#### 3. Chairman's Report/Executive Committee Update

During the September 14th Executive Committee meeting, staff provided a demonstration two new tools, the Performance Indicator Tool and Automated Monitoring Tool.

The Performance Indicator Tool monitors our WIOA Performance Indicators in real-time, allowing AJC staff to detect cases with missing employment data every quarter and complete follow-ups. Staff can also closely monitor all 18 needed performance parameters and service efficiency with the program.

The Automated Monitoring Tool (AMT) helps the board achieve the Strategic Goal of Strengthening the One-Stop Delivery System. The tool displays each workforce program's caseload and error rates using the Florida Department of Commerce's programmatic monitoring tool. It also allows users to review and resolve issues with specific cases, thereby lowering error rates. Finally, the tool provides reports to assess performance and trends.

Finally, the Committee addressed staff modifications to certain 2020-2024 Strategic Goals Operational Plan strategic goals. The committee evaluated a summary of revisions and made suggestions. The agenda packet has details for review. The Committee considered conducting a Strategic Planning Retreat before the February 2024 Board meeting to establish the 2024-2028 plan.

No further questions or comments were presented. Item closed.

In absence of the Finance and Efficiency (FEC) Chairman, Mr. Tom Roth, Chairman Gibson reviewed the FEC Summary, which provided an overview of items discussed during Executive Committee meetings held on Thursday, July 13 and August 3, 2023.

During this morning's FEC meeting, members reviewed and discussed the financial report for the period ending August 31, 2023. The first 2 months of the new fiscal year seems to be following the historical trend for the period. The budget variances discussed reflects that headquarters expenses are running at 13.1%, adult services are at 11.1% and youth services are at 8.6%. The facilities expenditures are at 11.6% and some of the other programs and projects are at 6.6%.

The cash reconciliation report for August and September 2023 was reviewed and appeared to be in alignment.

Following a review of finances, the Council discussed the Fiscal Monitoring Activity Report for August 1 through September 30, 2023. The College of the Florida Keys was the only one fiscal review was completed and resulted in six findings, which resulted in \$8,521.08 in disallowed costs. Additional information regarding the disallowed costs are detailed in the report, which is in your agenda packets.

OMB reviews were completed for Community Coalition, Lutheran Services, and College of the Florida Keys. Final management decision letters, indicating zero findings, were issued for all three organizations.

Lastly, there were two Plans of Corrective Actions (POCA) reviewed and accepted for Miami Dade College and College of the Florida Keys.

The acceptance of additional workforce system funding in the amount of \$978,617.67 was discussed; details are available in your agenda packet.

The Council finished by discussing the Florida Department of Commerce 2023-2024 Internal Control Questionnaire and Assessment, a state requirement that enables workforce boards to assess internal controls and management's goals. More information will available when "Action Items" are discussed later in the agenda.

No questions or comments were presented. Item closed.

#### 7. Global Talent and Competiveness Council Update

Chairwoman Ferradaz reviewed the Global Talent and Competiveness Council Summary, which provided an overview of items discussed during this morning's meeting.

Members had an opportunity to share in the Summer Youth Internship Program presentation from Dr. Lupe Diaz of Miami Dade County Public Schools. Members appreciated hearing about the many accomplishments achieved throughout the last eight years.

Following the presentation, the Council discussed the allocation of funds for the 2024 Summer Youth Internship Program, which will allow the board to increase the number of youth served to up to 1,250 participants.

The Council has recommended two action items for approval by consensus of those members present:

- Adding SOC codes and occupations for Home Appliance Repair and Preschool Teachers to the TOL.
- Allocating up to \$50,000 in WIOA Youth Funds to Adults Mankind to hire a youth program worker that will be responsible for providing services onsite at His House Children's Home.

More information will be shared with the Board during the "Action Items" portion of the agenda.

No questions or comments were presented. Item closed.

