AGENDA ITEM SUBJECT: SUMMER YOUTH INTERNSHIP PROGRAM

AGENDA ITEM TYPE: APPROVAL

RECOMMENDATION: The Executive Committee recommends to the Board the approval to allocate an amount not exceed $1,500,000 in TANF Funds Contract with Miami-Dade County Public Schools for the Summer Youth Internship Program (SYIP), set forth below.

STRATEGIC GOAL: DEDICATED COMMITMENT TO YOUTH PARTICIPATION

STRATEGIC PROJECT: Emphasize work-based learning and training

BACKGROUND:

At the February 15, 2018 meeting, the South Florida Workforce Investment Board (SFWIB) approved funding to support the Together for Children Youth Initiative. The Together for Children Youth Initiative includes a partnership with Miami-Dade County, The Children’s Trust, Miami-Dade County Public Schools (The School Board), the Foundation for New Education Initiatives, Inc., and the SFWIB. The initiative launched the SYIP to provide employment opportunities to South Florida’s future workforce, while decreasing crime within Miami-Dade County.

Together for Children is a coalition of government, education, business, law enforcement, justice, and funding entities that have joined together to leverage resources that promote youth safety and addresses the root cause of breaking a cycle of youth violence plaguing communities. The coalition of partners recruited a total of 2,967 youth in the 2018 SYIP.

The following are the overall program results for the 2018 SYIP:

- Of the 2,967 youth who were recruited and applied to the internship program, 2,593 were placed with 784 Miami-Dade County organizations.
- 2,526 (97%) completed the program.
- The program intentionally recruited participants from high risk populations. 84% (2,117) qualified for free/reduced lunch and 13% (324) were youth with disabilities.
- A $3.13 million economic impact on the county with 23,583 in community hours served.
A total of 2,450 participants completed the program and earned high school credits. In addition 123 youth received college credit through dual enrollment.

The following chart provides a side-by-side comparison of the SYIP outcomes for the funding SFWIB invested:

The SFWIB Staff is recommending the Board invest Temporary Assistance for the Needy Families (TANF) funds to cover summer youth employment activities and services for youth with barriers to employment, particularly those youth whose families are receiving cash and or free or reduced lunch.

The SYIP will provide participants ages 15-18 with 30 hours of work per week and a wage subsidy of $1,237.50 over a five week period. In addition to receiving a wage subsidy, participants will earn high school course credits and be given an opportunity to earn college credits. The wage subsidy will consist of the following:

- $112 within the first week of the internship to cover transportation and other incidental expenses to help remove barriers that may prohibit participation; and
- Two subsequent payments of $567.50 each.

These funds will be distributed via direct deposit through collaboration with the South Florida Educational Federal Credit Union and the Foundation for New Initiatives, Inc.

The internships will assist youth in obtaining needed skills while gaining a better understanding of the workplace by linking participants to employers that will provide work experience and career advice.

The SYIP recruitment will begin in April 2019 and the program will end in September 2019.

In the following procurement process of Miami-Dade County Administrative Order No. 3-38, it is recommended that the SFWIB waive the competitive procurement as it recommended by the Executive Director that this is in the best interest of the SFWIB. A two-thirds (2/3) vote of a quorum present is required to waive the competitive procurement process and award Miami-Dade County Public Schools, an allocation not to exceed $1,500,000 in Temporary Assistance for Needy Families Funds for the Summer Youth Internship Program.

RECOMMENDATION: The Global Talent Competitiveness Council recommends to the Board the approval to allocate an amount not exceed $20,000 in Temporary Assistance for Needy Families (TANF) funds to provide stipends to youth that complete the Spring Deployment at the National Flight Academy Program, as set forth below.

