BACKGROUND:

At the December 13, 2018, the South Florida Workforce Investment Board (SFWIB) approved a total of up to 100 students to participate and visit the National Flight Academy (NFA) during the 2019 Spring Break. The NFA Spring Deployment is from March 24, 2019 to March 29, 2019. The NFA program blends the culture and excitement of 21st century Aviation technology and core competencies in an exclusive, entertaining, engaging, and immersive environment to provide a learning adventure with a lasting impact.

The NFA program’s application of Science, Technology, Engineering, and Mathematics (STEM) concepts are delivered in a non-traditional classroom style “hands-on and minds-on” learning environment that provides students with the opportunity to gain confidence in themselves and their ability to pursue career pathways in these fields of study. STEM education creates critical thinkers, increases science literacy, enables the next generation of innovators, and is critical in helping the United States remain a world leader.

The SFWIB dba CareerSource South Florida (CSSF) is partnered with Our Kids, I-CARE, The Kiwanis Club of Little Havana, Mexican American Council, and the Miami-Dade County Police Department to increase youth exposure in science literacy to empower the next generation of innovators. The attendance of CSSF Youth Programs participants at the NFA will broaden their perspective of career pathways in the aviation industry and help in the development of leadership skills as preparation for their future as productive citizens and leaders.

In an effort to increase youth participation in the NFA Spring Deployment, CSSF will provide a $200 stipend to each youth that completes the program.

AGENDA ITEM SUBJECT: RECOMMENDATION TO APPROVE THE AUTHORIZATION FOR SFWIB STAFF TO RELEASE AN RFP FOR THE SELECTION OF WORKFORCE SERVICE PROVIDERS

AGENDA ITEM TYPE: APPROVAL

RECOMMENDATION: The Global Talent and Competitiveness Council recommends to the Board to Ratify the approval authorizing staff to release a Request for Proposal to provide Workforce Services for Program Year 2019-2020, as set forth below.

STRATEGIC GOAL: STRENGTHEN THE ONE-STOP DELIVERY SYSTEM

BACKGROUND:

In December 2017, CareerSource Florida approved South Florida Workforce Investment Board (SFWIB) staff to temporarily provide employment and training services in Local Workforce Development Area (LWDA) 23 CareerSource centers until June 30, 2018. The SFWIB released Workforce Services Request for Proposals (RFP) to solicit organizations capable of providing employment and training services on March 14, 2018 and April 10, 2018.

Due to a lack of respondents by the applicable deadlines, at the June 21, 2018 meeting, the SFWIB approved a recommendation for SFWIB staff to continue providing employment and training services. Accordingly, the SFWIB assumed daily operations of the Carol City, Opa-Locka, Miami Beach, Key Largo, and Key West CareerSource centers on July 1, 2018.

In accordance with CareerSource Florida Administrative Policy 83, at its October 18, 2018 meeting, the SFWIB approved a formal request for an extension to continue providing direct employment and training services for PY 2018-2019. The approved extension permits SFWIB staff to provide direct services for a period not to exceed three years from the initial effective date of December 2017; and authorizes the release of a Workforce Services RFP for program year 2019-2020, and in the future if needed.

Therefore, SFWIB staff recommends the Global Talent and Competitiveness Council to recommend to the Board approval authorizing staff to release an RFP to provide Workforce Services for PY 2019-2020. The RFP will include all five centers currently operated by the SFWIB.

BACKGROUND:

At the October 18, 2018 meeting, the SFWIB approved an allocation to launch a Career Development Center at Florida Memorial University (FMU) to assist the university’s students in obtaining career opportunities prior to and upon graduation. In less than a year, the Career Development Center has become an invaluable resource to the university and its student’s by assisting several graduates to obtain employment.

The SFWIB recognized this as an opportunity to continue its path of bridging the gap between the traditional university career development office and the economic development engine that is the local workforce board.

In accordance with the SFWIB 2018-2019 Strategic Goal 6, Strong Workforce System Leadership, the SFWIB will assume the daily operations of STU’s career development center and provide career assistance to the current 850 undergraduate s, graduate students and alumni. As part of the partnership, STU will provide the SFWIB with free usage of their new Career Development Center, and the SFWIB, under the administrative entity know as ABC Workforce Services, will provide one full-time staff member, computers and the support necessary to provide career development assistance.

