CHARTING YOUR CAREER COURSE YOUTH EXPO

~A journey through comprehensive workshops aimed at fostering employability skills~

(MIAMI, June 3, 2014) – Seizing the Moment is the 2014 overarching theme for Charting Your Career Course Youth Expo, a day of free workshops aimed to provide young adults 15-21 years of age with career path information and resources to help foster employability skills. The Charting Your Career Course Youth Expo will take place on June 12, 2014, at Barry University 11300 NE 2nd Avenue, Miami Shores, Florida 33161.

These hands-on career development workshops will be lead by a team of career training experts. The topics of the workshops will include working in a digital world: social media etiquette, creating a successful resume; developing effective interview techniques; dressing appropriately for an interview; learning tips on how to connect with potential employers; acquiring job search techniques; and more. The participants will also have the opportunity to hear from Darrell Roberts from the Federal Aviation Administration on careers in aviation.

“Through Charting Your Career Course Youth Expo, we are offering young adults the opportunity to acquire job readiness skills that are necessary to get their professional lives started on the right path,” said Rick Beasley, executive director for CareerSource South Florida.

This expo is in collaboration with Miami-Dade Juvenile Services Department, Miami-Dade County Public Schools, Miami-Dade Department of Juvenile Justice, Miami-Dade Economic Trust and Big Brothers Big Sisters of Greater Miami.