#### 8. Performance Council Update

Chairwoman Canales reviewed the Performance Council Summary, which provided an overview of items discussed during this morning's meeting.

We reviewed the latest performance metrics using the new common measurements tool. Your agenda packet provides details, however, the board has met or surpassed 17 of 18 measures. Please note that our performance is judged in the 2nd and 4th quarters; yellow boxes indicate areas to focus on before the next performance period.

Staff has introduced a number of enhancements to improve on these measures, primarily focused on greater documentation on closed cases, Work Number verification updates, monthly feedback reporting for management, and monthly technical support training for all AJC staff. Members also saw a live version of the Common Measures Tool, which demonstrated how AJCs could use it to conserve time and enhance service.

The Workforce Services Balance Scorecard providing an overview of participants placed through September 30, 2023, reflects 2,154 participants have been placed in unsubsidized employment and four of the nine AJC locations achieved the required 65 percent performance measures standard.

Additionally, new guidelines such as those detailed in the self-attestation and self-sufficiency policies will continue to be implemented by SFWIB staff to help AJCs increase the number of individuals served.

During the council meeting, several creative approaches were discussed to ensure the fulfillment of the previously stated goals for the program year 2023-24. One of these strategies entails organizing a focus group comprising staff from each program. By targeting specific areas for service delivery improvement, we will be better able to comply with performance measures set by federal, state, and local governing bodies. Staff will also use Common Measures Tool for the balanced scorecard employment report projections for the 1st, 2nd, 3rd and 4th quarters after exist.

The Youth Balance Scorecard showed that In-School Youth Programs exceeded the enrollment standard by enrolling 206 participants and the Out-of-School Youth (OSY) program's enrollment performance is on target to meet its goal by the third quarter, which ends on March 31, 2024.

Staff has enhanced oversight and performance management for the current program year and revised the scorecard to correspond with the WIOA-negotiated primary performance indicators to ensure that the youth service providers meet their performance objectives.

Finally, the Council reviewed the Consumer Report Card, which indicates that 40 of the 42 individuals who registered for training throughout the current period have successfully finished the program. Ten of the thirteen individuals who are employed after completing their program do so in the field in which they were trained. The collaboration between the service and training providers is aimed at securing unsubsidized employment for the two remaining participants.

The agenda packet contains full details about the wages generated because of our programs, the average cost of training, and the return on investment.

Mr. Beasley provided additional details regarding the implemented tools and the progress made thus far by the staff. There was further discussion.

No questions or comments were presented. Item closed.

AGENDA ITEM SUBJECT: FLORIDA COLLEGE PLAN SCHOLARSHIPS UPDATE

AGENDA ITEM TYPE: APPROVAL

**RECOMMENDATION:** The Global Talent and Competitiveness Council recommends to the Board the approval

to allocate Florida College Plan Scholarships, as set forth below.

STRATEGIC GOAL: DEDICATED COMMITMENT TO YOUTH PARTICIPATION

STRATEGIC PROJECT: Joint contribution for youth career pathway models

#### **BACKGROUND:**

The Stanley G. Tate Florida Prepaid College Foundation, Inc., authorized by the Florida legislature in 1989, is a partnership between state government and the private sector. The Foundation, a 501(c)(3) non-profit direct support organization for the Florida Prepaid College Board, administers the Stanley Tate Project STARS Scholarship Program.

The program is designed to provide prepaid postsecondary tuition scholarships to low-income students who are at risk of dropping out of school and may not otherwise be able to afford a college education. Once selected, the students must abide by their school's code of conduct, meet with a mentor on a regular basis, remain drug and crime free, and maintain passing grades.

At the June, 2023 SFWIB Board Meeting, the board approved the purchase of 275 Florida Pre-paid scholarships in an amount not to exceed \$1,400,000 in Temporary Assistance to Needy Families funding. Seventy-five of those scholarship were going to be 2+2 Florida Plan: 60 lower division credit hours of tuition and local fees at a Florida Public College + 60 credit hours of tuition, tuition differential fee, and local fees at a Florida Public University. The remaining 200 would have been 2-yr Florida College Plan: 60 lower division credit hours of tuition and local fees at a Florida Public College.