The SFWIB’s projected 2018-2019 program year operating costs to staff the center and provide direct services to the students and alumni of STU will not exceed $50,000. A separate allocation request will be presented for the training related costs.

AGENDA ITEM SUBJECT: WIOA RETENTION PAYMENT ALLOCATIONS

AGENDA ITEM TYPE: APPROVAL

RECOMMENDATION: The Executive Committee recommends to the Board to Ratify the approval to allocate an amount not to exceed $48,375 in WIOA Funds for retention payments, as set forth below.

STRATEGIC GOAL: HIGH ROI THROUGH CONTINUOUS IMPROVEMENT

STRATEGIC PROJECT: Enhance CSSF performance system

BACKGROUND:

At the December 14, 2017 meeting, the South Florida Workforce Investment Board (SFWIB) approved the recommendation to authorized staff to modify Workforce Services contracts to allow retention payments to service providers for each Workforce Innovation and Opportunity Act (WIOA) participant employed or who earned wages during the second and fourth quarters after exiting the system.

The WIOA established performance indicators and reporting requirements to assess the Local Workforce Development Board’s (LWDB) effectiveness in serving individuals participating in the workforce development system. The second and fourth quarters after exit are two of the primary performance indicators the State uses to measure the LWDB’s employment retention rate. The two measures indicate the number of WIOA participants who obtained employment, exited the system and are either still employed or earned wages in the two quarters following their exit from the system.

In an effort to meet and exceed established WIOA primary performance indicators, SFWIB staff is requesting authorization to allocate retention payments to incentivize service providers to track employment retention, update information on the gainfully employed, and reengage job seekers in need of additional services. The SFWIB operated centers are not eligible to receive retention payments.

RECOMMENDATION: The Finance and Efficiency Council recommends to the Board to Ratify approval of the Fiscal Year 2019-2020 Budget, as set forth below.

STRATEGIC GOAL: HIGH ROI THROUGH CONTINUOUS IMPROVEMENT

STRATEGIC PROJECT: Strengthen workforce system accountability

BACKGROUND:

The attached “SFWIB Budget - 2019-20” chart is a summary of the annual budgeted revenues and expenditures for the South Florida Workforce Investment Board (SFWIB). The chart is comprised of three major sections:

1. 2019-20 State Funding: The first section’s group of columns reflects the new funding awards that the SFWIB is anticipating it will receive during the upcoming budget year. The total award dollars are divided into two amounts: the funds that will be utilized during budget year 2019-20 and the amounts that will be reserved for budget year 2020-21.

2. 2019-20 Program Budget: The second section is the funding amounts that comprise the 2019-20 revenue Budget. The amounts shown under the column "Prior Budget Year Reserves" are the amounts that were reserved in the current year’s budget and are available for use in the new 2019-20 budget year. The amounts shown under the column "Prior Budget Year Carryover" are the remaining funds available from the previous year’s awards. These unexpended amounts roll over to the new budget year. The amounts under the column "New Budget Year Funding" are the new funds that will be utilized in the 2019-20 budget year.

3. 2019-20 Cost Distributions: This section of the budget shows all the proposed expenditures for the 2019-20 budget year. Expenditures are sub-divided into four major cost categories:

   a. HQ (Programs and Administrative) – this column reflects the anticipated expenditures for operating the SFWIB Headquarter office. Included under this category are all the staffing and occupancy costs associated with operating the SFWIB main office.

   b. Training – this column reflects the anticipated costs associated with the skills training services offered by the SFWIB. Note that only certain grants allow for training expenditures, but all grants require that employment services be offered to participants.
c. Career Center Facility Costs – this column reflects the occupancy costs associated with operating the Career Centers. The SFWIB leases all of the facilities from third parties; and pays directly for insurance, utilities, and other facility expenditures. The SFWIB does not own any of the locations.

d. Provider Contracts – this column reflects the amounts that will be awarded to the subcontractors that perform employment services on behalf of SFWIB.

AGENDA ITEM SUBJECT: VIRTUAL CAREER COLLEGE PORTAL

AGENDA ITEM TYPE: APPROVAL

RECOMMENDATION: The Executive Committee recommends to the Board to Ratify the approval to allocate an amount not to exceed $97,000 in Workforce Services funding to Contract with Geographic Solutions Inc. to provide a Virtual Career Center Portal, as set forth below.

