Each LWDB is designated by the Governor to oversee the Workforce Innovation and Opportunity Act (WIOA) services for geographical locations known as Local Workforce Development Areas (LWDA). Additional information regarding the Board, its members and approved policies is located on the SFWIB website at www.careersourcesfl.com.

B. Overview of Solicited Workforce Services

In addition to the requirements listed below, each proposal for these services must evidence the respondent's track record and successful performance in delivering the solicited or comparable services. Each respondent must also have, and document in its proposal, an in-depth knowledge of the fiscal, administrative and programmatic requirements of the workforce services' programs

The WIOA supersedes the Workforce Investment Act of 1998, and amends the Adult Education and Family Literacy Act, the Wagner-Peyser Act, and the Rehabilitation Act of 1973.

In addition, WIOA authorizes other programs administered by the Department of Education (DoED) and the Department of Health and Human Services for specific vulnerable populations, including the Job Corps, YouthBuild, Indian and Native Americans, and Migrant and Seasonal Farmworker programs.

The WIOA is one of the primary sources of funding for workforce development activities in LWDA 23. The WIOA and applicable regulations can be accessed on the Department of Labor's site at: www.doleta.gov.

D. Method of Solicitation

A Request for Proposal (RFP) is a solicitation method that ensures open competition in order to maximize the likelihood of receiving exemplary workforce services proposals.

Notice of the RFP will be published in the LWDA's major newspapers and also be distributed via e-mail to agencies on the SFWIB's bidder's list. Upon its release, the RFP and all accompanying attachments will be posted on the SFWIB's website.

E. Eligible Respondents

6. Indirect Cost Rate Proposal

The publication of Title 2 CFR Part 200, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards," released on December 26, 2013, requires that every sub-award of federal funds from pass-through entities, such as the SFWIB to the sub-recipient must include, among other elements, an indirect cost rate. **Accordingly, all respondents are required to submit, with their response to this RFP, an indirect cost rate proposal unless the respondent has an existing indirect cost rate from a federal agency or pass-thru entity or elects the de minimis rate as identified in federal law.**

Detailed guidelines for preparing an indirect cost rate proposal can be found in the Career Source Florida Administrative Policy Number 86. For additional information please visit:

[http://www.floridajobs.org/docs/default-source/lwdb-resources/lwdb-grants-management/guidance-papers/2018-guidance-papers/lwdb-indirect-cost-admin-policy_\(20180701\).pdf?sfvrsn=2](http://www.floridajobs.org/docs/default-source/lwdb-resources/lwdb-grants-management/guidance-papers/2018-guidance-papers/lwdb-indirect-cost-admin-policy_(20180701).pdf?sfvrsn=2)

Respondents that already have an approved indirect cost rate must submit a copy of the indirect cost rate approval letter from their respective agency. Respondents that do not have an approved rate must submit an indirect cost rate proposal in accordance with the Career Source Florida guidelines noted above.

Note: an indirect cost rate proposal is only required if the Contractor includes indirect costs in its budget to the SFWIB.

As part of the indirect cost rate proposal, a detailed cost allocation plan must also be submitted with your proposal in accordance with the guidance that can be accessed through the link provided below:

<http://www.floridajobs.org/docs/default-source/lwdb-resources/policy-and-guidance/guidance-papers/2005-guidance-papers/050finalrwbcedures072805.pdf?sfvrsn=2>

The cost allocation plan is a document that specifies the allocation methods used for distributing all costs of an organization. A plan for allocating shared costs is required to support the distribution of those costs to grant and non-grant programs. All respondents' costs should be included in the plan. Official accounting records must support all costs.

The cost policy statement required as part of the indirect cost rate proposal and the cost allocation plan may be incorporated into one document.

One (1) legible, original unbound paper copy, and one (1) electronic copy saved in Microsoft Word or PDF format on a USB drive labeled Indirect Cost Rate Proposal must be included in the respondent's submission.

8. Operational Documents

Attachment L identifies the required **Operational Documents**. **One (1) original set** labeled Operational Documents must be packaged separately and included in the respondent's submission.

C. Selection Process

The SFWIB will conduct a review of all proposals received by the deadline. Proposals will be evaluated first to determine whether complete responses were provided for information required

by the RFP. Incomplete proposals or those that do not fully address each requirement may be disqualified as non-responsive. A respondent may include additional information and such information may or may not be considered by the SFWIB during the evaluation process.

The evaluation process is designed to assess the respondent's ability to meet the SFWIB's requirements and to identify those respondents most likely to satisfy those requirements. The evaluation process will be conducted in a thorough and impartial manner, at a publicly noticed selection committee meeting held in accordance with the Government-in-the-Sunshine Law. The meeting (**Public Review Forum**) is scheduled for **Thursday, July 11, 2019 at 3:00 p.m.** at the SFWIB's Headquarters. Respondents are encouraged to attend the **Public Review Forum**.

These factors may include, but are not limited to, quality of services offered, operating methodologies, administrative capability, previous experience in providing the same or similar services and the ability to achieve the deliverables. The SFWIB may elect not to award a contract to any respondent under this solicitation. If the SFWIB so elects, it will not be responsible for any fee or expenses incurred due to responding to this RFP.

The SFWIB reserves the right to accept one or more portions of competing respondents' responses and use such portions to form an overall program in the best interest of the SFWIB. The SFWIB reserves the right to reject any and all responses or portions thereof. The SFWIB reserves the right to withdraw this solicitation or any portion thereof at any time without prior notice.

The actual expenditure report may be used to negotiate service unit rates within any resulting contract term, including any extensions or renewals.
