I. Invitation

A. South Florida Workforce Investment Board (SFWIB) Background

The SFWIB is a governmental agency and instrumentality of both Miami-Dade and Monroe Counties, eligible to exclude income under Section 115 of the U.S. Internal Revenue Code. The Board is composed of volunteers who represent local private sector businesses, educational institutions, economic development agencies, organized labor organizations, veterans' interests, community-based organizations, state and local government agencies. Mandated partners are co-located in SFWIB Career Centers and contribute to the delivery of workforce development services throughout Region 23. Respondents' proposals shall explain how the following non-exhaustive list of mandated partners will collaborate with Career Center staff to deliver workforce services:

- Postsecondary Education;

- Vocational Rehabilitation;
- Community Services Block Grant;
- Department of Housing and Urban Development;
- Job Corps;
- Senior Community Service Employment;
- Migrant and Seasonal Farm Worker; and
- Native American Employment and Training.

C. Workforce Investment Act (WIA) Services

The goals of the WIA are to improve the quality of the workforce, enhance the nation's competitiveness and reduce welfare dependency. Selected Respondents shall be responsible for delivering a continuum of WIA services (e.g. core, assisted-core, intensive and training) to adults and dislocated workers. Services shall be rendered based on participant need, eligibility guidelines and funding availability.

Selected Respondents shall also be responsible for the following: (1) WIA eligibility determination and verification; (2) collection of required supporting documentation; (3) completion and submission of necessary eligibility documents; and (4) maintenance of documentation.

D. Jobseeker Services

Funds allocated to Contractors under the various funding streams are to be used to provide core, intensive and training services to program participants. Respondents' proposals shall detail an operational plan for the delivery of the three primary jobseeker services.

Core/Staff Assisted Core services include: job search and placement assistance, including career counseling; labor market information identifying job vacancies, skills necessary for occupations in demand, and relevant employment trends in the local, regional and national economies; initial assessment of skills and needs; provision of information on available services and programs; and follow-up services to assist in job retention. Core services are available on a universal basis with no eligibility requirement.

The Respondent shall provide intensive services to unemployed workers who are unable to obtain employment through the core services and to employed workers who are determined to need additional assistance to obtain or retain employment. Intensive services include comprehensive assessments, development of individual employment plans, group and individual counseling, case management and short-term prevocational services.

And training services are provided to individuals who met the eligibility requirements for intensive services but have been unable to obtain or retain employment through such services, have the skills and qualifications to successfully participate in a selected program, select programs that are directly linked to employment opportunities in the local area, and are unable to obtain other grant assistance, including Pell grants, or need assistance above the levels provided by such other grants. Authorized training includes occupational skills training, on-the-job training, entrepreneurial training, skill upgrading, job readiness training and adult education and literacy activities in conjunction with other training. If a Contractor's adult funds are limited, priority for intensive and training services shall be given to recipients of public assistance and other low income individuals.

The WIA requires that training be provided through the use of Individual Training Accounts (ITAs), through which a participant chooses among eligible providers. Specifically, the Contractor shall provide participants with the list of eligible training providers and related performance information. The participant then is to choose the program that best meets his needs, with payment arranged through the ITA. Note that ITAs are applicable to the non-WIA solicited programs such as Trade Adjustment Assistance and Welfare Transition (Career Advancement Program).

Training may be provided through a contract for services in lieu of an ITA for: on-the-job training and customized training; where there are an insufficient number of providers to meet the competitive purposes of ITAs; and for programs offered by community-based organizations or other private agencies that serve special participant populations that face multiple barriers to employment.

The Respondent shall adhere to the SFWIB ITA Procedures for issuing ITAs and tracking participant training progress and shall cooperate with Training Providers to ensure compliance with SFWIB reconciliation requirements. (Refer to Attachment N, ITA Procedures)

E. Business Services

Business services are a critical component of the solicited integrated service delivery system, providing direct value to businesses and enhancing the ability of the workforce system to serve jobseekers. Selected Respondents shall perform the following business services:

F. Welfare Transition Program/Career Advancement Program (CAP)

The goal of the CAP is to emphasize work, self-sufficiency, and personal responsibility as well as enable welfare recipients to move from welfare to work. CAP requires adults receiving cash assistance who are deemed work eligible to engage in work activities in order to develop the ability to support themselves before their time-limited assistance runs out. Work eligible CAP participants who fail to complete required work activities risk losing cash assistance.