STRATEGIC GOAL: DEDICATED COMMITMENT TO YOUTH PARTICIPATION

STRATEGIC PROJECT: Maximizing collaborative partnerships

BACKGROUND:

At the December 13, 2018, the South Florida Workforce Investment Board (SFWIB) approved a total of up to 100 students to participate and visit the National Flight Academy (NFA) during the 2019 Spring Break. The NFA Spring Deployment is from March 24, 2019 to March 29, 2019. The NFA program blends the culture and excitement of 21st century Aviation technology and core competencies in an exclusive, entertaining, engaging, and immersive environment to provide a learning adventure with a lasting impact.

The NFA program’s application of Science, Technology, Engineering, and Mathematics (STEM) concepts are delivered in a non-traditional classroom style “hands-on and minds-on” learning environment that provides students with the opportunity to gain confidence in themselves and their ability to pursue career pathways in these fields of study. STEM education creates critical thinkers, increases science literacy, enables the next generation of innovators, and is critical in helping the United States remain a world leader.

The SFWIB dba CareerSource South Florida (CSSF) is partnered with Our Kids, I-CARE, The Kiwanis Club of Little Havana, Mexican American Council, and the Miami-Dade County Police Department to increase youth exposure in science literacy to empower the next generation of innovators. The attendance of CSSF Youth Programs participants at the NFA will broaden their perspective of career pathways in the aviation industry and help in the development of leadership skills as preparation for their future as productive citizens and leaders.

In an effort to increase youth participation in the NFA Spring Deployment, CSSF will provide a $200 stipend to each youth that completes the program.

AGENDA ITEM SUBJECT: RECOMMENDATION TO APPROVE THE AUTHORIZATION FOR SFWIB STAFF TO RELEASE AN RFP FOR THE SELECTION OF WORKFORCE SERVICE PROVIDERS

AGENDA ITEM TYPE: APPROVAL

RECOMMENDATION: The Global Talent and Competitiveness Council recommends to the Board the approval authorizing staff to release a Request for Proposal to provide Workforce Services for Program Year 2019-2020, as set forth below.

STRATEGIC GOAL: STRENGTHEN THE ONE-STOP DELIVERY SYSTEM

STRATEGIC PROJECT: Strengthen workforce system accountability

BACKGROUND:

In December 2017, CareerSource Florida approved South Florida Workforce Investment Board (SFWIB) staff to temporarily provide employment and training services in Local Workforce Development Area (LWDA) 23 CareerSource centers until June 30, 2018. The SFWIB released Workforce Services Request for Proposals (RFP) to solicit organizations capable of providing employment and training services on March 14, 2018 and April 10, 2018.

Due to a lack of respondents by the applicable deadlines, at the June 21, 2018 meeting, the SFWIB approved a recommendation for SFWIB staff to continue providing employment and training services. Accordingly, the SFWIB assumed daily operations of the Carol City, Opa-Locka, Miami Beach, Key Largo, and Key West CareerSource centers on July 1, 2018.

In accordance with CareerSource Florida Administrative Policy 83, at its October 18, 2018 meeting, the SFWIB approved a formal request for an extension to continue providing direct employment and training services for PY 2018-2019. The approved extension permits SFWIB staff to provide direct services for a period not to exceed three years from the initial effective date of December 2017; and authorizes the release of a Workforce Services RFP for program year 2019-2020, and in the future if needed.

Therefore, SFWIB staff recommends the Global Talent and Competitiveness Council to recommend to the Board approval authorizing staff to release an RFP to provide Workforce Services for PY 2019-2020. The RFP will include all five centers currently operated by the SFWIB.

SFWIB staff released a Refugee Services RFP to the public on February 5, 2019, soliciting proposals from organizations capable of providing Refugee Employment and Training Services within Workforce Development Area (WDA) 23. Two organizations responded by the prescribed deadline.

The proposals submitted were evaluated based on the criteria detailed in the RFP. A Public Review Forum was held on March 6, 2019 wherein respondents' preliminary scores were disclosed. The attached table indicates the results of the Public Review Forum.

AGENDA ITEM SUBJECT: ST. THOMAS UNIVERSITY CAREER DEVELOPMENT CENTER

AGENDA ITEM TYPE: APPROVAL

RECOMMENDATION: The Executive Committee recommends to the Board to Ratify the approval to allocate an amount not to exceed $50,000 in Workforce Services funding to launch a Career Development Center at St. Thomas University, as set forth below.