Upon further research prior to making the puchase it was descovered that the 2+2 Florida Plan Scholarship were not transferable and if a student did not use the full scholarship the remaining balance would be forfited. As a result of which, staff purchased 186 2-yr Florida College Plan scholarships that are 100 percent transferable to another eligible student. This purchase will ensure that 100 percent of the funding spent is utilized and no funds are forfited.

CSSF staff recommennd tot the Global Talent and Commpetitive Council the proposed Florida College Plan allocation.

**AGENDA ITEM SUBJECT: FUTURE BANKERS TRAINING CAMP PROGRAM** 

**AGENDA ITEM TYPE: APPROVAL** 

**RECOMMENDATION:** The Global Talent and Competitiveness Council recommends to the Board the approval to allocate an amount not to exceed \$125,000 in Workforce Innovation and Opportunity Act Youth funds for the Miami Dade College Future Bankers Training Camp Program, as set forth below.

STRATEGIC GOAL: DEDICATED COMMITMENT TO YOUTH PARTICIPATION

STRATEGIC PROJECT: Joint contribution for youth career pathway models

#### **BACKGROUND:**

The Future Bankers Training Camp (Future Bankers Camp) Program is designed to motivate and tap into the talent of minority students in low income areas and provide them with a promising career path in the financial services industry. Upon completing the program, students are eligible to receive the American Bankers Association (ABA) and America Institute of Banking (AIB) Bank Tellers Certificates. Students that graduate high school are eligible for a Miami-Dade College (MDC) Vocational Certificate, which allows them to work towards an Associate of Science degree in Financial Services. Students may also participate in industry based internships with partnering financial institutions.

The Future Bankers Camp is partnering with the Adults Mankind Organization, Inc.'s (AMOR) youth program to facilitate the recruitment of up to 50 youth participants into the program. This innovative four week camp provides hands-on experience for students interested in a future financial services career. The camp provides up to 50 students with the opportunity to enhance their math, communication and financial literacy skills by completing an internship with a financial institution and receiving an industry certification. The program will take place from July 1, 2024 through July 26, 2024.

The Future Bankers Camp received matching program dollars from various banking institutions for Program Year (PY) 2022-2023 and provided opportunities to students as follows:

PY 22-23 Future Bankers Training Program Outcomes	
# Of Participants	50
# of who completed 150 hours of classroom training	50
# of who participated in an internship	50
# of participants who received the ABA Banker's Teller's Certification	50
# of financial institutes that provided internships	15
# of high schools who participated in the program	28

The Future Bankers Camp is supported by more than 38 local banks and is aligned with the Miami-Dade County Public Schools district's partnership and involvement in the Opportunity Miami formerly known as the One Community One Goal targeted industries implementation plan.

The track for PY 2023-2024 will include teller and customer service training. The customer service track includes a 3-credit class through MDC. Upon successful completion of the camp, students will be eligible to receive the American Bankers Association Bank Teller and Customer Service Representative Certificates. This national industry standard certificate meets the educational requirement for the certification exam offered by the Institute of Certified Bankers. Miami-Dade County Public Schools students enrolled in the Academy of Finance programs are also welcome to participate in the Future Bankers Camp.

In following the procurement process of Miami-Dade County Administrative Order No. 3-38, it is recommended that the SFWIB waive the competitive procurement, as it is recommended by the Executive Director that this is in the best interest of the SFWIB. A two-thirds vote of the quorum present is required to waive the competitive procurement process and award to Miami-Dade College an allocation not to exceed \$125,000 in Workforce Innovation and Opportunity Act (WIOA) Youth funds for the Future Bankers Training Camp Program.