The selected Respondent shall be responsible for managing the CAP caseload which includes, but is not limited to, the following:

- Work registration of TANF applicants;
- Assignment to work activities;
- Daily management of CAP participants;
- Weekly system tracking of participation;

Respondent's proposal shall document its strategy to successfully operate CAP.

G. Trade Adjustment Assistance Program (TAA)

TAA is designed to assist workers who have been laid off or whose jobs have been threatened as a result of foreign competition. Workers covered under a certified Trade Act petition are eligible to receive an array of services and benefits to include training, reemployment services, job search, relocation allowances, trade readjustment allowances, wage subsidy for older workers and health coverage tax credit benefits.

Respondents shall be familiar with TAA, and proposals shall detail an operational plan to deliver services to TAA participants.

H. Wagner-Peyser (WP) Program

The Wagner-Peyser Act of 1933, as amended by the WIA, prescribes specific guidelines regarding the registration of jobseekers and the provision of employer services. The chief purpose of the WP program is to match employers with qualified out of work applicants.

Selected Respondents shall be responsible for the management of Agency for Workforce Innovation (AWI) staff who will provide WP employment services; AWI staff shall document service delivery to all jobseekers and employers and make available labor exchange services to all employers and job seekers, including, but not limited to, unemployment insurance claimants, veterans, migrant and seasonal farm workers and disabled individuals.

I. Reemployment and Eligibility Assessment Program (REA)

The REA requires one-on-one assessment interviews with REA customers (UC claimants). The assessment interview includes the following: sharing labor market information, developing an employability development plan, and assisting with job search and training referrals. The program's goal is to shorten the duration of REA customers' Unemployment Insurance (UI) claims and consequently the length of their unemployment.

Selected Respondents shall be familiar with the REA and document service delivery to all REA participants.

J. Supplemental Nutrition Assistance Program (SNAP)

Selected Respondents shall manage the SNAP (formerly the Food Stamp Employment and Training Program). SNAP strives to meet the needs of participants in gaining skills, training, work and experience that will increase participants' ability to obtain self-sufficiency. The State of Florida provides SNAP services to able-bodied adults (ages 18-49) without dependents (children). Department of Children and Families (DCF) staff determines which food stamp recipients must register for work and participate in SNAP. The DCF refers all mandatory SNAP participants to the Regional Workforce Board providers for program participation.

K. Veterans Program

The goal of the Veterans Program is to promote and maximize the employment of the region's veterans, particularly veterans with barriers to employment, utilizing the full menu of Career Center resources.

Region 23 Career Centers shall be staffed with a network of professional Disabled Veterans Outreach Program (DVOP) Specialists and Local Veterans Employment Representatives (LVER) who are tasked to provide priority workforce services to veteran customers. DVOP staff focuses on providing intensive case management services to veterans with barriers to employment, such as disabled veterans. LVERs conduct outreach to employers and engage in advocacy efforts with hiring executives and managers to increase employment opportunities for veterans. LVER staff is also responsible for ensuring that veterans are provided the full range of priority workforce services in the Career Center.

L. Unemployment Compensation Program (UC)

The Agency for Workforce Innovation (AWI) administers the Unemployment Compensation (UC) program which provides temporary wage replacement benefits to qualified individuals who are out of work through no fault of their own. Selected Respondents shall be responsible for identifying UC customers, providing UC services (e.g. toll free telephone number for UC office, UC booklet, and claim filing methods) and seeking innovative approaches to providing these services.

M. Support Services

Support Services are a vehicle to eliminate barriers to employment and self-sufficiency. Selected Respondents shall coordinate and pay for support services so eligible participants can fulfill required program activities. Payment of support services shall be documented in both the SFWIB Service Account Management System (SAMS) and the participant's file. Bulleted below are the primary support services:

- Transportation;
- Work permit;
- Tools;
- Uniforms;
- Clothing;
- Occupational License;

Additionally, selected Respondents shall provide their staff opportunities for continuous skills development and take steps to ensure retention of quality staff.

O. Data Entry Responsibilities

IV. Evaluation Process and Selection Criteria

A. Submission Guidelines

Respondents are required to submit to the SFWIB two unbound originals and eight unbound copies (unless instructed otherwise in subsection B below) of proposal package components no later than **11:00 a.m., June 13, 2011**. Proposal packages shall be delivered to the address set forth on the cover page of the RFP. SFWIB shall not accept any modifications to any submitted proposal package after the aforesaid submission deadline. Any proposal package arriving post deadline will not be accepted by the SFWIB and will be returned unread to the Respondent. No proposal package will be accepted via electronic mail or facsimile.