STRATEGIC GOAL: STRONG WORKFORCE SYSTEM LEADERSHIP

STRATEGIC PROJECT: National leader in an ROI-focused enterprise

BACKGROUND:

At the October 18, 2018 meeting, the SFWIB approved an allocation to launch a Career Development Center at Florida Memorial University (FMU) to assist the university’s students in obtaining career opportunities prior to and upon graduation. In less than a year, the Career Development Center has become an invaluable resource to the university and its student’s by assisting several graduates to obtain employment.

The successful results of the Career Development Center model at the FMU campus, prompted St. Thomas University (STU) to view this as a prime opportunity to improve career services on their campus. Thereafter, STU approached SFWIB staff and requested assistance in implementing the same model.

The SFWIB recognized this as an opportunity to continue its path of bridging the gap between the traditional university career development office and the economic development engine that is the local workforce board.

In accordance with the SFWIB 2018-2019 Strategic Goal 6, Strong Workforce System Leadership, the SFWIB will assume the daily operations of STU’s career development center and provide career assistance to the current 850 undergraduate s, graduate students and alumni. As part of the partnership, STU will provide the SFWIB with free usage of their new Career Development Center, and the SFWIB, under the administrative entity know as ABC Workforce Services, will provide one full-time staff member, computers and the support necessary to provide career development assistance.

The SFWIB’s projected 2018-2019 program year operating costs to staff the center and provide direct services to the students and alumni of STU will not exceed $50,000. A separate allocation request will be presented for the training related costs.

At its February 15, 2018 meeting, the South Florida Workforce Investment Board (SFWIB) approved its second TechHire Summer Boot Camp program. The TechHire Summer Boot Camp initiative was expanded to provide youth ages 15-22 with the skills to become entry-level professionals in high demand Information Technology (IT) careers.

In an effort to increase youth exposure in the IT Industry and connect youth participants to both traditional and non-traditional educational resources, the SFWIB will provide a paid summer internship opportunity to the youth who obtained a credential in the 2018 TechHire Summer Boot Camps Program. The training will include a mix of accelerated learning programs, such as Gaming and Coding, Web Development, Comp TIA A+, Auto CAD, and other innovative channels. The eight week summer internship opportunity will begin June 10, 2019 through August 11, 2019. Each participant will complete up to 140 hours at $10.00 per hour.

In partnership with Miami-Dade County Public Schools, the TechHire Summer Boot Camps exposed 253 youth to a six-week IT training session. The session began June 18 through July 27, 2018. The boot camps were held throughout Miami-Dade County at various Miami-Dade County Public Schools. Of the 253 youth, 248 youth completed the program and obtain a Certificate of Completion. Of the 248 youth who completed the program, 94 participants obtained a credential.

RECOMMENDATION: The Executive Committee recommends to the Board to Ratify the approval to allocate an amount not to exceed $200,000 in WIOA Funds to Contract with JMJ Clutch Enterprises LLC dba Wyncode Academy, as set forth below.

STRATEGIC GOAL: STRENGTHEN THE ONE-STOP DELIVERY SYSTEM

STRATEGIC PROJECT: Close the digital skills gap

BACKGROUND:

At the October 18, 2018 meeting, the SFWIB approved funding to launch a TechHire Center for Women at the Young Women's Christian Association (YWCA) of Miami to help increase the number of women in the Information Technology (IT) industry. In a recent survey by Inc. 5000, women make up 59 percent of the total workforce but average less than 20 percent of the tech jobs with major tech companies.

Women hold only 17 percent of the tech jobs at Google, 15 percent at Facebook and 10 percent at Twitter. The national average entry-level salary in the IT industry is $44,985 per year.

In an effort to address the existing gender gap in the IT field, the SFWIB will collaborate with Wyncode Academy to deliver the first IT training cohort in the Women in IT initiative. The Full Stack Web Development certification training cohort for women will be held at the YWCA of Miami TechHire location.