WORK EXPERIENCE FUNDS

AGENDA ITEM TYPE: APPROVAL

**RECOMMENDATION:** The Global Talent and Competitiveness Council recommends to the Board the approval to allocate an amount not to exceed \$17,000 in Workforce Innovation and Opportunity Act Youth funds to Adults Mankind Organization, Inc. (AMO) for the In-School Youth Paid Work Experience Program, as set forth below.

STRATEGIC GOAL: DEDICATED COMMITMENT TO YOUTH PARTICIPATION

STRATEGIC PROJECT: Emphasize work-based learning and training

#### **BACKGROUND:**

Paid Work Experience (PWE) is an essential component of the Workforce Innovation and Opportunity Act (WIOA) In-School Youth Program. It is one of the designated fourteen program elements and provides career exploration into designated career pathways. The South Florida Workforce Investment Board (SFWIB) is required to expend 20 percent of WIOA Youth funding on PWE.

The AMO provides WIOA youth services on behalf of the SFWIB. AMO has exhausted all of the allotted PWE funds for program year 2023-24. As a result, SFWIB staff is requesting an additional \$17,000 in WIOA youth funds to allocate to AMO to provide 14 new participants with 160 hours of PWE at a wage rate of \$13.88 an hour.

STRATEGIC PROJECT: Strengthen workforce system accountability

#### **BACKGROUND:**

South Florida Workforce Investment Board (SFWIB) staff created a Common Measures Tool (CMT) that monitors the negotiated Workforce Innovation and Opportunity Act (WIOA) performance indicators established by the Department of Florida Commerce in real time. The tool provides American Job Center (AJC) staff with the ability to see which cases have exited the system with or without employment using information generated from various employment data sources including the New Hire Report, the Work Number, and the Wage Credit Report. The tool will also allow AJC staff to ensure all follow ups required by federal law have been conducted as the tool identifies cases with incomplete employment data per quarter.

As of November 30, 2023, SFWIB staff has provided an overview of the SFWIB's performance per quarter:

- Quarter 1 (Q1) SFWIB is meeting or exceeding all performance measures.
- Quarter 2 (Q2) SFWIB is meeting or exceeding all measures with the exception of the Youth Education and Employment Rate and the Credential Attainment measures, as both are below the negotiated performance standards. AJC staff need to engage at a minimum 42 individuals regarding the Youth Education and Employment Rate and 27 individuals regarding the Youth Credential Attainment to ensure the SFWIB meets the negiotatied performance measures.
- Quarter 3 (Q3) SFWIB is exceeding all performance measures.
- Quarter 4 (Q4) SFWIB is meeting or exceeding all performance measures with the exception of the Dislocated Worker Credential Attainment measure, as it is below the negotiated performance standard. AJC staff need to engage one individual to ensure SFWIB meets the performance measure.

Based on the information derived from the CMT, AJC staff has begun following up with individuals in Q2 and Q4 performance areas to ensure data is entered properly in order that the SFWIB meets or exceeds the established performance standards. SFWIB staff has identified several strategies to improve performance to ensure all 18 WIOA Indicators of Performance are met, beginning with the implementation of strict follow-up guidelines to ensure each case is properly documented in the Employ Miami-Dade and Employ Monroe systems. The guidelines include:

- The requirement for AJC staff to provide monthly updates regarding the status of follow-up cases;
- Required participation in the hands-on technical assistance SFWIB staff provides regarding the proper documentation of those cases; and
- The implementation of the Work Number verification updates in the CMT to assist with any outstanding employment information which has not been documented.

In addition, SFWIB staff incorporated an overview of the CMT for all Performance Improvement Team (PIT) meetings as well as common measures discussions in monthly focus group meetings.

