FOR IMMEDIATE RELEASE:

IN HONOR OF ALL WHO SERVED

Committed to serving our veterans and their families

(MIAMI, November 7, 2013) — In recognition of Veterans Day, the South Florida Workforce Investment Board pause to share our respect and admiration for our veterans, who have willfully served our country, preserved our freedoms, and often made the ultimate sacrifice for us fellow Americans.

We acknowledge the tremendous efforts put forth by our brave heroes and their families. We recognize their service and sacrifice they have made for all of us. Many take their hard-earned skills honed and experiences from their tour of duty, and apply it back to their respective communities.

“I am privileged to join my colleagues in honoring our courageous veterans and their families and the sacrifice they’ve made to our country. It is our rightful duty to ensure our returning heroes can share in the vast opportunities that they have given so much to protect,” said Rick Beasley, executive director of the South Florida Workforce Investment Board.