The cohort will prepare up to 20 SFWIB eligible female participants to successfully complete the 10-week web development training, which will include instruction in JavaScript, React, jQuery, and HTML. The SFWIB will provide the training-related funding, and Wyncode Academy will provide the relevant training and placement services. The total cost for the cohort is $200,000.

AGENDA ITEM SUBJECT: URBAN POTENTIAL (UP) LABS PILOT PROGRAM

AGENDA ITEM TYPE: APPROVAL

RECOMMENDATION: The Executive Committee recommends to the Board the approval to allocate an amount not to exceed $189,016.00 in WIOA Funds to Contract with Florida International University for the Urban Potential Laboratory (UP Labs) Pilot, as set forth below.

STRATEGIC GOAL: DEDICATED COMMITMENT TO YOUTH PARTICIPATION

STRATEGIC PROJECT: Emphasize work-based learning and training

BACKGROUND:

The Urban Potential Laboratory (UP Labs), is an innovative education and job training program established by Florida International University (FIU), in partnership with JP Morgan Chase, to engage non-traditional and Pell eligible learners in a series of competency-based and experiential learning. Through the UP Labs, FIU will provide training services to low-income, at-risk high-school graduates and university students (ages 18-65).

Participants will have the opportunity to gain skills and work experience for industry-specific middle-skills jobs in health care and construction management. Participating employers will identify high-demand jobs and work collaboratively with FIU staff and faculty from the appropriate college to develop learning labs around workforce skills development.

Each learning lab will focus on one of the following program components:

1. Academic: College-level courses in basic skills
2. Technical: Competency-based training
3. Emotional Intelligence: Soft-skills development
4. Experiential: Internships/Apprenticeships/Co-ops

For the Academic component, FIU will employ student learning assistants from the FIU STEM Transformation Institute to reteach fundamental courses to UP Labs participants. FIU’s undergraduate-led Learning Assistants Program is now the largest in the country, with learning assistants engaged in peer teaching in more than 150 courses in mathematics, chemistry, earth, and the environment. Through participation in UP Labs, FIU’s Learning Assistants develop new competencies as educators of adult learners.
The experiential component of the program provides participants with stipends via apprenticeships or on-the-job training (OJT) at FIU and partner sites. Participants will have access to FIU’s counseling support services, financial literacy programs, and other trainings meant to ensure student learners stay on track to employability beyond the basic technical skills.

Some learning labs overlap while others will run sequentially. An UP Labs series runs between 13-14 weeks during a semester. Participants will receive a job-readiness certificate upon successfully completing the series, and paid internship or full-time job employment with participating employers.

The SFWIB was requested by FIU to provide student learner stipends in the Health Care and Construction Management industries. The cost breakdown is as follows:

AGENDA ITEM SUBJECT: VIRTUAL CAREER COLLEGE PORTAL

AGENDA ITEM TYPE: APPROVAL

RECOMMENDATION: The Executive Committee recommends to the Board the approval to allocate an amount not to exceed $97,000 in Workforce Services funding to Contract with Geographic Solutions Inc. to provide a Virtual Career Center Portal, as set forth below.

STRATEGIC GOAL: BUILD DEMAND-DRIVEN SYSTEM W/ EMPLOYER ENGAGEMENT

STRATEGIC PROJECT: Maximizing collaborative partnerships

BACKGROUND:

Several members of the One Community One Goal (OCOG) Academic Council (Florida International University (FIU), Florida Memorial University (FMU) and St. Thomas University (STU)) contacted the SFWIB to request the agency’s assistance in placing their respective graduates in gainful employment. As a result, SFWIB staff solicited the services of Geographic Solutions, Inc. to build a Virtual Career Center (VCC) portal that can be used by FIU, FMU, STU, and all future partnering education institutions.