AGENDA ITEM SUBJECT: ON-THE-JOB TRAINING POLICY REVISIONS

AGENDA ITEM TYPE: APPROVAL

**RECOMMENDATION:** The Global Talent and Comptetitveness Council recommends to the Board the approval

of a revised On-The-Job Training (OJT) Policy, as set forth below

STRATEGIC GOAL: STRENGTHEN THE ONE-STOP DELIVERY SYSTEM

**STRATEGIC PROJECT: Improve service delivery outcomes** 

#### **BACKGROUND:**

On August 20, 2015, the SFWIB approved a revision to the On-The-Job Training (OJT) Policy. The policy guides all SFWIB stakeholders with program requirements regarding the use of formula training funds and eligibility for OJT. The policy has three principal benefits: provide minimum standards and suggestions for implementing federally funded OJT, promote an increase in the region's utilization of OJT, and encourage the development of effective protocol to streamline OJT agreements to best meet the needs of the local business community.

SFWIB staff recommends to the Global Talent and Competitiveness Council the following main OJT Policy revisions:

- Formatting for consistency with all SFWIB policies.
- Page 2 Section V -- Definitions Language was added to define Registered Apprenticeship (RA) and Work Experience.
- Page 3 Section IX(A) -- Business Eligibility Additional eligibility criteria was added for service providers
  to utilize to determine business eligibility. The criteria include: General Liability Insurance, Form 941, W-9
- Page 5 Section X(C)(4) -- OJT Agreement Compensation The minimum hourly rate to excute an OJT agreement was increased from \$12.00 per hour to \$15.00 per hour.
- Page 5 Section X(C)(5) -- OJT Agreement Compensation The maximium OJT compensation amount a business can receive per participant increased from \$7,500 dollars to \$11,700 dollars.

• Page 6 - Section XI -- Trade Adjustment Assistance (TAA) - A new section was added to the On-the-Job Training (OJT) Policy, granting service providers the ability to supplement reimbursement rates for co-enrolled trade participants under WIOA by 25 percent, in contrast to the standard TAA limit of 50 percent for OJT. This supplement is subject to the specific conditions outlined in WIOA section 134(c)(3)(H) and is intended to compensate employers for any extraordinary expenses that may be incurred in the course of providing training and supervision for said training.

#### V. DEFINITIONS

- A. On-the-Job Training (OJT) means training by an employer that is provided to a paid participant while engaged in productive work in a job that: a) provides knowledge or skills essential to the full and adequate performance of the job; b) provides reimbursement to the employer of up to 75 percentage of the training wage rate; c) is limited in duration as appropriate to the occupation for which the participant is being trained, taking into account the content of the training, the prior work experience of the participant, and the service strategy of the participant, as appropriate.
- B. Registered Apprenticeship (RA) means a national training system that combines paid learning on-the-job and related technical and theoretical instruction in a skilled occupation. An apprenticeable occupation is specified by industry.
- C. Work Experience means a planned, structured learning experience that takes place in a workplace for a limited period of time. Work experience may be paid or unpaid, as appropriate and may take place in the private for-profit sector, the non-profit sector, or the public sector.

#### VI. POLICY

On-the-Job Training (OJT) shall be provided in accordance with the WIOA for eligible adult and dislocated workers, unemployed and underemployed workers, and out-of-school youth participants. The OJT shall be provided through a contract with an employer to hire a participant and provide structured training that imparts the knowledge and skills necessary for the participant to fully perform the duties of the job for which they were hired. The contract shall be signed by all parties prior to the OJT participant beginning the training. Individuals hired as OJT participants shall be employees of the contracted employer.

#### VII. CONFLICT OF INTEREST

The SFWIB shall not favor a referral from and/or to a member of the SFWIB over another business in the community. OJT placements shall be made based upon what will be most beneficial to the participant.

American Job Center (AJC) staff shall notify the SFWIB whenever an OJT Agreement is connected to an SFWIB member, Service Provider, or employee.

Service providers are prohibited from recommending an agreement or making OJT referrals to businesses who are members of their immediate family or members of families of other Service Provider staff or SFWIB staff.