NOTE: Use binder clips or rubber bands to keep copies separate, not section dividers.

B. Proposal Format, Content and Organization

All proposal components shall be separately labeled and packaged, in 12 point font, Times New Roman and assembled in the following manner:

1. Identifying Data Cover Sheet (Attachment A)

Attachment A is a form for the Respondent to specify both the name of its organization and the ten-digit alpha-numeric code chosen by it. The code must not contain the initials of the organization. Attachment A will be sealed in an envelope with no identifying information on the cover. **Only one original of Attachment A is required to be submitted.**

Attachment A will be opened at the Public Review Forum scheduled for Monday, June 20, 2011.

2. Organizational Experiences/Capabilities: 10 Page Limit (Limit excludes resumes and applicable attachments)

Attachment B is the cover sheet for Respondent to utilize for the submission of its experience and capabilities. **Two unbound originals and eight unbound copies** are required to be submitted. Respondents shall address the items below:

- a. Describe Respondent's years of experience delivering the solicited workforce services; complete Attachment D (Reference Chart);
- b. Describe Respondent's staffing plan (reference Attachment O, Career Center Staffing) to ensure the successful delivery of the solicited services; complete Attachment C (Staff Qualifications);
- c. Describe the financial control process that Respondent will use in the delivery of the solicited services;
- d. Complete Attachment E (Funding Sources).

3. Technical Proposal Narrative – Thirty-Five (35) Page Limit (Limit excludes applicable attachments)

Attachment F is the cover sheet for Respondent to utilize for the Technical Proposal Narrative component. **Two unbound originals and eight unbound copies are required to be submitted.** Affix a copy of the cover sheet on the outside of the sealed package containing the Technical Proposal Narrative.

The Technical Proposal Narrative is to be prepared in a manner that ensures that there is no identifying information on any page of the proposal that indicates the organization submitting the proposal. **Technical Narrative Proposals that include identifying information will be deducted one point per occurrence from the total score.**

NOTE: Do not respond to any element of the narrative by referencing information presented elsewhere in Respondent’s proposal. A response of “see above” or similar statements shall be considered unresponsive. Failure to respond to any section of the RFP may result in the Respondent’s proposal being deemed non-conforming and thus eliminated from the competitive procurement process.

The Respondent’s Technical Narrative must lay out a step by step strategy detailing how it intends to deliver the solicited integrated workforce services delivery system, manage Career Center operations and meet performance expectations; the step by step strategy shall sufficiently address the following:

- a. Mandated Career Center Partners;
- b. Jobseeker Services;
- c. Business Services;
- d. Support Services;
- e. Assisted and Unassisted Core Services
- f. Intensive Services
- g. Training Services
- h. Career Center Programs
 - i. Workforce Investment Act;
 - ii. Career Advancement Program;
 - iii. Trade Adjustment Assistance Program;

- iv. Wagner-Peyser Program;
- v. Reemployment and Eligibility Assessment Program;
- vi. Supplemental Nutrition Assistance Program;
- vii. Veterans Program;
- viii. Unemployment Compensation Program;
- i. Staffing;
- j. Data Entry Responsibilities;

4. Performance

Attachment J shows PY 10-11 performance by program and cost. Complete the chart with Respondent's proposed PY 11-12 outcomes for each proposed location. Two originals and eight copies of Attachment J are required to be submitted.

5. Budget

Attachment G is the cover sheet for Respondent to use for the submission of the Budget. **Two unbound originals and eight (8) unbound copies are required to be submitted in sealed packages.** The Budget is to be prepared in a manner that ensures that there is no identifying information on any page of the budget that indicates the organization submitting the Budget. **Budgets that include identifying information will be deducted one (1) point per occurrence from the total score.**

The Respondent is expected to clearly outline proposed costs in detail on the Budget Forms, Attachment H. Respondent shall use pertinent background information provided in the RFP to complete the Budget Forms.

Respondents shall submit individual budgets per proposed location.