The VCC will allow academic advisors to track students’ progress relevant to the soft skills and job readiness training available through the portal. The portal can also be used to search for employment, paid and unpaid internships or graduate schools. The VCC is compatible with the Employ Florida portal, where the information will simultaneously feed into that the state’s system.

Geographic Solutions, Inc. will deliver the VCC platform in the distinct brand designs of each partnering educational institution. The interconnectivity of the platform feeds into a single workforce system that will allow the SFWIB to provide maximum assistance to students at each partnering education institution.

AGENDA ITEM SUBJECT: WIOA RETENTION PAYMENT ALLOCATIONS

AGENDA ITEM TYPE: APPROVAL

RECOMMENDATION: The Executive Committee recommends to the Board the approval to allocate an amount not to exceed $48,375 in WIOA Funds for retention payments, as set forth below.

STRATEGIC GOAL: HIGH ROI THROUGH CONTINUOUS IMPROVEMENT

STRATEGIC PROJECT: Enhance CSSF performance system

BACKGROUND:

At the December 14, 2017 meeting, the South Florida Workforce Investment Board (SFWIB) approved the recommendation to authorized staff to modify Workforce Services contracts to allow retention payments to service providers for each Workforce Innovation and Opportunity Act (WIOA) participant employed or who earned wages during the second and fourth quarters after exiting the system.

The WIOA established performance indicators and reporting requirements to assess the Local Workforce Development Board’s (LWDB) effectiveness in serving individuals participating in the workforce development system. The second and fourth quarters after exit are two of the primary performance indicators the State uses to measure the LWDB’s employment retention rate. The two measures indicate the number of WIOA participants who obtained employment, exited the system and are either still employed or earned wages in the two quarters following their exit from the system.

In an effort to meet and exceed established WIOA primary performance indicators, SFWIB staff is requesting authorization to allocate retention payments to incentivize service providers to track employment retention, update information on the gainfully employed, and reengage job seekers in need of additional services. The SFWIB operated centers are not eligible to receive retention payments.

STRATEGIC GOAL: HIGH ROI THROUGH CONTINUOUS IMPROVEMENT

STRATEGIC PROJECT: Strengthen workforce system accountability

BACKGROUND:

The attached “SFWIB Budget - 2019-20” chart is a summary of the annual budgeted revenues and expenditures for the South Florida Workforce Investment Board (SFWIB). The chart is comprised of three major sections:

1. 2019-20 State Funding: The first section’s group of columns reflects the new funding awards that the SFWIB is anticipating it will receive during the upcoming budget year. The total award dollars are divided into two amounts: the funds that will be utilized during budget year 2019-20 and the amounts that will be reserved for budget year 2020-21.

2. 2019-20 Program Budget: The second section is the funding amounts that comprise the 2019-20 revenue Budget. STRATEGIC GOAL: IMPROVE SERVICES FOR INDIVIDUALS W/ BARRIERS

STRATEGIC PROJECT: Emphasize work-based learning and training

BACKGROUND:

On May 6, 2019, the SFWIB Executive Director approved an Employed Worker Training (EWT) application in the amount of $28,000 for City of Key West Police Department. In accordance with the Application Review/Approval section VIII (B) of the Employed Worker Training Policy, the SFWIB Executive Director has the authority to approve application requests $50,000 or less.

The City of Key West operates the largest police department in Monroe County and is responsible for protecting a population of over 25,000 residents and an estimated 2,662,500 visitors annually. All law enforcement officers must possess a certificate of compliance.

The City of Key West is facing a shortage of police officers due to the high cost of housing, no career pathways and a limited number of training providers. The lack of affordable housing has resulted in numerous failed attempts to recruit certified deputies from other areas of the state. As such, the City is refocusing its recruitment strategy by targeting qualified local residents and offering training assistance.

Florida Keys Community College will deliver training to 10 of the city’s 500 employees, and will focus on the following:

- Basic Law Enforcement Academy (BLE 72) - Basic Law Enforcement course prepares recruits to meet the requirements of the Florida Department of Law Enforcement and the Criminal Justice Standards and Training Commission.