The AJC shall not enter into an OJT contract with a business to hire a participant who is a relative (member of the family) of the business. Relative is defined as: father, mother, son, daughter, brother, sister, uncle, aunt, first cousin, nephew, niece, husband, wife, father-in-law, mother-in-law, son-in-law, daughter-in-law, brother-in-law, sister-in-law, stepfather, stepmother, stepson, stepdaughter, stepbrother, stepsister, half-brother, or half-sister. (Section 112.3135, Florida Statutes).

#### VIII. REVERSE REFERRALS

Reverse referral is when the business has identified someone they would like to hire but the individual has demonstrated skills deficiency related to the position's requirements. A business may refer a job applicant to the Service Provider for potential OJT enrollment. In the case of reverse referrals, the candidate must schedule an eligibility determination and assessment appointment with a Service Provider and must be eligible for WIOA as a dislocated worker or adult. The Service Provider must utilize normal eligibility assessment and enrollment procedures.

Participant's eligibility must be determined prior to employment; no pre-hires or period of employment prior to the execution of an OJT agreement and participant training plan are acceptable.

#### IX. ELIGIBILITY

#### A. Business

Prior to entering into an agreement for OJT services with a business, the Service Provider AJC staff shall ensure that the business is eligible.

Businesses that meet the following criteria are considered eligible and may, subject to available funding, enter into an OJT agreement:

- 1. Located in the State of Florida;
- 2. Hold valid business tax receipt (formally an occupational license) and/or zoning permit;
- 3. Maintains Workers Compensation Insurance (if applicable);
- 4. General Liability Insurance
- 5. Form 941
- 6. W-9
- 7. Active business as verified by Florida Department of State Division of Corporations (<a href="https://www.sunbiz.org">www.sunbiz.org</a>);
- 8. Business has operated at current location for at least 120 days.

#### B. Participant

Participants (adult, dislocated workers and youth) that meet the following criteria may, subject to available funding, receive OJT through an executed agreement:

- 2. Not fully skilled in the chosen occupation, is in need of Training Services, and has the skills and qualifications to successfully complete the OJT.
- 3. Under the WIOA, has received individualized services, which include career planning.

A participant in a registered apprenticeship who is employed as part of that arrangement, may receive OJT and shall be treated as other agreements provided for employed workers as described in § 680.710 under the WIOA.

On-the-Job Training may be provided in same manner as described in § 680.700 under the WIOA for an unemployed participant in a registered apprenticeship.

Individuals eligible for training funds under the Trade Adjustment Assistance (TAA) Reauthorization Act of 2015, shall be provided to co-enrolled participants.

#### X. OJT AGREEMENT

#### A. Conditions

- 1. Participants may not commence training and businesses may not hire prior to the execution of the OJT agreement. The agreement is executed when signed by all required parties, i.e., service provider, business, and participant.
- 2. The appropriate signatory for the business shall be either the owner where the business is incorporated; a partner where the business is a partnership; or an officer if the business is a corporation. Corporations sometimes designate signatories other than their officers. In such instances, written authority transferring signatory responsibilities shall be obtained by the AJC or youth service provider staff responsible for developing the agreement.
- 3. OJT may be sequenced with, or accompanied by, other types of training, as applicable under the law.
- 4. Businesses must agree to establish and maintain records with respect to all matters covered by the OJT agreement; and allow public inspection of all documents, papers, letters or other materials made or received by the business in conjunction with said agreement, unless the records are exempt under federal or state law. Businesses shall retain such records for at least five (5) years from the date of final payment, or until all related federal and state audits or litigation is completed, whichever is later.
- The business must agree to comply with the provisions of the Certification Regarding Lobbying, Certification Regarding Debarment, Suspension and Other Matters, Public Entity Crime, Florida Clean Indoor Air Act and the Certification regarding a Drug-Free Workplace.
- 6. The business must agree to comply with the nondiscrimination and equal opportunity provisions of federal or state law.
- 7. An OJT agreement may be entered into for a registered apprenticeship program to train participants. Said agreements shall be with the employer, and may be used to support the OJT portion of the apprenticeship program which may involve classroom related technical instruction.