STRATEGIC GOAL: BUILD DEMAND-DRIVEN SYSTEM W/ EMPLOYER ENGAGEMENT

STRATEGIC PROJECT: Maximizing collaborative partnerships

BACKGROUND:

Several members of the One Community One Goal (OCOG) Academic Council (Florida International University (FIU), Florida Memorial University (FMU) and St. Thomas University (STU)) contacted the SFWIB to request the agency’s assistance in placing their respective graduates in gainful employment. As a result, SFWIB staff solicited the services of Geographic Solutions, Inc. to build a Virtual Career Center (VCC) portal that can be used by FIU, FMU, STU, and all future partnering education institutions.

The VCC is a career exploration and pathways tool that will help students identify, research and build the appropriate resumes necessary to enter their chosen career path. The VCC will allow academic advisors to track students’ progress relevant to the soft skills and job readiness training available through the portal. The portal can also be used to search for employment, paid and unpaid internships or graduate schools. The VCC is compatible with the Employ Florida portal, where the information will simultaneously feed into that the state’s system.

Geographic Solutions, Inc. will deliver the VCC platform in the distinct brand designs of each partnering educational institution. The interconnectivity of the platform feeds into a single workforce system that will allow the SFWIB to provide maximum assistance to students at each partnering education institution.

In following the procurement process of Miami-Dade County, Administrative Order No. 3-38, it is recommended that the SFWIB waive the competitive procurement as it is recommended by the Executive Director that this is in the best interest of the SFWIB. STRATEGIC GOAL: DEDICATED COMMITMENT TO YOUTH PARTICIPATION

STRATEGIC PROJECT: Emphasize work-based learning and training

BACKGROUND:

At the February 15, 2018 meeting, the South Florida Workforce Investment Board (SFWIB) approved funding to support the Together for Children Youth Initiative. The Together for Children Youth Initiative includes a partnership with Miami-Dade County, The Children’s Trust, Miami-Dade County Public Schools (The School Board), the Foundation for New Education Initiatives, Inc., and the SFWIB. The coalition of partners recruited a total of 2,967 youth in the 2018 SYIP.

The following are the overall program results for the 2018 SYIP:

- Of the 2,967 youth who were recruited and applied to the internship program, 2,593 were placed with 784 Miami-Dade County organizations.
- 2,526 (97%) completed the program.

The SFWIB Staff is recommending the Board invest Temporary Assistance for the Needy Families (TANF) funds to cover summer youth employment activities and services for youth with barriers to employment, particularly those youth whose families are receiving cash and or free or reduced lunch.

The SYIP will provide participants ages 15-18 with 30 hours of work per week and a wage subsidy of $1,237.50 over a five week period. In addition to receiving a wage subsidy, participants will earn high school course credits and be given an opportunity to earn college credits. The wage subsidy will consist of the following:

- $112 within the first week of the internship to cover transportation and other incidental expenses to help remove barriers that may prohibit participation; and
- Two subsequent payments of $567.50 each.

These funds will be distributed via direct deposit through collaboration with the South Florida Educational Federal Credit Union and the Foundation for New Initiatives, Inc.

The internships will assist youth in obtaining needed skills while gaining a better understanding of the workplace by linking participants to employers that will provide work experience and career advice.

The SYIP recruitment will begin in April 2019 and the program will end in September 2019.

In the following procurement process of Miami-Dade County Administrative Order No. 3-38, it is recommended that the SFWIB waive the competitive procurement as it recommended by the Executive Director that this is in the best interest of the SFWIB. The Monroe County Sheriff’s Office (MCSO) is an agency responsible for providing law enforcement and correctional facilities from Key Largo to Key West. The MCSO has a deep water recovery dive team, SWAT team, Bomb Squad, Crisis Intervention team, and is also responsible for staffing and maintaining the county’s only fleet of air ambulances.

The MCSO is facing a severe staffing shortage due to the high cost of housing. The shortage of affordable housing has resulted in failed attempts to recruit certified deputies from other areas of the State. As such, the MCSO is refocusing its recruitment strategy on offering training assistance to qualified local residents; and in doing so MCSO is creating a law enforcement career pathway in Monroe County that will help appeal to local residents.

Florida Keys Community College will deliver training to seven of its 528 employees, and will focus on the following:

- Basic Law Enforcement Academy (BLE 72) – course prepares students to meet requirements of the Florida Department of Law Enforcement (FDLE) and the Criminal Justice Standards and Training Commission (CJSTC). Trainees will also be taught the code of ethics, statutory authority of the FDLE CJSTC, investigation knowledge and skills, knowledge of use of force and traffic control and direction.

RECOMMENDATION: The Global Talent and Competitiveness Council recommends to the Board to Ratify the approval to allocate an amount not to exceed $15,502 in WIOA Youth Funds to Contract with Cuban American National Council, as set forth below.

STRATEGIC GOAL: DEDICATED COMMITMENT TO YOUTH PARTICIPATION

STRATEGIC PROJECT: Emphasize work-based learning and training

BACKGROUND:

On December 13, 2018, the Board approved an allocation of $125,000 in Workforce Innovation and Opportunity Act Youth funding to serve and train 50 youth participants in the Future Bankers Training Camp Program. However, SFWIB staff successfully negotiated a lower cost per participant that will allow an additional 12 participants to participate in the program, which has both a training and internship component.

Although the initial $125,000 in WIOA funds covers the training, an additional $15,502 is needed to cover the wages for the internship component of the program. The additional funds will allow Cuban American National Council to provide an internship for 62 participants instead of the initial 50 participants.

The innovative four week camp provides hands-on experience for future students interested in a financial services career. The camp provides students with the opportunity to enhance their math, communication and financial literacy skills by completing an internship with a financial institution and receiving an industry certification.

Upon completing the program, students are eligible to receive the American Bankers Association (ABA) and America Institute of Banking (AIB) Bank Tellers Certificates. Students who graduate high school are eligible for a Miami-Dade College (MDC) Vocational Certificate, which allows them to work towards an Associate of Science degree in Financial Services.

RECOMMENDATION: The Global Talent and Competitiveness Council recommends to the Board to Ratify the approval of Training Vendor Agreements with the Training Vendors that are represented on the Board, as set forth below.

STRATEGIC GOAL: HIGH ROI THROUGH CONTINUOUS IMPROVEMENT

STRATEGIC PROJECT: Improve credential outcomes for job seekers

BACKGROUND:

CareerSource Florida Contracting Policy prohibits the use of state or federal funds by a regional workforce board for any contract exceeding $25,000 between a regional workforce board and a member of that board that has any relationship with the contracting vendor, unless the Department of Economic Opportunity (DEO) and CareerSource Florida has reviewed the contract.

The Global Talent Competitiveness Council recommends to the Board the approval of Training Vendor Agreements with the following Training Vendors that are represented on the Board:

- Florida National University, Inc. (FL National)
- The District Board of Trustees of Miami Dade College (MDC)
- Miami-Dade County Public Schools (M-DCPS)
- The Academy of South Florida, Inc. (The Academy)

The policy does not exclude agreements with training/educational institutions that regional workforce boards enter into with a training/educational institution included on the local eligible training provider list and for which eligible applicants choose from when selecting a training/educational provider. Accordingly, the Training Vendor Agreements between the SFWIB and FL National, MDC, M-DCPS, and The Academy are subject to the two-thirds vote requirement and will be submitted to DEO and CareerSource Florida for review.

AGENDA ITEM SUBJECT: URBAN POTENTIAL (UP) LABS PILOT PROGRAM

AGENDA ITEM TYPE: APPROVAL

RECOMMENDATION: The Executive Committee recommends to the Board to Ratify the approval to allocate an amount not to exceed $189,016.00 in WIOA Funds to Contract with Florida International University for the Urban Potential Laboratory (UP Labs) Pilot, as set forth below.

STRATEGIC GOAL: DEDICATED COMMITMENT TO YOUTH PARTICIPATION

STRATEGIC PROJECT: Emphasize work-based learning and training

BACKGROUND:

The Urban Potential Laboratory (UP Labs), is an innovative education and job training program established by Florida International University (FIU), in partnership with JP Morgan Chase, to engage non-traditional and Pell eligible learners in a series of competency-based and experiential learning. Through the UP Labs, FIU will provide training services to low-income, at-risk high-school graduates and university students ages 18-65.

Participants will have the opportunity to gain skills and work experience for industry-specific middle-skills jobs in health care and construction management. Participating employers will identify high-demand jobs and work collaboratively with FIU staff and faculty from the appropriate college to develop learning labs around workforce skills development.

Each learning lab will focus on one of the following program components:

1. Academic: College-level courses in basic skills
2. Technical: Competency-based training
3. Emotional Intelligence: Soft-skills development
4. Experiential: Internships/Apprenticeships/Co-ops

For the Academic component, FIU will employ student learning assistants from the FIU STEM Transformation Institute to reteach fundamental courses to UP Labs participants. FIU’s undergraduate-led Learning Assistants Program is now the largest in the country, with learning assistants engaged in peer teaching in more than 150 courses in mathematics, chemistry, earth, and the environment. Through participation in UP Labs, FIU’s Learning Assistants develop new competencies as educators of adult learners.
The experiential component of the program provides participants with stipends via apprenticeships or on-the-job training (OJT) at FIU and partner sites. Participants will have access to FIU’s counseling support services, financial literacy programs, and other trainings meant to ensure student learners stay on track to employability beyond the basic technical skills.

Some learning labs overlap while others will run sequentially. An UP Labs series runs between 13-14 weeks during a semester. Participants will receive a job-readiness certificate upon successfully completing the series, and paid internship or full-time job employment with participating employers.

The SFWIB was requested by FIU to provide student learner stipends in the Health Care and Construction Management industries. The cost breakdown is as follows:

AGENDA ITEM SUBJECT: SUMMER YOUTH INTERNSHIP PROGRAM UPDATE

AGENDA ITEM TYPE: INFORMATIONAL

STRATEGIC GOAL: DEDICATED COMMITMENT TO YOUTH PARTICIPATION

STRATEGIC PROJECT: Joint contribution for youth career pathway models

BACKGROUND:

The Together for Children Youth initiative includes a partnership with Miami-Dade County, The Children’s Trust, Royal Caribbean Cruise Line, JP Morgan Chase, Miami Dade County Public Schools (The School Board), the Foundation for New Education Initiatives, Inc., and the SFWIB. The initiative launched a Summer Youth Internship Program (SYIP) to provide employment opportunities to South Florida’s future workforce, while decreasing crime within Miami-Dade County.

Together for Children is a coalition of government, education, business, law enforcement, justice, and funding entities that have joined together to leverage resources that promote youth safety and addresses the root cause of breaking the cycle of youth violence plaguing communities. The coalition of partners recruited a total of 3,896 youth for the 2019 SYIP.

The following is an update for the 2019 SYIP:

- Of the youth that were eligible and applied to the internship program, 3,055 were enrolled.
- Of the 3,055 youth enrolled in the program, 900 were served through the SFWIB’s investment.
- The program intentionally recruited participants from high-risk populations. Of those enrolled in the program from this group, 80% (2,456) qualified for free/reduced lunch and 8% (258) were youth with disabilities.
- All participants that completed the program earned high school credits.

The program awarded over $4 million in program stipends to interns, with 85% of the funding for the stipends provided by Miami-Dade County, The Children’s Trust and the SFWIB.
The SFWIB invested $1.5 million in Temporary Assistance for the Needy Families (TANF) funds to cover summer youth employment activities and services for youth with barriers to employment, particularly those youth whose families are receiving cash assistance and/or free or reduced lunch.

The SYIP provided participants, ages 15-18, with 30 hours of work per week and a wage subsidy of $1,369 over a period of five weeks. In addition, participants earned high school course credits and were given an opportunity to earn college credits.

The wage subsidy consisted of the following:

- $100 during the first week of the internship to cover transportation and other incidental expenses to help remove barriers that could have prohibited participation; and
- Two subsequent payments of $634.50 each.

These funds were distributed via direct deposit through collaboration with the South Florida Educational Federal Credit Union and the Foundation for New Education Initiatives, Inc.

The program was designed to provide youth participants with entry-level positions with local businesses, the private sector and community-based organizations. The internships assisted youth in obtaining needed skills while gaining a better understanding of the workplace by linking participants to employers who provided work experience and career advice.

STRATEGIC GOAL: DEDICATED COMMITMENT TO YOUTH PARTICIPATION

STRATEGIC PROJECT: Joint contribution for youth career pathway models

BACKGROUND:

On May 15, 2019, the Rolling Crest Lake (RCL) Home Owners Association (HOA) contacted the City of Miami Gardens with a request to expand the City’s Summer Youth Employment Program (SYEP). The South Florida Workforce Investment Board (SFWIB) is contracted to manage the City of Miami Gardens SYEP, as such the City contacted SFWIB staff for assistance regarding the request.

In an effort to expose more youth in Miami Gardens, specifically in the RCL neighborhood, the HOA donated $55,000 to the SFWIB to expand the SYEP. The donation will be used to provide funding for the 2019 SYEP for youth ages 15-18, in and around the City of Miami Gardens neighborhoods of Rolling Oaks, Crestview and Lake Lucerne. As a result of the generous donation, a total of 32 youth will participate in the 2019 SYEP from July 11, 2019 through August 18, 2019.

Adult Mankind Organization will be responsible for administering the program, which includes payroll, recruitment, job placement, and work readiness training for the youth participants.

Tate Florida Prepaid College Foundation, Inc. in the amount of $498,429.12 in Temporary Assistance for Needy Families funds, and to allocate the plans, as set forth below.

STRATEGIC GOAL: DEDICATED COMMITMENT TO YOUTH PARTICIPATION

STRATEGIC PROJECT: Joint contribution for youth career pathway models

BACKGROUND:

On June 24, 2019, CareerSource South Florida (CSSF) hosted its first graduation for the students who completed the Miami-Dade County Youth Pre-Apprenticeship Program. As part of their success in the program, 57 of the 72 graduates have elected to attend a Florida college or university. In support of the student’s efforts to continue their educational journey, SFWIB staff recommends to the Executive Committee to recommend to the Board the purchase of scholarships for the 2019 graduates of the Youth Pre-Apprenticeship program.

The Stanley G. Tate Florida Prepaid College Foundation, Inc., authorized by the Florida legislature in 1989, is a partnership between state government and the private sector. The Foundation, a 501(c)(3) direct support organization for the Florida Prepaid College Board, administers the Stanley Tate Project STARS Scholarship Program. The program is designed to provide prepaid postsecondary tuition scholarships to low-income students who are at risk of dropping out of school and may not otherwise be able to afford a college education.

Once selected, the student must abide by their school’s code of conduct, meet with a mentor on a regular basis, remain drug and crime free, and maintain passing grades. The allocation of the Florida Prepaid College plans is outlined in the attached document.

Big Brothers Big Sisters/TSIC will continue to manage the scholarship program and serve as the administrator and fiscal agent for the allocated scholarships. The organization will be responsible for case management, student retention and tracking while students are enrolled in a post-secondary institution.
In following the procurement process of Miami-Dade County, Administrative Order No. 3-38, it is recommended that the SFWIB waive the competitive procurement as it is recommended by the Executive Director that this is in the best interest of the SFWIB. A two-thirds vote of a quorum present is required to waive the competitive procurement process and award an allocation not to exceed $498,429.12 in Temporary Assistance for Needy Families funds for the Stanley G. The Global Talent and Competitiveness Council recommends to the Board to authorize staff to negotiate a contract with Workforce Services RFP respondents based on available funding, as set forth below.

**STRATEGIC GOAL:** STRENGTHEN THE ONE-STOP DELIVERY SYSTEM

**STRATEGIC PROJECT:** Improve service delivery outcomes

**BACKGROUND:**

At its February 21, 2019 meeting, the SFWIB approved the Global Talent and Competitiveness Council’s recommendation to authorize staff to release a Request for Proposals (RFP) for Workforce Services for the program year beginning July 1, 2019.

Staff released a Workforce Services RFP to the public on May 15, 2019, soliciting proposals from organizations capable of providing Workforce Services within Local Workforce Development Area 23. A total of three organizations responded by the prescribed deadline. One respondent failed to adhere to the instructions outlined in the RFP, thus the response was deemed non-responsive and eliminated from the competitive procurement process.

The proposals submitted were evaluated based on the criteria detailed in the RFP. A Public Review Forum was held on July 11, 2019 wherein the respondents’ preliminary scores were disclosed. The attached table indicates the results of the Public Review Forum.

The Global Talent and Competitiveness Council recommends to the Board the authorization for staff to negotiate contracts with the Workforce Services RFP respondent(s) that have met a minimum point of 70-point threshold, and have met the due diligence and other requirements for the location(s) requested, based on available funding.
Respondents that satisfied the 70-point threshold, but did not meet due diligence, a contract award is contingent upon the respondent meeting the required due diligence. Respondents will have the opportunity to provide documentation to the SFWIB Office of Continuous Improvement to meet the due diligence requirement.