Employees who successfully complete the basic training program will be eligible to take the State Officer Certification Exam. Training is projected to be completed by October 3, 2019.

AGENDA ITEM SUBJECT: MIAMI COMMUNITY VENTURES

AGENDA ITEM TYPE: APPROVAL

RECOMMENDATION: The Global Talent and Competitiveness Council recommends to the Board the approval to allocate an amount not exceed $300,000 in WIOA Funds for a contract renewal of The Beacon Council Economic Development Foundation, Inc. for the Miami Community Ventures pilot program, as set forth below.

STRATEGIC GOAL: IMPROVE SERVICES FOR INDIVIDUALS W/ BARRIERS

STRATEGIC PROJECT: Improve employment outcomes

BACKGROUND:

At its August 16, 2018, meeting, the South Florida Workforce Investment Board (SFWIB) approved funding for the Beacon Council Economic Development Foundation, Inc. for the Miami Community Ventures (MCV) pilot program. Due to delays in program’s implementation, the funds allocated for the pilot were not utilized. The MCV pilot is an innovative approach that connects social welfare recipients “structurally unemployed” and under-employed individuals to sustainable living wage jobs.

The targeted population to be served will be 77 participants who are public assistance recipients, returning citizens, and the disabled with an emphasis on sub-groups consisting of female head-of-household, veterans and at-risk youth (ages 19-29). The targeted location to be served will be Liberty City, Overtown and Goulds.

The program is designed to empower participants to succeed long-term by providing wrap-around support services in the areas of job training, childcare, success coaching, education (emphasizing financial literacy), and social services for up to three years. The MCV program is based on an existing award winning model in Michigan, which generated successful state audited results that exceeded all objectives.

The MCV program will bring together partners that have an interest in giving back to community, job creation, sustainable economic development, and alleviating poverty in under-served communities; and will extend their services and support as members of the MCV community stakeholder team. Specific roles will be defined with input from community stakeholder partners’ that will focus on ensuring all activities work together to best assist participants. The Miami-Dade Beacon Council will serve as a conduit and projects to launch the pilot program in July 2019.
In the following procurement process of Miami-Dade County Administrative Order No. 3-38, it is recommended that the SFWIB waive the competitive procurement as it is recommended by the Executive Director that this is in the best interest of the SFWIB. The Global Talent and Competitiveness Council recommends to the Board the approval to allocate an amount not to exceed $15,502 in WIOA Youth Funds to Contract with Cuban American National Council, as set forth below.

STRATEGIC GOAL: DEDICATED COMMITMENT TO YOUTH PARTICIPATION

STRATEGIC PROJECT: Emphasize work-based learning and training

BACKGROUND:

On December 13, 2018, the Board approved an allocation of $125,000 in Workforce Innovation and Opportunity Act Youth funding to serve and train 50 youth participants in the Future Bankers Training Camp Program. However, SFWIB staff successfully negotiated a lower cost per participant that will allow an additional 12 participants to participate in the program, which has both a training and internship component.

Although the initial $125,000 in WIOA funds covers the training, an additional $15,502 is needed to cover the wages for the internship component of the program. The additional funds will allow Cuban American National Council to provide an internship for 62 participants instead of the initial 50 participants.

The innovative four week camp provides hands-on experience for future students interested in a financial services career. The camp provides students with the opportunity to enhance their math, communication and financial literacy skills by completing an internship with a financial institution and receiving an industry certification.

Upon completing the program, students are eligible to receive the American Bankers Association (ABA) and America Institute of Banking (AIB) Bank Tellers Certificates. Students who graduate high school are eligible for a Miami-Dade College (MDC) Vocational Certificate, which allows them to work towards an Associate of Science degree in Financial Services.

Revised 06/28/2018
RECOMMENDATION: The Global Talent and Competitiveness Council recommends to the Board the approval of Training Vendor Agreements with the Training Vendors that are represented on the Board, as set forth below.