### **B.** Duration

- 1. An OJT agreement shall be limited to the period of time required for a participant to become proficient in the occupation for which the training is being provided.
- 2. OJT agreements shall not exceed six months of training unless there is documented justification and written approval from the SFWIB Executive Director.

#### C. Compensation

 Reimbursement for wages under an OJT agreement shall be based on the hourly wage rate and applicable percentage rate for competencies/skills in the training agreement's outline in accordance with all applicable laws. For purposes of the provision of OJT under this policy, an employer may be reimbursed an amount of the wage rate of a participant, for the extraordinary costs of providing the training and additional supervision related to the OJT.

- 2. The reimbursement level shall be in accordance with WIOA section 3(44) in an amount up to 75 percent of the participant's hourly wage rate and shall be based on a number of factors, including, but may not be limited to:
  - i. Company size.
  - ii. The characteristics of the participants in accordance with WIOA sec.134(c)(3)(H)(ii)(I), including whether the OJT contract leads to employment for individuals with barriers to employment.
  - iii. Quality of employer-provided training and advancement opportunities.
  - iv. Wage and benefit level of the employee both before and after OJT completion, and relation of training to the competitiveness of the participant.
  - v. Retention of employees from previous OJT agreements.

The service provider shall document the factors used to validate the increase in wage reimbursement levels above 50 percent and up to 75 percent.

- 3. Shall be limited in duration, as appropriate to the occupation for which the participant is being trained.
- 4. AJC Provider staff and Youth Provider staff shall not execute OJT agreements for occupations that pay less than an hourly wage rate of \$15.00.
- 5. Service Providers shall not execute OJT agreements exceeding a total possible business compensation of \$11,700 per participant without prior written SFWIB approval.
- 6. Participants employed under an OJT agreement shall be compensated by the business at the same rates, (including periodic increases) as similarly situated employees. In no event, however, shall OJT participants be paid less than the higher of the minimum wage specified under the Fair Labor Standards Act of 1938, as amended or the applicable state or local minimum wage.
- 7. Participants employed under a SFWIB OJT agreement shall receive the same fringe benefits and be subject to the same working conditions granted to regular employees under the same or similar occupational title.
- 8. Payments to a business under an OJT agreement shall not exceed any program specific federal, state or local guidelines and limitations, for the costs of providing the training and additional supervision related to the training.
- 9. OJT payments shall not be based on overtime, shift differential, premium pay and other non-regular wages paid by the business to participants.
- 10. Businesses shall not pay OJT participants in cash.
- 11. Businesses shall submit certified payroll records, as part of the invoicing process, in order to receive the applicable reimbursement.
- 12. Businesses shall be reimbursed by the AJC and youth service providers. The final reimbursement shall be made upon the completion of the last competency and when proper documentation has been provided. Reimbursement should coincide with the business' pay period. The reimbursement amounts shall be based upon the relevant funding stream requirements and any waivers at the time of the agreement. In accordance with section XIV of this policy, service providers may

submit a written request to the SFWIB Executive Director to approve an exception to the reimbursement process.

### XI. TRADE ADJUSTMENT ASSISTANCE (TAA)

Co-enrollment of an eligible trade-affected worker in the WIOA dislocated worker program is a proven successful service delivery model that helps ensure TAA participants have access to services and benefits, as appropriate. Although OJT reimbursements are limited to 50 percent in the TAA program, there is no requirement for the WIOA to provide additional reimbursement for TAA participants.

In limited circumstances, as provided in WIOA section 134(c)(3)(H), WIOA can pay up to 75 percent of the wage rate of the WIOA program participant for the extraordinary costs of providing the training and additional supervision related to the training, if available and authorized under state and local policies. There is no OJT wage cap established under the TAA program.

