I. Board Vacancies

When a SFWIB vacancy exists, the Executive Director will notify the Board, as well as, Committees of the Board of the vacancy. The Board Chair will establish, subject to Board approval, a Task Force to solicit potential members to fill the vacancy. Members of the Task Force will be appointed by the Chair subject to Board approval.

The Task Force will refer all candidates to fill the vacancy to the Executive Director. Once the Executive Director has determined that the Task Force's nomination is consistent with the membership requirements of federal and state laws, as well as, local board requirements, the nominee will be referred to the Agenda Clerk. The Agenda Clerk will provide the nominee a Membership Nomination and Reappointment Form and Recruitment Brochure (i.e., Become a Leader for the South Florida Workforce Investment Board).

If the Task Force is filling a vacancy from the business, education, labor or economic development Board membership categories, the following process shall be followed:

- a. Business – local business members must be nominated by business organizations and or business trade associations and then submitted to the Task Force for review.
- b. Education – members must be nominated by local educational agencies, institutions or organizations representing such local educational entities and then submitted to the Task Force for review.
- c. Labor – the Task Force will solicit nominations for labor representatives from local labor federations.
- d. Economic Development – the Task Force shall solicit nominations from both public and private local economic development agencies.

II. Appointment Process Instructions:

Once the Task Force refers a potential Board member to the Executive Director and that member satisfies legal, regulatory and local requirements, the following activities commence:

1. Nominated individual completes a Membership Nomination and Reappointment Form, including a career biography/resume.
2. Nominee submits the Membership Nomination and Reappointment Form and career biography/resume to the SFWIB Executive Director.
3. The Executive Director forwards submitted documents to Agenda Clerk.
4. For private sector nominees, the Agenda Clerk will verify the nominee's status in the business community (i.e., whether the nominee is in good standing with a Chamber of Commerce and/or economic development organizations).
5. The Agenda Clerk will scan and file the submitted documents. The original hard copy is placed in folder labeled Pending Nomination.
 - a. The Agenda Clerk will e-mail scanned documents to the Executive Director for the director to submit to the Executive Committee. The Executive Committee will review and consider the nominee. If the nominee is not approved, the Agenda Clerk prepares a notification letter to the nominee for the Executive Director's signature
 - b. Where the Executive Committee approves the nomination, the nomination is included on the SFWIB Agenda for the Board to consider. If not approved, the Agenda Clerk prepares a notification letter to the nominee for the Executive Director's signature.
 - c. Where the SFWIB approves the nominee, the Agenda Clerk prepares a memo to the Miami-Dade County Mayor or Monroe County Mayor recommending the review and approval for board appointment. The Membership Nomination and Reappointment Form, including the career biography/resume is included with the memo.

6. If the mayor appoints the Board's approved nominee, the following activities commence:
 - a. The new Board member is registered for new member online training.
 - b. The new member receives a congratulatory email from the Executive Director, instructions for online training, and a Board Member Orientation conducted by the Executive Director.
 - c. Agenda Clerk completes bottom portion of Membership Nomination and Reappointment Form, indicating date of mayoral appointment/reappointment, adds the member to the Board Member Directory and Board Member Distribution List, and ensures that the new member's name is included in appropriate section of the website.
 - d. Once the new member receives a committee assignment, the Agenda Clerk will add the member to the appropriate committee distribution list.

III. Reappointments

After serving two years, a member must be reappointed in order to remain on the Board. The same process used for appointment is followed (see Section II).

IV. Resignations

When a board member resigns, the SFWIB Executive Director takes the following measures:

1. Remove board member's information from the Board Membership Directory, distribution list and website.
2. File resignation letter

V. Related Reports

At the beginning of the third quarter of the Program Year (January), the SFWIB Agenda Clerk will provide the SFWIB Executive Director with the following reports:

1. An Attendance Report which indicates Board members' compliance as per Bylaws "*if member misses one-half of the regularly scheduled Board or Board Committee/Council meetings in a twelve (12) month period*". SFWIB Executive Director will contact Board member (phone or letter) to inquire about attendance and, if needed, a recommendation letter to the Chief Elected Official who appointed the member for automatic removal.
2. A Board Member Analysis showing the Board's compliance regarding membership representation in the different areas, i.e. industry, geographical area, sex, race, etc.
3. A list of Board members whose term expires at the end of the Program Year.

AGENDA ITEM NUMBER: 7B

AGENDA ITEM SUBJECT: EMPLOYED WORKER TRAINING (EWT) APPLICATION FOR MONROE COUNTY SHERIFF'S OFFICE

AGENDA ITEM TYPE: **APPROVAL**

RECOMMENDATION: The Global Talent and Competitiveness Council recommends to the Board the approval of an Employed Worker Training grant for the Monroe County Sheriff's Department in an amount not to exceed \$26,641.17 in Workforce Innovation and Opportunity Act Adult funds, as set forth below.