The Respondent shall provide separate program and administrative budgets per proposed location. The Respondent is expected to ensure administrative and indirect costs are properly classified and not exceeding ten percent (10%) of the proposed budget. Administrative/indirect costs (e.g. accounting, auditing, payroll administration, insurance, internet, etc.) are the general overhead expenses necessary to operate the programs and are not program activities. These costs typically relate to the agency's general executive and administrative functions.

The Respondent shall provide a Budget Narrative that justifies each proposed expense included on the Budget Forms in terms of it being necessary, allowable and reasonable. Respondent shall

show the method of computation. Respondent shall refer to Budget Narrative Instructions (Attachment I) in completing this requirement.

The Respondent is expected to identify any in-kind resources/support for the service delivery system beyond what is being requested in the budget. Include each committed or proposed source of funding and the amount of that funding.

For line items listed under “Other” in the budget, the Respondent must clearly correlate proposed costs and outcomes by explaining and justifying the need for proposed costs in the Budget Narrative.

Proposed costs must be allowable as determined by SFWIB and governing statutes. **Allowable costs** are those that are reasonable, necessary, and/or required for the program. A cost is reasonable if, in its nature or amount, it does not exceed that which would be incurred by a prudent person under circumstances prevailing at the time the decision was made to incur the cost. Additionally, the cost is reasonable if it is of a type that is generally recognized as ordinary and necessary for the program.

6. Cost Allocation Plan (CAP)

Due to the integrated approach for service delivery in the RFP, Respondent’s staff will be cost allocated across all applicable funding streams.

A detailed Cost Allocation Plan (CAP) must be submitted with your proposal **in accordance with the guidance that can be accessed through the link provided below**. The CAP is a document that specifies the allocation methods used for distributing all costs of an organization. A plan for allocating shared costs is required to support the distribution of those costs to grant and non-grant programs. All Respondent’s costs shall be included in the plan. Official accounting records must support all costs.

In order for costs to be allowable in Federal grant programs, the costs must be allocable on the basis of benefits received. The requirements and guidance for cost allocation are found in the Office of Management and Budget (OMB) Circulars outlining the cost principles (**OMB Circular A-122 for nonprofit organizations; OMB Circular A-87 for governmental entities; Code of Federal Regulations (CFR) 45, Subpart B-74 and CFR 48, Subpart 31.2 for profit organizations**). For additional information, please visit:

<http://www.floridajobs.org/pdg/guidancepapers/050FinalRwbCapProcedures072805.pdf>

One original and **one copy** labeled Cost Allocation Plan must be packaged separately and included in Respondent’s submission.

7. Operational Documents

Attachment K identifies the required Operational Documents. **One original** and **one copy** labeled Operational Documents must be packaged separately and included in Respondent's submission.

8. Due Diligence Requirements

Attachment L sets forth the Due Diligence requirements. **One original** and **one copy** labeled Due Diligence documents must be packaged separately and included in Respondent's submission. Included in the Due Diligence package will be the organization's most recent Audit and Management Letter.

NOTE: Failure to include all of the above required proposal components will result in a reduced score or disqualification. SFWIB will not advise a Respondent of disqualification prior to the Public Review Forum.

C. Selection Process

SFWIB will conduct a review of all proposals received by the deadline. Proposals will be evaluated first to determine if all information required by the RFP is complete. Incomplete proposals or those not satisfactorily addressing each requirement may be disqualified. A Respondent may include additional information and such information may or may not be considered by SFWIB during the evaluation process.

The evaluation process is designed to assess the Respondent's ability to meet the SFWIB's requirements and to identify those Respondents most likely to satisfy those requirements. The evaluation process will be conducted in a thorough and impartial manner at a publicly noticed selection committee meeting held in accordance with the Florida Public Meetings Law. That meeting (Public Review Forum) is scheduled for **Monday, June 20, 2011 at 2:00 p.m.** at SFWIB Headquarters. Respondents are encouraged to attend the Public Review Forum.

Price is an important factor in selecting a Respondent. However, other factors in the competitive selection process will be considered and may take precedence over price. These factors may include, but are not limited to, quality of service offered, operating methodologies, administrative capability, previous experience in providing the same or similar services, and the ability to achieve the deliverables. SFWIB may elect not to award a contract to any Respondent under this solicitation.

The SFWIB reserves the right to accept one or more portions of competing Respondents' responses and use such portions to form an overall program in the best interests of the SFWIB. SFWIB reserves the right to reject any and all responses or portions thereof.