STRATEGIC GOAL: HIGH ROI THROUGH CONTINUOUS IMPROVEMENT

STRATEGIC PROJECT: Improve credential outcomes for job seekers

BACKGROUND:

CareerSource Florida Contracting Policy prohibits the use of state or federal funds by a regional workforce board for any contract exceeding $25,000 between a regional workforce board and a member of that board that has any relationship with the contracting vendor, unless the Department of Economic Opportunity (DEO) and CareerSource Florida has reviewed the contract.

The Global Talent Competitiveness Council recommends to the Board the approval of Training Vendor Agreements with the following Training Vendors that are represented on the Board:

- Florida National University, Inc. (FL National)
- The District Board of Trustees of Miami Dade College (MDC)
- Miami-Dade County Public Schools (M-DCPS)
- The Academy of South Florida, Inc. (The Academy)

The policy does not exclude agreements with training/educational institutions that regional workforce boards enter into with a training/educational institution included on the local eligible training provider list and for which eligible applicants choose from when selecting a training/educational provider. Accordingly, the Training Vendor Agreements between the SFWIB and FL National, MDC, M-DCPS, and The Academy are subject to the 2/3 vote requirement and will be submitted to DEO and CareerSource Florida for review.

AGENDA ITEM SUBJECT: WORKFORCE SERVICES CONTRACTORS

AGENDA ITEM TYPE: APPROVAL

RECOMMENDATION: The Performance Council recommends to the Board the approval to authorize staff to renew the existing Workforce Services contractors for program year 2019-2020; and to renew the Arbor E&T, LLC Workforce Services contract for up to 60 days, as set forth below.

STRATEGIC GOAL: STRENGTHEN THE ONE-STOP DELIVERY SYSTEM

STRATEGIC PROJECT: Strengthen workforce system accountability

BACKGROUND:

The current Workforce Services contractors were competitively procured in June 2017 to provide Workforce Services on behalf of the South Florida Workforce Investment Board (SFWIB) for Program Year (PY) 2017-2018. The second year of this contract will expire on June 30, 2019, and may be renewed for one additional year pursuant to the contract terms that allows renewals contingent upon the availability of funds.

The Performance Council recommends to the Board to authorize staff to renew the existing Workforce Services Contractors, Arbor E&T, LLC and Youth Co-Op, Inc. for PY2019-2020 for CareerSource center locations detailed below:

<table>

Additionally, at its October 18, 2018 meeting, the SFWIB approved Arbor E&T, LLC to temporarily operate the North Miami Beach and Northside centers from October 1, 2018 to June 30, 2019 or until the SFWIB conducts another Request for Proposals (RFP). SFWIB staff released the Workforce Services RFP on May 15, 2019; however, the solicitation’s timetable will require renewal, of up to 60-days, of the Arbor E&T, LLC Workforce Services contract for the two centers. The renewal period, July 1, 2019 to August 31, 2019, will allow the RFP solicitation and review process to be completed in order that the Board may approve the results at its August 15, 2019 meeting.

AGENDA ITEM SUBJECT: YOUTH SERVICE CONTRACTORS

AGENDA ITEM TYPE: APPROVAL

RECOMMENDATION: The Performance Council recommends to the Board the approval to authorize staff to renew the existing Youth Service contractors for Program Year (PY) 2019-2020, as set forth below.

STRATEGIC GOAL: DEDICATED COMMITMENT TO YOUTH PARTICIPATION

BACKGROUND:

On July 22, 2014, Congress passed the Workforce Innovation and Opportunity Act (WIOA) which includes a number of improvements to ensure low income workers, youth and adults, have the skills and support needed for full participation in the American workforce. The WIOA includes several significant provisions that will increase the focus on comprehensive programming for youth those who face the greatest challenges. With the implementation of the WIOA on July 1, 2015, current Youth Service contractors have built career pathways infrastructures in the community to better serve the needs of youth who are unemployed and basic skills deficient.

The Performance Council recommends to the Board to authorize staff to renew the existing Youth Service contractors for PY 2019-2020. The current Youth Services contractors delivering year round service are as follows:
