On June 18, 2020, in response to the Novel Coronavirus Disease (COVID-19) pandemic national emergency, the South Florida Workforce Investment Board (SFWIB) approved a temporary distance education waiver for all approved training providers. The initial waiver was issued on March 26, 2020 by the Florida Department of Education Commission for Independent Education (CIE). An updated emergency order that extended the distance education waiver until July 29, 2020, was issued on May 15, 2020 to allow all licensed training providers to offer programs virtually.

The COVID-19 waiver allows all training providers to offer distance learning, including those who were not previously approved to offer programs virtually. Current participants were moved from an on-campus, in-person teaching format to a temporary online format to continue their training. Training providers who enroll or recruit new students during the pandemic must provide full disclosure to the student, and in any advertisements, that the online format will cease at the end of the temporary approval period. Only theory courses can be temporarily delivered online. Clinicals, practicums and externship experiences must be provided in person.

Training providers are also required to inform current and prospective students that the remainder of the time left in the training program will revert to in-person teaching on campus once the approval period ends. Training providers who would like to continue offering training programs virtually after the temporary approval has ended must submit a formal application for distance education to the CIE.

On July 13, 2020, the CIE sent all training providers an updated emergency order that extends the current distance education waiver until September 30, 2020. The CIE will reassess the need to extend the deadline further at a later date.

AGENDA ITEM NUMBER: 4

AGENDA ITEM SUBJECT: WIOA RETENTION PAYMENT ALLOCATIONS

AGENDA ITEM TYPE: APPROVAL

RECOMMENDATION: SFWIB staff recommends to the Global Talent and Competitiveness Council to recommend to the Board the approval to allocate an amount not to exceed $6,750.00 in Workforce Innovation and Opportunity Act Adult and Dislocated funding for retention payments, as set forth below.

STRATEGIC GOAL: HIGH ROI THROUGH CONTINUOUS IMPROVEMENT

STRATEGIC PROJECT: Enhance CSSF Performance System

BACKGROUND:

At the December 14, 2017 meeting, the South Florida Workforce Investment Board (SFWIB) approved the recommendation to authorized staff to modify Workforce Services contracts to allow retention payments to service providers for each Workforce Innovation and Opportunity Act (WIOA) participants employed or who earned wages during the second and fourth quarters after exiting the system.

The WIOA established performance indicators and reporting requirements to assess the Local Workforce Development Board’s (LWDB) effectiveness in serving individuals participating in the workforce development system. The second and fourth quarters after exit are two of the primary performance indicators the State uses to measure the LWDB’s employment retention rate. The two measures indicate the number of WIOA participants who obtained employment, exited the system and are either still employed or earned wages in the two quarters following their exit from the system.

In an effort to meet and exceed established WIOA primary performance indicators, SFWIB staff is requesting authorization to allocate retention payments to incentivize service providers to track employment retention, update information on the gainfully employed and reengage job seekers in need of additional services. The SFWIB operated CareerSource centers are not eligible to receive retention payments.

AGENDA ITEM SUBJECT:  MIAMI-DADE COUNTY PUBLIC SCHOOLS YOUTH PRE-APPRENTICESHIP CAREER AND TECHNICAL TRAINING PROGRAM

AGENDA ITEM TYPE:  APPROVAL

RECOMMENDATION:  SFWIB staff recommends to the Global Talent and Competitiveness Council to recommend to the Board the approval to allocate an amount not to exceed $250,000 in WIOA Youth funds to Miami-Dade County Public Schools for the Miami-Dade Youth Pre-Apprenticeship Career and Technical Training Initiative, as set forth below.

STRATEGIC GOAL:  DEDICATED COMMITMENT TO YOUTH PARTICIPATION

STRATEGIC PROJECT:  Joint Contribution for Youth Career Pathway Models

BACKGROUND:

At its August 17, 2018 meeting, the South Florida Workforce Investment Board (SFWIB) approved to expand the Miami-Dade Youth Pre-Apprenticeship Career and Technical Training Program. The pre-apprenticeship training is a twenty-three month specialized program that targets Workforce Innovation and Opportunity Act (WIOA) eligible Miami-Dade County Public Schools (M-DCPS) 11th and 12th grade students in four M-DCPS throughout Miami Dade County. The program is designed to fill the employment gap by exposing students to the various trades. During the first year of the program, 11th graders were to complete 150 classroom-training hours. The second year, 12th graders will complete an additional 150 classroom-training hours in one of the Pre-Apprenticeship program trades. First year students will be given the opportunity to participate in a paid pre-apprenticeship summer internship to help expose them to the various trades. Once completed, the 150 hours will count towards the 300 total program completion hours in their 12th grade year.

Through this collaborative partnership between the SFWIB and M-DCPS, 38 seniors successfully completed the program. Of the total 12th class graduates, eight are applying to a registered apprenticeship program, one has obtained employment, four will enter the military and thirty-five will attend college.

In order to further expose youth to pre-apprenticeship opportunities, SFWIB staff is requesting to continue the initiative to include an additional 23-month program. The cost breakdown is as follows:

For the 2020-2021 program year, the SFWIB and M-DCPS will provide up to 194 participating students with a network of resources that offers a unique pathway into employment.

In following the procurement process of Miami-Dade County, Administrative Order No. 3-38, it is recommended that SFWIB waive the competitive procurement as it is recommended by the Executive Director that this is in the best interests of the SFWIB. A two-thirds (2/3) vote of the quorum present is required to waive the competitive procurement process and award an allocation not to exceed $250,000 in Workforce Innovation and Opportunity Youth funds to Miami-Dade County Public Schools for the Miami-Dade Youth Pre-Apprenticeship Career and Technical Training initiative.

AGENDA ITEM SUBJECT: MARATHON FIRE ACADEMY TRAINING PROGRAM

AGENDA ITEM TYPE: APPROVAL

RECOMMENDATION: SFWIB staff recommends to the Global Talent and Competitiveness Council to recommend to the Board the approval to allocate an amount not to exceed $90,000 in WIOA Youth funds to Monroe County Public Schools for the Marathon High School Fire Academy Training Program, as set forth below.

STRATEGIC GOAL: DEDICATED COMMITMENT TO YOUTH PARTICIPATION

STRATEGIC PROJECT: Joint Contribution for Youth Career Pathway Models

BACKGROUND:

The Marathon Fire Department in partnership with Monroe County Schools (Marathon High School) developed a two-year Fire Academy Training program that trains students in the 11th grade to become future firefighters during their final years of high school. The training provides students the opportunity to work towards a career to become a Fire Fighter I and First Responder, while completing their high school diploma.

The goal of the Fire Academy is to create a pipeline that channels students into rewarding careers in public safety in Marathon and Monroe County. Students arrive at the fire station each school day and spend two class periods learning from certified instructors at the Fire Department. Thereafter, cadets return to Marathon High School to finish the remainder of the day attending regular classes. The initiative allows the Marathon Fire Department to develop employees who can spend their entire career with the department as valuable, hard working men and women.

Training costs include the student's physical examinations/drug screening, orientation, agility tests, CPR and EMT training, equipment/uniforms (e.g., bunker gear, boots, badges, and shoes), partial classroom training/instructor costs, and other intangible/incidentals (e.g., transportation, training books, and materials). This program will serve Monroe County School students. Monroe County Schools and the Marathon Fire Department are partnering to provide or match in-kind services for up to 12 students.

Upon successfully completing the Fire Academy, students will receive a Certificate of Firefighter I, which enables them to enter into an academy in the State of Florida to become a fully licensed firefighter.
In following the procurement process of Miami-Dade County, Administrative Order No. 3-38, it is recommend that SFWIB waive the competitive procurement as it is recommended by the Executive Director that this is in best interest of the SFWIB. A two-thirds (2/3) vote of a quorum present is required to waive the competitive procurement process and award Monroe County Public Schools an allocation not to exceed $90,000 in Workforce Innovation and Opportunity Act (WIOA) Youth funds for the Fire Academy Training Program.

AGENDA ITEM SUBJECT: TAKE STOCK IN CHILDREN SCHOLARSHIP PROGRAM

AGENDA ITEM TYPE: APPROVAL

RECOMMENDATION: SFWIB staff recommends to the Global Talent and Competitiveness Council to recommend to the Board the approval to allocate an amount not to exceed $250,000 in Temporary Assistance for Needy Families funds to Big Brother Big Sisters of Miami, Inc. for Take Stock in Children (TSIC) administration, as set forth below.

STRATEGIC GOAL: DEDICATED COMMITMENT TO YOUTH PARTICIPATION

STRATEGIC PROJECT: Joint Contribution for Youth Career Pathway Models

BACKGROUND:

On June 18, 2020, the South Florida Workforce Investment Board (SFWIB) approved an allocation of $982,683.80 in Temporary Assistance for Needy Families (TANF) funds to purchase thirty-five (35), 4-year Florida Prepaid College Plans for the Take Stock in Children (TSIC) program. However, the aforementioned allocations did not include administrative costs for the program.

Take Stock in Children, Inc. works with economically disadvantaged youth and their families. The program’s main mission is to keep youth in school and offer scholarships to those who successfully complete high school.

In the past, the scholarship program was managed by TSIC, however, TSIC entered into a collaborative partnership with Big Brothers Big Sisters of Miami, Inc. (BBBS-Miami) through a lead agency agreement in July 2018. BBBS-Miami will serve as the administrator and fiscal agent for all of the agencies that have been allocated scholarships. BBBS-Miami will provide management and administrative services on behalf of TSIC for the Florida Prepaid College plans purchased by the SFWIB.

There are a total of six participating agencies. Each agency is responsible for program implementation and case management and will work together to keep youth in-school and offer scholarships to those who successfully complete high school. The agencies also provide educational, social and mentoring services to youth who are classified as at-risk and are not likely to enroll in a post-secondary institution. In order to ensure youth receive multiple services offered by each agency and BBBS-Miami, youth will participate in dual activities with the respective agencies.
In following the procurement process of Miami-Dade County, Administrative Order No.:3-38, it is recommended that the SFWIB waive the competitive procurement as it is recommended by the Executive Director that this is in the best interests of the SFWIB. A two-thirds (2/3) vote of the quorum present is required to waive the competitive procurement process and award an allocation not to exceed $250,000 in Temporary Assistance to Needy Families funding to Big Brothers Big Sisters of Miami, Inc. for the programmatic and administrative cost of the Take Stock in Children Scholarship Program.