AGENDA ITEM SUBJECT: EMPLOYED WORKER TRAINING (EWT) APPLICATION FOR MONROE COUNTY SHERIFFS OFFICE

AGENDA ITEM TYPE: APPROVAL

RECOMMENDATION: The Global Talent and Competitiveness Council recommends to the Board the approval of an Employed Worker Training grant for the Monroe County Sheriff’s Department in an amount not to exceed $6,300 in Workforce Innovation and Opportunity Act Adult funds, as set forth below.

STRATEGIC GOAL: BUILD DEMAND-DRIVEN SYSTEM W/ EMPLOYER ENGAGEMENT

STRATEGIC PROJECT: Emphasize work-based learning and training

BACKGROUND:

The Monroe County Sheriff’s Office (MCSO) is an agency, responsible for providing law enforcement and correctional facilities from Key Largo to Key West. The Monroe County Sheriff’s Office has a deep water recovery dive team, SWAT team, Bomb Squad and a Crisis Intervention team, and is also responsible for staffing and maintaining the county’s only fleet of air ambulances.

The MCSO is facing a severe staffing shortage due to the high cost of housing. The lack of affordable housing has resulted in failed attempts to recruit certified deputies from other areas of the state. As such, MCSO is refocusing its recruitment strategy on offering training assistance to qualified local residents; and in doing so MCSO is creating a law enforcement career pathway in Monroe County that will help appeal to local residents.

Florida Keys Community College will deliver training to four of its 528 employees, and will focus on the following:

- Correctional Basic Recruit Training Academy (COT 56) - course prepares students to meet the requirements of the Florida Department of Law Enforcement (FDLE), Criminal Justice Standards and Training Commission (CJSTC). Trainees will be learning taught intro to corrections, officer safety intake and release, supervising a correctional facility, and supervising special populations.

Agenda Item Subject: Take Stock In Children Scholarship Program

Agenda Item Type: Approval

Recommendation: The Global Talent and Competitiveness Council recommends to the Board the approval to allocate an amount not to exceed $250,000 in Temporary Assistance for Needy Families funds to Big Brother Big Sisters of Miami, Inc. for Take Stock in Children (TSIC) administration, as set forth below.

Strategic Goal: Dedicated commitment to youth participation

Strategic Project: Joint contribution for youth career pathway models

Background:

On June 25, 2019, the South Florida Workforce Investment Board (SFWIB) approved an allocation of $1,695,474.98 in Temporary Assistance for Needy Families (TANF) funds to purchase sixty (60), 4-year Florida Prepaid College Plans for the Take Stock in Children (TSIC) program. An additional allocation of $498,412 was approved to purchase fifty-seven (57) 2-year Florida College Plan Scholarships and two (2) 4-year Florida Prepaid College Plans for the graduates of the Miami-Dade County Youth Pre-Apprenticeship Program. However, the aforementioned allocations did not include administrative costs for the program.

Take Stock in Children, Inc. works with economically disadvantaged youth and their families. The program’s main mission is to keep youth in school and offer scholarships to those who successfully complete high school.

In the past, the scholarship program was managed by TSIC, however, TSIC entered into a collaborative partnership with Big Brothers Big Sisters of Miami, Inc. (BBBS-Miami) through a lead agency agreement in July 2018. BBBS-Miami will serve as the administrator and fiscal agent for all of the agencies that have been allocated scholarships. BBBS-Miami will provide management and administrative services on behalf of TSIC for the Florida Prepaid College plans purchased by the SFWIB. A total of 494 Florida Prepaid College plans are managed by TSIC.

There are a total of 669 participants utilizing their assigned prepaid college plan for post-secondary education. Additionally, 144 Florida Prepaid College participants are in high schools and will utilize the assigned plans in 2020.
There are a total of five participating agencies. Each agency is responsible for program implementation and case management and will work together to keep youth in-school and offer scholarships to those who successfully complete high school. The agencies also provide educational, social and mentoring services to youth who are classified as at-risk and are not likely to enroll in a post-secondary institution. In order to ensure youth receive multiple services offered by each agency and BBBS-Miami, youth will participate in dual activities with the respective agencies.

In following the procurement process of Miami-Dade County, Administrative Order No.:3-38, it is recommended that the SFWIB waive the competitive procurement as it is recommended by the Executive Director that this is in the best interests of the SFWIB. A two-thirds vote of the quorum present is required to waive the competitive procurement process and award an allocation not to exceed $250,000 in Temporary Assistance to Needy Families funding to Big Brothers Big Sisters of Miami, Inc. for the programmatic and administrative cost of the Take Stock in Children Scholarship Program.

RECOMMENDATION: The Global Talent and Competitiveness Council recommends to the Board the approval to allocate an amount not to exceed $250,000 in WIOA Youth funds to Miami-Dade County Public Schools for the Miami-Dade Youth Pre-Apprenticeship Career and Technical Training Initiative, as set forth below.

STRATEGIC GOAL: DEDICATED COMMITMENT TO YOUTH PARTICIPATION

STRATEGIC PROJECT: Joint contribution for youth career pathway models

BACKGROUND:

At its August 17, 2018 meeting, the South Florida Workforce Investment Board (SFWIB) approved to expand the Miami-Dade Youth Pre-Apprenticeship Career and Technical Training Program. The pre-apprenticeship training is a twenty-three month specialized program that targeted Workforce Innovation and Opportunity Act (WIOA) eligible Miami-Dade County Public Schools (M-DCPS) 11th and 12th grade students in four M-DCPS throughout Miami Dade County. The program is designed to fill the employment gap by exposing students to the various trades.

During the first year of the program, 11th graders were to complete 150 classroom-training hours. The second year, 12th graders will complete an additional 150 classroom-training hours in one of the Pre-Apprenticeship program trades. First year students will be given the opportunity to participate in a paid pre-apprenticeship summer internship to help expose them to the various trades. Once completed, the 150 hours will count towards the 300 total program completion hours in their 12th grade year.

Through this collaborative partnership between the SFWIB and M-DCPS, 72 seniors successfully completed the program. Of the total 12th class graduates, seven are applying to a registered apprenticeship program, eight have obtained employment and 57 will attend college on a 2-year Florida Prepaid Scholarship.

In order to further expose youth to the pre-apprenticeship opportunities, SFWIB staff is requesting to continue the initiative to include an additional 23-month program. The cost breakdown is as follows:
For the 2019-2020 program year, the SFWIB and M-DCPS will provide up to 176 participating students with a network of resources that offers a unique pathway into employment.

In following the procurement process of Miami-Dade County, Administrative Order No.:3-38, it is recommended that SFWIB waive the competitive procurement as it is recommended by the Executive Director that this is in the best interests of the SFWIB. The Global Talent and Competitiveness Council recommends to the Board the approval to allocate an amount not to exceed $87,300 in WIOA Youth funds to Monroe County Public Schools for the Marathon High School Fire Academy Training Program, as set forth below.

**STRATEGIC GOAL:** DEDICATED COMMITMENT TO YOUTH PARTICIPATION

**STRATEGIC PROJECT:** Joint contribution for youth career pathway models

**BACKGROUND:**

The Marathon Fire Department in partnership with Monroe County Schools (Marathon High School) have developed a 2-year Fire Academy Training program that train students in the 11th grade to become future firefighters during their final years of high school. The training provides students the opportunity to work towards a career to become a Fire Fighter I and First Responder, while completing their high school diploma.

The goal of the Fire Academy is to create a pipeline that channels students into rewarding careers in public safety in Marathon and Monroe County. Students arrive at the fire station each school day and spend two class periods learning from certified instructors at the Fire Department. Thereafter, cadets return to Marathon High School to finish the remainder of the day attending regular classes. The initiative allows the Marathon Fire Department to develop employees who can spend their entire career with the department as valuable, hard working men and women.

Training costs include the student's physical examinations/drug screening, orientation, agility tests, CPR and EMT training, equipment/uniforms (e.g., bunker gear, boots, badges, and shoes), partial classroom training/instructor costs, and other intangible/incidentals (e.g., transportation, training books, and materials). This program will serve Marathon High School students. Monroe County Schools and the Marathon Fire Department are partnering to provide or match in-kind services for up to 12 students. Upon successfully completing the Fire Academy, students will receive a Certificate of Firefighter I, which enables them to enter into an academy in the State of Florida to become a fully licensed firefighter.
In following the procurement process of Miami-Dade County, Administrative Order No. 3-38, it is recommend that SFWIB waive the competitive procurement as it is recommended by the Executive Director that this is in best interest of the SFWIB.