STRATEGIC GOAL: **IMPROVE SERVICES FOR INDIVIDUALS W/ BARRIERS**

STRATEGIC PROJECT: **Emphasize work-based learning and training**

BACKGROUND:

The Monroe County Sheriff's Office (MCSO) is an agency, responsible for providing law enforcement and correctional facilities from Key Largo to Key West. The Monroe County Sheriff's Office has a deep water recovery dive team, SWAT team, Bomb Squad and a Crisis Intervention team; and is also responsible for staffing and maintaining the county's only fleet of air ambulances.

The MCSO is facing a severe staffing shortage due to the high cost of housing. The lack of affordable housing has resulted in failed attempts to recruit certified deputies from other areas of the state. As such, the MCSO is refocusing its recruitment strategy on offering training assistance to qualified local residents; and in doing so MCSO is creating a law enforcement career pathway in Monroe County that will help appeal to local residents.

The College of the Florida Keys will deliver training to nine of the 510 MCSO employees. The training will focus on the following:

- Criminal Justice Standards and Training Commission. Trainees will be taught intro to corrections, officer safety intake and release, supervising a correctional facility, and supervising special populations.

The table below sets forth the cost of the project.

Program Year	Projected Amount	Number of Employees to be trained	Cost per Trainee
2020-2021	\$26,641.17	9	\$2,960.13

Trainees successfully completing the basic training program will be eligible to take the State Officer Certification Exam (S.O.C.E.). The training is projected to be completed by March 13, 2021.

In following the procurement process of Miami-Dade County, Administrative Order No. 3-38, it is recommended that the SFWIB waive the competitive procurement as it is recommended by the Executive Director that this is in the best interest of the SFWIB. A two-thirds (2/3) vote of quorum present is required to waive the competitive procurement process and award the Monroe County Sheriff's Office an allocation not to exceed \$26,641.17 in Workforce Innovation and Opportunity Act (WIOA) Adult funds for Employed Worker Training.

SOUTH FLORIDA WORKFORCE INVESTMENT BOARD

DATE: 12/17/2020

AGENDA ITEM NUMBER: 7E

AGENDA ITEM SUBJECT: OCCUPATIONAL SUPPLY/DEMAND POLICY

AGENDA ITEM TYPE: **APPROVAL**

RECOMMENDATION: The Global Talent and Competitiveness Council recommends to the Board the approval of revisions to the Occupational Training Supply/Demand Policy, as set forth below.

STRATEGIC GOAL: **STRENGTHEN THE ONE-STOP DELIVERY SYSTEM**

STRATEGIC PROJECT: **Use LMI data for policy development**

BACKGROUND:

At the February 18, 2010 meeting, the South Florida Workforce Investment Board (SFWIB) approved an Occupational Supply/Demand Policy. The purpose of the Supply/Demand Policy is to limit the number of training programs in occupations with a surplus of workers in the marketplace. Although an occupation may appear on the Workforce Development Area (WDA) 23 Targeted Occupations List (TOL), an oversupply of individuals with qualifications may exceed the actual number of jobs available for an occupation. As a result, a participant who completes an occupational training may not readily find employment in the career for which they were trained.

Accordingly, Individual Training Account (ITA) vouchers must be issued based on occupational demand, thereby improving the completion rate and placement after training performance measures. The policy further stipulates, each occupation on the WDA 23 (TOL) must be analyzed, at a minimum, annually to determine the short- and long-term supply/demand rate, annual growth and whether the occupations have a surplus of workers.

The criteria utilized for the analysis is:

- Regional Median Short-Term Supply/Demand Rate
- Regional Median Long-Term Supply/Demand Rate
- Annual Growth Percentage Change Rate

Based on the outcome of the analysis, staff is prompted to take the following actions:

- Occupations that fail to meet all three criteria are placed in a training moratorium for one year. An ITA voucher will not be issued for new participants to enroll in training programs linked to failing

occupational titles. However, participants that were enrolled in a training program for the occupation prior to the moratorium will continue to have their training honored.

- Occupations that fail to meet two of the three criteria are placed on a watch list for six months. The status of the occupation is reviewed at the appointed time to determine if further action is required.

Occupational titles linked to SFWIB Targeted Industries – Aviation; Creative Design; Hospitality & Tourism; Information Technology; International Banking & Finance; Life Sciences & Health Care; and Trade & Logistics are exempt from the aforementioned Supply/Demand Policy criteria.

SFWIB staff recommends to the Global Talent and Competitiveness Council the following main Occupational Supply and Demand Policy revisions:

1. Added statutory authority references for Workforce Innovation and Opportunity Act (WIOA) of 2014, Florida Statutes, CareerSource Florida Administrative Policy 82, and CareerSource Florida Strategic Policy.
2. Definitions – added this section which includes, Classification of Instructional Program (CIP), Individual Training Account (ITA), Labor Market Information (LMI), National Center for Education Statistics, Occupation Training Area, Occupational Information Network (O*NET), and Standard Occupational Classification (SOC) Code.
3. Occupational Supply Demand Analysis – updated state agency names, updated the seven targeted industries and made general edits.
4. Targeted Occupations List – updated the name of the region and made general edits.
5. Exceptions – added this section for uniformity across all SFWIB policies.

POLICY TRANSMITTAL

SUBJECT:	SFWIB OCCUPATIONAL SUPPLY AND DEMAND POLICY	Policy/Guidance No.: 2 PY2020-21
APPLIES TO:	Workforce Development Area (WDA) 23 Career Center contractors, Training Vendors and WDA 23 jobseekers	Effective Date:
		Expiration Date:
REFERENCES:	<ul style="list-style-type: none"> • Workforce Innovation and Opportunity Act (WIOA) of 2014, Public Law 113-128 Sections 3(23)(B) and 134(c)(3)(G)(iii) • Florida Statutes, 1003.492 (2)(b); and Section 445.004(6) • CareerSource Florida Administrative Policy 82, Local Targeted Occupations List Requirements • CareerSource Florida Strategic Policy, 2013.11.01.A.1, Local Area Targeted Occupations List Process Policy 	

I. OF INTEREST TO

The Occupational Supply and Demand Policy is of interest to members of the South Florida Workforce Investment Board (SFWIB), Region 23 Career Center contractors, training vendors, Region 23 jobseekers, and SFWIB staff.

II. SUBJECT

Occupational supply and demand for approved training occupations.

III. PURPOSE

The purpose of the Occupational Supply and Demand Policy is to provide all SFWIB stakeholders with guidance regarding the identification of training occupations that, due to the current state of the job market, do not lead to job placement.

IV. BACKGROUND

~~Currently, o~~Occupational skills training may be provided in any occupation that appears on the ~~Region-WDA 23's~~ Targeted Occupations List (TOL), including occupations ~~having at that may have a~~ low job demand. The SFWIB expends the majority of its training funds through use of Individual Training Accounts (ITA)s, which are used to cover the cost of training ~~in~~ programs linked to occupations on ~~Region-WDA 23's~~ TOL.

Empirical data shows that although an occupation appears on the TOL, the supply of individuals with qualifications may exceed the actual job availability for the occupation.

Accordingly, it is often the case that program participants complete occupational training and do not readily find employment.

V. DEFINITIONS

1. Classification of Instructional Program (CIP) – designed by the U.S. Department of Education's National Center for Education Statistics (NCES), the 10-digit CIP code provides a taxonomic scheme that supports the accurate tracking and reporting of fields of study and program completion activity. It is a classification instrument used to group academic disciplines at institutions of higher education in the United States and Canada (National Center for Education Statistics (NCES)).
2. SOUTH FLORIDA WORKFORCE INVESTMENT BOARD

DATE: 12/17/2020

AGENDA ITEM NUMBER: 7F

AGENDA ITEM SUBJECT: TARGETED OCCUPATIONS LIST POLICY

AGENDA ITEM TYPE: **APPROVAL**

RECOMMENDATION: The Global Talent and Competitiveness Council recommends to the Board the approval of revisions to the Targeted Occupation List Policy, as set forth below.

STRATEGIC GOAL: **STRENGTHEN THE ONE-STOP DELIVERY SYSTEM**

STRATEGIC PROJECT: **Use LMI data for policy development**

BACKGROUND:

The purpose of the Targeted Occupation List (TOL) Policy is to provide guidelines for the identification and selection of occupations relevant to Workforce Development Area (WDA) 23. The TOL is used to identify and assess whether occupations on the list meet the needs of the local area. Occupations included on the list are identified as High Growth/High Wage as well as other target and emerging occupations that are vital to the local economy.

The following is required in the development of the local TOL:

- Use the statewide and regional Demand Occupations Lists published by LMS as a starting point.
- Solicit the input of business and industry representatives in their area regarding the need to add occupations to or remove occupations from these lists.
- Use additional labor market resources available to assist with developing local TOLs.
- Add additional occupations to the lists beyond what is on the LMS list, as needed, based on local demand.

The identification process promotes collaboration with business and industry, targets training funds for workers in need of better employment and earning opportunities, and better serves employers in industry sectors lacking skilled workers. Occupations on the WDA 23 TOL must be analyzed annually.

SFWIB staff recommends to the Global Talent and Competitiveness Council the following main TOL Policy revisions:

1. Background – added language regarding the annual review process and made minor edits.

2. Definitions – made minor edits for clarification to Classification of Instructional Program (CIP) Code and Standard Occupational Classification (SOC) Code.
3. Minimum Standards – made minor edits for clarity.
4. Process to Request the Addition or Deletion of an Occupation – added language regarding the number of permanent openings and average wage, and made minor edits.

The attached Consumer Report Card table for program year 2020-2021, dated July 1, 2020 through June 30, 2021, indicates that the South Florida Workforce Investment Board generated \$592,598.88 of wages into the South Florida regional economy. For every dollar spent on training, SFWIB obtained a return of \$3.63. Ninety-five percent of training services participants completed classroom training. Of those completing training, 89 percent have obtained employment with an average wage of \$22.72. One-hundred percent of the participants were placed in a training-related occupation. The net economic benefit per placement is \$37,037.43.