#### XII. GRIEVANCES AND APPEALS

Service providers shall advise participants of their right of appeal using either the business' grievance procedures, or those of the SFWIB, if previously agreed upon with the business. If a business elects to use its own grievance procedures, the business must agree to provide information to the SFWIB as to the actions taken under those procedures. If the participant is not satisfied with the outcome after using the business' grievance procedures, the individual may elect to file a grievance with the SFWIB under the SFWIB grievance procedures.

#### XIII. PROHIBITIONS/LIMITATIONS

- 1. Participants shall not be employed to carry out the construction, operation, or maintenance of any part of any facility that is used or to be used for sectarian instruction or as a place for religious worship (except with respect to the maintenance of a facility that is not primarily or inherently devoted to sectarian instruction or religious worship, in a case in which the organization operating the facility is part of a program or activity providing services to participants).
- 2. OJT agreements shall not be written for part-time employment. Proof of full-time employment shall be established and documented by the business. Verification shall be made by the AJC and youth service providers. Written requests for exceptions shall be made in writing in accordance with section XIV of this policy, prior to execution of an OJT agreement.
- 3. OJT agreements shall not be written for jobs with a Specific Vocational Preparation (SVP) of two or lower, except for participants who have a documented disability for whom such a placement would be appropriate or where written justification is provided to and approved in writing in accordance with section XIV of this policy. Lack of prior work history or non-English speaking are not to be considered disabilities for the purpose of complying with this provision, but may justify placement into a job with a low SVP.

- 4. Agreements shall not entered into with a business who has previously exhibited a pattern of failing to provide OJT participants with continued long-term employment and/or wages, benefits, and working conditions that are equal to those provided to regular employees who have worked a similar length of time and are doing the same type of work.
- 5. A participant shall not be charged a fee by any officer, employee, agent, or representative of the business or service provider for the placement or referral of such individuals in or to a training funded under an OJT agreement or amendments thereof.
- 6. A participant in a program or activity authorized under title I of WIOA shall not displace (including a partial displacement, such as a reduction in the hours of non-overtime work, wages, or employment benefits) any currently employed employee (as of the date of OJT participation).
- 7. An OJT funded agreement shall not impair existing contracts for services or collective bargaining agreements. When a program or activity authorized under Title I of WIOA would be inconsistent with a collective bargaining agreement, the appropriate labor organization and employer shall provide written concurrence before the agreement is initiated.
- 8. An OJT participant shall not be employed in, or assigned to, a job if:
  - a. Any other individual is on layoff from the same or any substantially equivalent job.
  - b. The employer has terminated the employment of any regular, unsubsidized employee or otherwise caused an involuntary reduction in its workforce with the intention of filling the vacancy so created with the OJT participant.
  - c. The job is created in a promotional line that infringes in any way on the promotional opportunities of currently employed workers.
- 9. OJT funds shall not be used for any political activity, lobbying of federal, state, or local legislators, or to promote or oppose unionization.
- 10. OJT funds shall not be used to directly or indirectly assist, promote, or deter union organizing.
- 11. OJT participants shall not be placed in a home-based business.
- 12. OJT funds shall not be used to encourage or induce a business, or part of a business, to relocate from any location in the United States, if the relocation results in any employee losing his or her job at the original location.

#### XIV. EXCEPTIONS

#### I. OF INTEREST TO

This policy is applicable to South Florida Workforce Investment Board (SFWIB) dba CareerSource South Florida (CSSF) American Job Centers (AJC), Service Providers, Youth Service Providers, and partners.

#### II. PURPOSE AND SCOPE

The purpose of this policy is to provide guidance to local workforce development area (WDA) 23 regarding the administration, resources and services coordination when providing supportive services and needs-related payments (NRP) to eligible Workforce Innovation and Opportunity Act (WIOA) and Temporary Assistance for Needy Families (TANF) participants. Additionally, this policy establishes the requirements for the use and documentation of WIOA funds for support services and NRP.
